October 26, 2022 Weekly Publication Serving Sheridan, Willamina and Grand Ronde Vol. 8, No. 36

Marianne Thomson • Email: bulletinwestvalley@gmail.com • (503) 687-3000 • 136 E. Main Street, Sheridan, OR 97378

INSIDE THIS ISSUE: HALLOWEEN ACTIVITIES AND GREETINGS

Sheridan Revitalization Meeting Planned Nov. 3

Sheridan Revitalization Movement will meet at 6 p.m. on Thursday, Nov. 3, at the Sheridan Museum of History, 142 S. Bridge Street in Sheridan.

Revitalization meetings are open to all interested in working together to improve Sheridan. For more information visit www.RevitalizeSheridan.com

Grand Ronde SDA To Host Fall Festival

The Grand Ronde Seventh Day Adventist Church will host a fall festival beginning at 6 p.m. on Saturday, Oct. 29, at 27660 Salm-on River Hwy. in Grand Ronde.

All are welcome to join in the festivities which will include a potluck, singing, and social time. For more information call 503-879-5812.

ELECT ROSE HAUCK
SHERIDAN CITY COUNCIL

The Sheridan City Council appointed Rose Hauck to an open seat on the Council on May 23, 2022.

Their decision was based on Rose's attendance at council meetings, community volunteerism and participation.

"Serving on the council has been a wonderful opportunity. I've loved participating in our City government and would love to continue my involvement as a council member. If elected, I promise to keep learning and growing with the City of Sheridan."

HEISER FARMS

Please join the City of Willamina and Wonderful
West Valley Businesses and volunteers
for a family fun time in Willamina.

2022 WILLAMINA TRUNK OR TREAT

Where: Parking lot across from City Hall and the Willamina Public Library. 1st Street in front of City Hall and the Library as well as the intersection of C Street and 1st Street will be closed so our trunk or treaters can safely cross between the activity areas

Time: 5:30 to 7 pm on Halloween

Activities: Trick or Treating
Games & Activities

In order to provide a safer venue for our children to trick-or-treat, many of the businesses will be handing out candy at the Trunk or Treat event rather than at their businesses. This way your trick-or-treater doesn't have to travel back and forth across Highway 18B.

The safety of your trick-or-treater is our priority!

FREE Donuts!

Sheridan Baptist Church
643 E MAIN ST, SHERIDAN, OR 97378

MYSTERY SOLVED By Gary Meyer

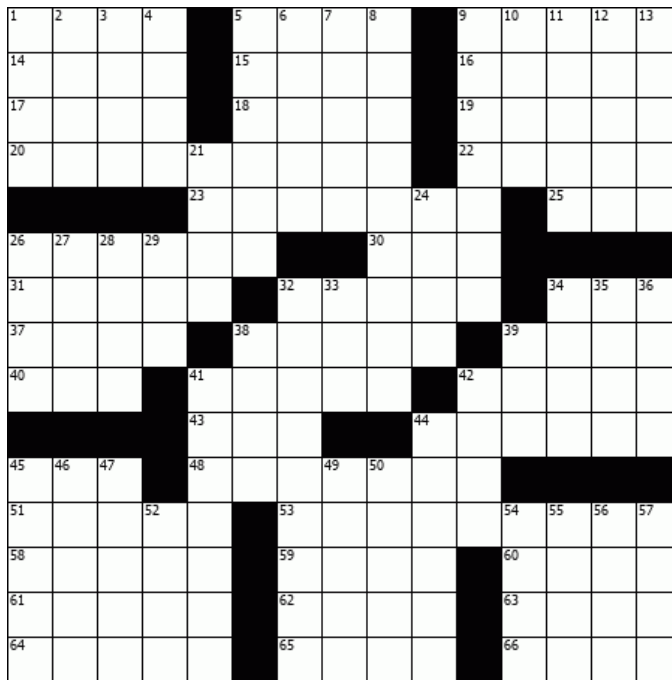

A beautiful classic red coupe drove by my house about a year ago. It was really well built (not a squeak or rattle was heard), with no loud, obnoxious exhaust, just the quiet sound of a strong solid engine. The paint was an eye-catching, shiny red with a black wood bed in the rear. When trying to locate the owner, it seemed many people only knew him as Don. So finally, I tracked him down and found that he was Don Witter, the owner of this sweet little 1929 Chrysler business coupe (only 20 ever made). In 2019 Don bought

the car in its original aged condition, complete with wood spoke wheels, and rebuilt the car in one year. He purchased a late model Chevy and used the parts to add front independent suspension and rear end to the coupe. The owner is a very knowledgeable, private man, who calls the car "a driver," but the workmanship and paint (all done by Don) would rival most car show winners.

Sheridan's First Federal branch participated in A Family Place's annual diaper drive. Tabitha McCallister created the pumpkin display shown above, which was made using all sizes of diapers. All First Federal branches participated. A contest was held for the most creative diaper display at each branch. A winner is expected to be announced Monday, Oct. 24. A Family Place steps up to help mothers with limited access to diapers. Some of these parents may have difficulty with stress management, depression and coping skills, which are proven to have negative effects on young children. Furthermore, children without an adequate diaper supply cannot attend early childhood classrooms or daycare, reducing parents ability to work.

SHS Raises the Academic Bar for Students; Requests Support for Bo

Sheridan High School Principal Jason Hohnbaum reminded the Sheridan City Council that the School Board voted last July to close the SHS campus during the lunch period. As a result, students must now earn the opportunity to leave the campus during lunch period. This change was based on tardies and absences related to students leaving campus at lunchtime. He said the new rules have resulted in 63 percent fewer tardies and 39 percent fewer

absences in classes that following lunchtime. Jason asked Council members if they were aware of any economic impact resulting from having half as many students out in the community during the lunch break. The principal said the school also forfeited the Oct. 6 football game because 17 of the 24 SHS student-athletes were ineligible to play because of their grades. The principal said they are raising the academic bar at SHS, which in-

SHS Principal Jason Hohnbaum includes holding students accountable. The principal said he made it clear to the football players that they would not be stepping out onto that field if they were failing classes. He said the school staff does their best to support students with after-school study halls. He said they've also ensured that teachers communicate regularly with coaches, athletic directors, and administrative staff. SHS staff realizes that it will take a group effort to succeed, Jason noted. The principal said it is already working; 22 of the 24 football team members were el-

igible to play in the Oct. 14 game. The Council joined together in a round of applause for the principal's efforts to hold athletes and all students to higher standards. The principal also noted that a district-wide substance abuse task force has been formed and said all interested are invited to the next committee meeting set for 4:30 p.m. on Nov. 9 at the district office. Jason said they've had good communication and support from the Yamhill County Sheriff's office.

Nicole Mirabito is a member of the Friends of Sheridan School District's political action committee. She distributed information

THEIR VOICE BACK.

LucettaforOregon.com

Paid for By The Committee
 to Elect Lucetta Elmer, PAC ID 21729

nd Measure 36-222

supporting the passage of Measure 36-222, which asks voters to approve a \$16 million bond for renovations and safety improvements to Sheridan High School and Faulconer-Chapman School. The district has been awarded a \$4 million State grant that will be available only if Measure 36-222 is approved. If the measure passes, the Sheridan School District will have a total of \$20 million to finance these capital costs.

If passed, property taxes in Sheridan would remain at 2021 rates. Because the previous bond was paid off, the new bond would, more or less, take its place.

Superintendent Dorie Vickery said the bond committee discussed expanding career technical education (CTE). She said, "The school district values career technical education, and we want to make that opportunity available for our students - either at the Barbara Roberts facility or the high school."

Dorie summed up the discussion by saying, "Good schools draw families. A good robust economy in this community will draw families. These things must go hand in hand. The District has to partner with the City. I am super excited about the things going on in this community. I'm certainly excited to be going into my third year with the district. We've got to have a robust economy, more workforce development, and good schools. That's what we are working toward. Safety, good education, rigor, the relevance of our curriculum, and holding our kids accountable are all important factors."

A Message from the Sheridan Superintendent

Dear Sheridan Families,

It is hard to believe that we are closing out the month of October! This brings an end to our fall sports season, which ran very smoothly compared to previous years. Many thanks to our athletic directors, coaches, custodians, school principals, and MidCo bus drivers.

Participating in school sports, and other types of extracurricular activities, provide a unique learning experience for students. Teamwork, commitment, problem solving, time management, leadership, and communication are all important skills that transfer to life responsibilities post high school, and the work environment. Extracurricular activities can also be a big motivating factor for students to work hard and stay in school.

Spartan Football, playing at the 2A level, had a challenging season. We knew going into this year that it would be a time for growth. Through the season, our athletes also learned the importance of time management and academics. A few weeks ago, the team forfeited a game because of many students being ineligible to play due to failing classes. Since that time, our athletes have been more attentive to their assignments and grades, realizing the level of responsibility to be a student athlete.

Our Spartan Volleyball team, playing at the 3A level, had a strong showing this fall. They ended the season 16-6, ranked 16th in the state. This was a young varsity team, with a very large JV team. I am looking forward to seeing how our Spartan Volleyball team competes next season!

Our Cross Country team, boys and girls, competed in several meets this season at the 3A level. They travel to Lebanon October 27 for Special District 2 Championships.

The FCS Titans also competed this fall in football, volleyball, and cross country. We had 41 students out for fall sports, learning from their coaches, and having to maintain good attendance and keep up with assignments. Our Titan coaches provide the foundational skills needed for competing at the high school level. Many thanks to these individuals for their time and commitment to Titan athletics!

I would also like to recognize our SHS Boosters, their time and effort to provide concessions. The Boosters are a big supporter of Spartan sports, and a growing organization. Please consider joining the Boosters and helping out!

Thank you to our parents, families and the community for supporting our Spartans and Titans in their learning and growing season!

Dorie Vickery Ed. D.

CTGR Firefighters Lend A Helping Hand at Neighboring VFW Hall

A team of five CTGR firefighters tackled the job of cleaning up around the VFW property. The crew trimmed shrubs and trees, cleared brush and weeds, and took care of other yard work at the VFW Hall in Willamina last week. When the team learned that the number of VFW members who could do this work was down to six people, they de-

cidied to pitch in and help. Between emergency calls for service, the CTGR crew volunteered to take on this task. Those lending a hand on this job include Battalion Chief Jason Crowe, Brandon, Jake, Mackenna and Cody. Hats off to these volunteers who went above and beyond to do this thoughtful good deed for their neighbors.

Hit-and Miss Engine on Display at Sheridan Museum

A hit-and-miss engine or Hit 'N' Miss is a type of stationary internal combustion engine controlled by a governor to only fire at a set speed. They are usually 4-stroke, but 2-stroke versions were made. It was conceived in the late 19th century and produced by various companies from the 1890s through approximately the 1930s when more modern designs began to replace them. The name comes from the speed

control on these engines: they fire ("hit") only when operating at or below a set speed and cycle without firing ("miss") when they exceed their set speed. The machine pictured was the property of the late Rocky Gutbrod, who got the engine from relatives in the midwest. Margie Gutbrod explained that the hit-and-miss was used to operate washing machines and refrigerators back in the day, kind of like a generator.

Rocky gave the engine to Ed Banke to restore years ago. (Rocky and Margie's daughter is married to Ed Banke's son.) Ed did a beautiful job with the restoration and will eventually give the engine to Trevor Banke, the grandson of both Rocky and Ed. Currently, the hit-and-miss is on display at the Sheridan Museum of History (open 10 a.m.-3 p.m. Saturdays), where it fit through the front door with only one inch to spare.

Sheridan School District

November 2022 Bond

Where students learn, grow and succeed! Measure 36-222

Vote YES

Why is Sheridan School District going out for a bond?

Our high school is in need of significant updates in several locations. This includes the old gym, locker rooms, main office and the science room. We also need to address our security systems at SHS and FCS.

Using the Long-Range Facility Plan and a year of planning and discussion, the Bond Committee landed on the following areas that need significant financial support:

➤ Student safety

- FCS and SHS will have a new main entrance designs where all visitors must have a face-to-face conversation with office staff before having access to the rest of the school. There will also be upgrades to the intercom system and cameras.

➤ Renovation of two of the old gymnasiums at FCS and SHS

- Increase large event space for the community, create an emergency location (FCS gym building), and allow for sport tournaments.

➤ CTE expansion

- Provide career technical education in several areas, creating a local workforce to meet the needs of industries.

➤ Sheridan High School

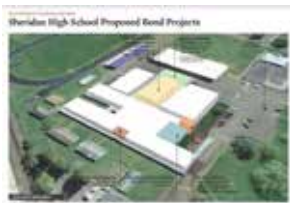

- Improved restrooms and sickroom
- Remodel the old locker rooms to team rooms
- Remodel and update the science classroom

Why \$16 million?

The amount of the bond is \$16 million, based on an analysis to keep the annual tax rate close to the same as last year's. The annual tax rate is approximately \$2.66 per \$1,000 of taxable assessed value. The previous bond was recently paid off, this bond will essentially replace it.

Should we pass the bond, the state will award Sheridan School District \$4 million in a grant, additional funding for capital improvements.

The process of creating the list of items centered on improved student and staff safety, immediate maintenance needs, the education of our students and the ability to serve the Sheridan community.

VOTE YES

WHAT'S UP IN WILLAMINA

by mary jane

WOW. Have you noticed all the Halloween decorations popping up in people's front yards? Some are really spooky, and others are just huge. I think Halloween is more for adults than kids.

One thing about Halloween is that it doesn't sneak in, and it tells us that the other holidays aren't far behind. You know, like Thanksgiving and the really big one, Christmas.

The City of Willamina and the Chamber of Commerce are doing a "Trunk or Treat." You've probably seen posters about it around town. It's a fun time for all. I'll bet some of the "Trunk or Treaters" will also be at your front door, so be prepared.

I hope you'll have as much fun as they do. Enjoying the coming holidays is "What's Up in Willamina."

HEIDER BUILDING PROGRESS: "The architects and engineers have finalized additional seismic upgrades required to move forward with construction on the building," said Project Superintendent Rich Lorimor with Bridge Street Commercial, LLC. Rich and Josh Steeley are pictured on the two ladders shown above. Rich said that for the next project, Portland General will move the power lines directly in front of the building up and out of the way so a Wilsonville contractor can begin Teck Pointing the exterior of the building. Teck pointing consists of re-mortaring the bricks and water proofing the exterior.

Sheridan Mayor Rich Cox honored Grand Sheramina Food Bank Manager Judy Adams with a Starfish Award during the Oct. 17 Sheridan City Council meeting. The award is based on the starfish story, which recognizes the difference one person can make in improving the lives of others. In the story, a boy picks up starfish, one at a time, throwing them back into the ocean. A passerby tells the boy that with the large number of starfish on the beach he couldn't possibly make a difference. The boy, throwing one more starfish back into the water replied, "Made a difference to that one." The story serves as a reminder that even a small act can make a huge difference in the lives of individuals. Rich, who volunteers at the food bank, has seen firsthand the positive impact Judy has had on the lives of those who rely on Grand Sheramina to feed their families. (Above, standing, Mayor Rich Cox and Judy Adams; seated, City Attorney Tyler Yeoman-Millette, and Councilors Lucy Hebert and Dennis McElroy.)

RESPECTFUL DISTANCE was maintained by these Sheridan residents as they went out to the circus grounds to look at the five large elephants traveling with the Carson and Barnes Show. The show arrived in town Wednesday morning and was ready to go for a 2:30 p.m. show. There was an evening performance.

GRAND OPENING of Perry's Friendly Service 243 E. Main in Sheridan will be held Saturday, with Perry Wriighthouse (right) and his son, Bob Kitchen, offering free coffee and donuts to visitors.

SHERIDAN BOYS were earning their circus admission Wednesday morning when the Carson and Barnes Show arrived in town for a two-show stand. Circus workers had the boys help with raising the canvas and a variety of other work to earn their way in, as boys have done since circuses were invented.

Station Grand Opening Slated

Grand opening of Perry's Friendly Service station at 243 E. Main in Sheridan is slated for Saturday, with free coffee and donuts on tap for all who stop.

The Chevron station, under new management of Perry Wriighthouse in association with his son, Bob Kitchen, will be open from 6 a.m. to 10 p.m. Monday through Saturday and from 8 a.m. to 9 p.m. on Sundays. Besides gasoline service, the station is offering a free car wash with lube jobs and oil changes, and tire service.

Mr. and Mrs. Wriighthouse have lived in Sheridan for the past two and one-half years, but he has logged in the Dallas-Sheridan area most of the time since the war.

Besides Bob, 23, other members of the family are Bill Kitchen, 27, who is making a career of the U.S. Army; Patricia Wriighthouse, 16, a student at Sheridan High; Sharon Wriighthouse, 15, a freshman at the high school; and Perry Jr., 12, a seventh grader at Chapman Grade School.

FAMILIES WATCHED the animals on display at Ellingsworth's Super Market's in Sheridan from the Carson and Barnes Circus.

The Sheridan Museum of History will be a shopping destination for those in the market for quality handcrafted Christmas gifts. A holiday table filled with gift items such as aprons, small blankets, crocheted afghans, potholders, coasters, and hot mats, will be open for business from 10 a.m.-3 p.m. beginning Saturday, Nov. 5. The sale will continue from 10 a.m.-3 p.m. every Saturday through Dec. 17 with new items added weekly. Pictured above, left to right, talented crafters Donna Hulett, Marge Gutbrod, and Ann Ballantyne are standing between the two gift baskets to be given to two lucky winners this year. Baskets include a museum logo t-shirt, potholders, hot mats, Christmas candy, hot chocolate and spiced cider. To receive a ticket for the gift basket drawings just stop by the museum and take a look at the handcrafted gift table. (An extra ticket will be thrown in for those who make purchases). All items are handmade by museum volunteers, with 100 percent of the proceeds going to support the museum.

STORE CLOSING ♦ EVERYTHING MUST GO

After 14-plus years of supplying automotive parts and supplies to Amity, Sheridan, Willamina, and Grand Ronde customers, we regretfully announce that we will be closing our Carquest Sheridan location.

Staffing shortages and increasing rents have made it necessary to close our Sheridan store.

The last day of regular business will be Friday, Oct. 28, 2022.

All customer accounts will remain open and transfer to our McMinnville store, Mac Auto Supply Co.

AUTO PARTS SHERIDAN

Mac Auto Supply Co. will offer two daily deliveries to Amity, Sheridan, Willamina, and Grand Ronde. The driver will leave Mac Auto Supply Co. around 9:30 a.m. and make deliveries to businesses in these areas. The following delivery will leave around 2:30 p.m.

Nov. 14-18, 2022, from 9 a.m. to 2 p.m., there will be a liquidation sale of shelving, and display racks, etc.

Everything must go!

For more information or assistance, please call Mac Auto Supply Co. at 503-472-5133 or cell 971-241-3085.

Thank you for your years of business and, hopefully, many more years with Mac Auto Supply Co.
