## Volunteers Work Hard to Improve Life in Sheridan

Here's proof that good things can happen when good people get involved. Fourteen volunteers turned out last Saturday to clear brick, brush and debris from Morgan Street Park to enable residents and visitors to see and access the river. Further work on the project will continue in the spring. (Photos courtesy of Kay Buckles.)

## Thank you, Volunteers

The City of Sheridan, Rotary Riverfront Parks Subcommittee, and some of the best volunteers around, tackled this project together.

Those rolling up their sleeves to get the work done last Saturday include City Manager Heidi Bell; Rotary members Collin Gyenes, John Stanislav, Mark Pauletto, Jim and Kay Buckles, and Zeek Linn; Mayor Rich Cox and Councilors Lucy Hebert, Jim Buckles, Rose Hauck, and Sandy Walker; City Attorney Tyler Yeoman-Millette, and volunteers extraordinaire, Brian and Donna Hill.

### A Report from Sheridan City Hall

As I am nearing the end of my first year as City Manager for the City of Sheridan, I want to thank everyone for the warm welcome. Below is some key information for you to know about this election season.

In November 2020, Oregonians passed Measure 109, also known as the Psilocybin Services Act. The Psilocybin Services Act authorizes licensed facilitators to provide a single dose of psilocybin to a client in an approved service center and also provides a framework for authorizing the growing/manufacture/processing of psilocybin products.

Psilocybin is a naturally occurring psychedelic compound found in over 200 species of fungi (mushrooms). However, the Oregon Health Authority is the regulatory agency responsible for creating the applicable rules and regulations for this new industry. They have not yet completed drafting the rules governing psilocybin service centers and manufacturing/processing facilities.

The Psilocybin Services Act allows local governments to refer to a ballot measure that would implement a temporary two-year ban of any psilocybin facilities within their jurisdiction.

The Sheridan City Council decided to send a ballot measure to the voters of Sheridan, which, if passed, would establish a temporary ban on any psilocybin service centers or manufacturing/processing facilities within the City. It is important to note that this is not like marijuana in that psilocybin products will not be available for purchase at a store, and recreational use of psilocybin products is not allowed. Any dose of psilocybin must be provided by a licensed facilitator within a licensed facility and taken at the facility.

Suppose the Sheridan voters pass the ban for two years. In that case, the City Council will start to design time, place, and manner restrictions regarding zoning for psilocybin service centers and manufacturing and/or processing of psilocybin within the City of Sheridan's City limits so that these restrictions can be put in place well before the expiration of the temporary ban.

If the measure fails, then the service centers and manufacturing and/or processing of psilocybin-related businesses may be located within the city, subject to any applicable zoning limitations contained in the Psilocybin Services Act, only after obtaining the necessary license(s) from the Oregon Health Authority (OHA).

Starting January 2, 2023, the OHA will accept applications to license facilitators, service centers, and manufacturing/processing facilities. In this case, the City Council will have a very brief window to implement time, place, and manner restrictions regulating psilocybin-related facilities within the City.

After Election Day, November 8, 2022, the Sheridan City Council will know how quickly they will need to react to create time, place, and manner restrictions. These rules will be designed cooperatively with the Sheridan Planning Commission.

In Yamhill County, the voters passed Measure 109 with 50.26% voting yes and 49.74% voting no. However, Sheridan had roughly 47% that voted yes, and 52% voted no. It is worth noting that Sheridan had the lowest voter turnout in the County, with just 70% of registered voters participating. 108 Sheridan voters voted on other items but did not vote on Measure 109.

To learn more about Measure 109 and the proposed rules, visit the Oregon Health Authority's page at: <https://www.oregon.gov/oha/PH/PREVENTIONWELLNESS/Pages/Oregon-Psilocybin-Services.aspx>

## Obituary

**Stephanie (Bunn) Kellogg**

Feb. 26, 1971 - Sept. 29, 2022

Stephanie passed away on Sept. 29, 2022, at her parent's home in Grand Ronde.

She was born Feb. 26, 1971, in Portland, to Kenneth and Edna (Pesicka) Bunn.

Stephanie attended school in Willamina, Skamania, and Waverlyville, Wash.

She married Chance Aubrey Wolf on July 30, 1988, in Halfway, Ore. The couple had four children, Tiffany, Amber, Jessica, and Christopher. Stephanie and Chance divorced, and in 2005 she married Travis Avery Kellogg.

Stephanie worked as a CNA in Hood River and Vancouver, Wash. She also managed the Sheridan Dairy Queen.

In addition to her parents, Stephanie is survived by five sisters, Selene Fry, Kristen Johnson, and Rebecca Bunn, all of Grand Ronde, Erin Bedortha of Vancouver, Wash., and Michael Quercia of Aberdeen, Wash.; two brothers, Brian Bunn of Beaverton and Ben Bunn of Salem; four children, and ten grandchildren.

A memorial service will be held at 10 a.m. on Saturday, Oct. 8, at the Church of Jesus Christ of Latter Day Saints on Willamina Drive in Willamina.

**Fire won't wait.**  
**Plan your escape**  
**at fpw.org.**

**FIRE  
 PREVENTION  
 WEEK™**

It is important for everyone to plan and practice a home fire escape. Everyone needs to be prepared in advance, so that they know what to do when the smoke alarm sounds. Given that every home is different, every home fire escape plan will also be different. Have a plan for everyone in the home. Children, older adults, and people with disabilities may need assistance to wake up and get out. Make sure that someone will help them!

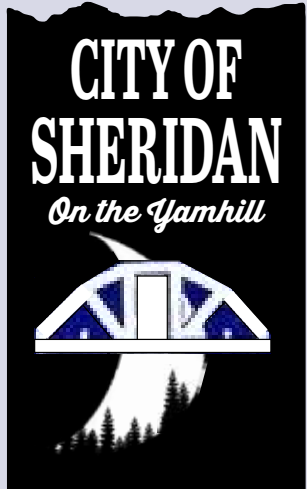

**Smoke alarms**

Smoke alarms sense smoke well before you can, alerting you to danger. Smoke alarms need to be in every bedroom, outside of the sleeping areas (like a hallway), and on each level (including the basement) of your home.

Do not put smoke alarms in your kitchen or bathrooms.

Choose an alarm that is listed with a testing laboratory, meaning it has met certain standards for protection.

For the best protection, use combination smoke and carbon monoxide alarms that are interconnected throughout the home. These can be installed by a qualified electrician, so that when one sounds, they all sound. This ensures you can hear the alarm no matter where in your home the alarm originates.

**THE CITY OF  
 SHERIDAN**

appreciates the  
 Sheridan Fire District  
 and surrounding  
 communities who stand  
 ready to lend a hand.

**We thank them  
 for their protection  
 of our communities.**

This year's fire prevention theme is "Fire won't wait. Plan your escape at fpw.org" where all Americans are urged to plan and practice an escape route in advance with everyone living in their home. This crucial fire safety message can help save lives and property.

120 SW Mill Street • 503-843-2347

**Thank You  
 Firefighters, EMTs,  
 Paramedics & Sheriff's Deputies**

We thank you for everything you do every day to protect us and keep us safe, often putting yourselves in harm's way.

**You are so appreciated.**

 Willamina, OR 97396  
 (503) 876-2322

**'Women Who Wine' Fundraiser Set Oct. 15**

Soroptimist International of McMinnville will host "Women Who Wine: Autumn Uncorked" from 5-7 p.m. on Thursday, Oct. 13, at the Michelbook Country Club, 1301 NW Michelbook Lane in McMinnville. Wine, music, food, an auction, and a raffle will be featured at the event. Tickets are priced at \$50 each. The proceeds will benefit at-risk women and girls in our area. Seating will be limited. Call 503-437-2481 to make a reservation.

**Reasons Why Your Teenager Should Volunteer for Community Projects**

Teens should volunteer to help just because it feels good to be a part of something positive and charitable that benefits their hometown. When kids learn to roll up their sleeves and help accomplish a community goal, they can be proud of their contributions, which in turn, gives teens the ability to grow and build a strong sense of self-esteem. It should also give these teens the opportunity to understand their responsibilities as a

member of the community. Teen groups who ask local businesses, organizations, and the City to give them money for things like uniforms, equipment, travel, and other expenses, might find a much more receptive response if the teens requesting the donations are seen volunteering.

Volunteers strengthen our community. For example, the Rotary Club's Riverfront Park Subcommittee tried to rally all community members to help clear brush and debris from the riverbanks at Morgan Street Park last Saturday. The weather was great. The event was well-advertised on the front page of The Bulletin Board for two weeks, and posted on various Facebook pages, and the City website.

The intent of this project is to give the community access to the river for fishing, playing, inner-tubing, rafting, or simply to enjoy a river view while picnicing or playing a few rounds of Frisbee with friends at the park. A group of 14 regular volunteers showed up to do the work. The majority were middle-aged and older. Not one teenager in sight. Studies have shown volunteering can increase happiness, reduce stress, and make people feel better in general. Teen volunteers will not only build a stronger sense of self-esteem, they will be appreciated and will be recognized for their efforts. We don't want to deprive our teenagers of all these benefits, do we?

**Financial Aid Workshop Planned at Sheridan High**

A financial aid and scholarship workshop is scheduled for 6-8 p.m. on Wednesday, Oct. 5, at Sheridan High School, Room 13. The workshop will cover the information needed to fill out the free 2023-2024 application for Federal Student Aid. Information regarding scholarships and grant applications will also be available.

For more information call Julia Holsti at 971-261-6970, or email julia.holsti@sheridan.k12.or.us.

**WVCC Clean-up Day Scheduled Oct. 15**

Join other community volunteers from 8 a.m.-1:30 p.m. on Saturday, Oct. 15, at WVCC, 266 SE Washington Street in Willamina. Lunch will be provided for volunteers.

Work groups meet at the campus on the third Saturday of every month to clean, organize and repair the old Willamina High School building.

## You Can't Keep A Hot Rodder Down

By Gary Meyer

Tom Coblenz worked for years as a log truck driver, until in 1985 his world was turned upside down. Tom was stricken with multiple sclerosis (MS), making it impossible to continue as a truck driver. Tom has built and owned some very nice cars, including a 1923 T-Roadster, with a 302 stroker engine and C-4 automatic transmission. The brightwork (chrome) was enough to blind a person on a sunny day. The roadster was sold and last seen in the Newberg area. Tom now owns a beautiful Tem-

pest with rich, deep red paint, 455 engine with a C-4 transmission, and nice leather seats, and only 20,000 actual miles on the speedometer. Tom's old favorite car to drive is a 1934 Ford pickup with a 344 engine and a C-4 automatic transmission. Although he is now mostly confined to his electric wheelchair he isn't about to slow down.

## Monthly Municipal Court Set Oct. 11 in Sheridan

Sheridan Municipal Court will meet in regular session at 10 a.m. on Tuesday, Oct. 11, at Sheridan City Hall, 120 SW Mill Street in Sheridan. Municipal Court is open to the public.

## Obituary

### Anne Mischel

March 31, 1927-Sept. 25, 2022

Anne Mischel passed peacefully on Sunday, Sept. 25, 2022. Margery Anne Turner was born to Nell Stewart and Leon Turner in McMinnville. She was raised on the "homestead," the Stewart farm south of Amity. She attended first through twelfth grade at Bethel School in Polk County Oregon.

On Sept. 11, 1949, she married James R. Mischel Sr. They had four children, Jim Jr., Mike, Marie and Kelli.

Anne loved raising Appaloosa horses, several of which were champions. Anne was inducted into the National Appaloosa Hall of Fame, Trail Division. She was one of 40 original riders on the National Appaloosa Horse Club sponsored Chief Joseph Trail Ride. She continued on the ride for 52 years. A great many of those years, she served as a ride scout. She also assisted her late husband Jim in his role as the official Chief Joseph Trail Ride photographer. She is survived by her son, James R. Mischel Jr. of Sheridan; daughter Marie Yoesel of

Ballston; three grandchildren, Jeri Turgesen, Jason Frankenburg and Sandy Mischel McDaniel; and six great-grandchildren.

A viewing will be held from 4-7 p.m. on Wednesday, Oct. 5, at Macy and Son.

Services will be begin at 1 p.m. on Thursday, Oct. 6, at Macy and Son Funeral Chapel, with interment after the service at the Bethel Cemetery. A reception will follow at the Bethel School she attended in her

# Willamina Shop Class Planning Events and Projects for 2022-

The Bulldog Bash, Willamina school district's upgrade from their traditional open house, will take place Oct. 4. The event hosted live music, a picnic dinner, games, classroom visits and presentations. This was an opportunity for the community to learn about resources available to their students, and learn about the many things happening in the district. In addition the

CTE shop was open to see student demonstrations and learn about upcoming projects in store for the high school's shop class. Last year, Willamina Customs (a business club run by shop students with mentor and teacher TJ Wilson) won recognition for their winning display at the Grand National Roadshow. Three magazines featured the crew, one of which is the international

magazine "Cars Culture Deluxe," sold worldwide. The story covered five pages, two of which were a photo spread of the custom display students created to showcase the Seaburst, a beautiful teal blue 1957 custom-built Ford owned by Mark Stewart. Students will return to the Grand National Roadshow in February. That opportunity continues to pay off for students and their programs as they receive support and recognition outside the community. For example, "Cars Culture Deluxe" asked students to do an hour-long podcast about the process of creating their business, Willamina Customs, and the people they have met along the way as their club evolved. Across the country, people have put pressure on school systems to prepare students for the real world. Willamina is ahead of the game, with students gaining opportunities for internships and career paths. The podcast went

so well that Alyson Payne, club president, and TJ Wilson were asked to create another.

Willamina Customs has also been invited to a Mid-Willamette Education Consortium (MWEC) event. The MWEC helps promote Career and Technical Education (CTE) programs in the Willamette Valley, which is a valley-wide professional development event with speakers. Willamina Customs members will speak, explaining how they got started and what's coming up. In addition, many high schools may be eager to hear about their club and how they might do something similar. Some students were selected to go to Las Vegas for the SEMA (Specialty Equipment Marketing Association) show from Nov. 1-4. This trade show is not open to the public. However, four students will go and demonstrate their skills and participate in other training sessions.

From the show's website, semashow.com: "There is no other trade show where you can see thousands of product innovations from new and iconic exhibitors, experience the latest product and custom vehicle trends, get access to 70+ free professional skill-enhancing education sessions, and make career-changing connections with peers, leaders, and celebrities at the industry's most anticipated in-person networking event."

Students have also been invited to car shows for metal-working demonstrations throughout the summer and beyond. These invitations have become so commonplace for Willamina's shop class. They have a table and equipment set up for these demos. People who love car shows and custom and classic cars often know something about metalwork and restoration, but many do not know all that goes into the process. First, students demonstrate metal shaping; for example, they might make a motorcycle gas tank, taking it from raw metal and manipulating it into complex shapes and compound curves. Next, say that a classic car needs a new fender, but no spares are available; students can make a replacement from scratch.

In the planning stages now, students are gearing up for a state-wide event in March. Two celebrity status individuals will lead the event, which will be offered to students throughout Oregon. The focus is on non-traditional students and how the indus-

# 2023 School Year

try can better serve those who might not fit the stereotype of typical CTE path individuals. To level the playing field, students will accept donations to help pay for their participation. Several projects are also underway:

- Thanks to a grant, seniors have the opportunity to train for a commercial driver's license (CDL). The district purchased a Kenworth truck to allow students hands-on training, driving, and maneuvering skills.

- Students are building a custom-enclosed trailer that houses a vending area in the back and a full commercial kitchen in the front. This trailer will facilitate community food support and events to start a culinary arts program partnering with Future Farmers of America (FFA). The goal is "farm to table" locally: students will grow the food, prepare, and serve it. They have a complete digital design and blueprint of what they will build.

- Multiple other projects are underway for folks in the community and students at Willamina schools.

- Students will also build a fully-electric vehicle from the ground up, chassis, suspension, brakes, electrical system, and more.

The Bulldog Bash/Willamina Customs open house is open to the public. A dedication ceremony to name the shop and recognize the many contributions of Steve Bobb (who passed away recently) was held.

## WHAT'S UP IN WILLAMINA

by mary jane

T'is the season. They're taking wing in big batches. Geese and ducks are what I'm talking about today. I've seen some really large groups of them going overhead. They sure can be noisy, but it's a "good" noise.

I think they're fascinating. I wonder just how they know where to go without a G.P.S. I also wonder how they know when to leave their summer home and head to their winter one. Some batches are over two dozen, and others are a lot smaller. Hmm... Is it a family thing? There always seems to be a couple left behind that are trying to catch up.

I know one thing for sure... I wish they'd wear diapers! The cars and the side of my house are a mess, but they're still fascinating. Wondering about the geese and their travels is "What's Up in Willamina."

### Trunk-or-Treat Event Set October 31 in Willamina

The City of Willamina will host a Halloween trunk or treat event from 5:30-7 p.m. on Monday, Oct. 31, in front of Willamina City Hall on C Street.

Those handing out candy from their decorated trunks are required to use commercially made and wrapped treats. No scary or violent designs will be permitted for decorating. No toy weapons (knives, guns, etc.) and no open flames. Vehicles must be turned off throughout the event and participants must stay with their cars. No smoking or alcohol. Completed registration forms must be submitted to Willamina City Hall at 411 NE C Street, or emailed to [Mardette Cook at CookM@ci.willamina.or.us](mailto:Mardette.Cook@ci.willamina.or.us). Forms can be found on the city website. For more information call Sarah Frost at 503-876-2242 or email [frosts@ci.willamina.or.us](mailto:frosts@ci.willamina.or.us).

## A MESSAGE FROM THE WILLAMINA SCHOOL DISTRICT

It is hard to believe we have been in session a full month, the time has passed quickly! Getting through the first few weeks is always a relief; schedules become familiar, new students and staff make connections, and we settle into a comfortable routine. We have already had some memorable moments: homecoming, open house (Bulldog Bash), and the dedication of our "Steve Bobb Automotive Center."

We are so proud to share our new track with the community, many of you have already had the opportunity to see it first hand at a home football game. I hope everyone has a chance to come see it soon. We have also settled on a building plan for the new middle school expansion. Preliminary site development is in progress with more to come as soon as building permits are issued. The new addition will have six classrooms, an administrative office, staff room, and several restrooms. This much needed renovation will allow all middle school students and teachers to work together in one building.

Our elementary students will be using a new reading curriculum this year. Last school year the elementary staff reviewed several state approved curriculums before selecting the final program. The new curriculum is fully aligned with the Common Core State Standards and provides both intervention and enrichment activities for our students.

Elementary and middle school staff are in the planning stages of providing an after school experience for our k-8 students. We hope to have the plan completed and communicated to families in the next few weeks. Please watch for a parent square survey coming soon.

With great Bulldog pride,  
Carrie Zimbrick, Superintendent

# Grand Ronde Emergency Services Steps Up for West Valley Citizens

By Staci Coker

Steve Warden, chief of emergency services for the Confederated Tribes of Grand Ronde Emergency Services (CTGRES), sat down to talk about the current agreement with West Valley Fire District (WVFD) and the current contract negotiations for services in the West Valley area.

Last year, CTGRES removed themselves from an Intergovernmental Agreement (IGA) with WVFD and formed their emergency services far sooner than initially planned.

Steve said he felt the level of service was not adequate for the community.

"We wanted to be in a position to take care of our community, so we ramped things up," he said.

By Oct. 1, 2021, they hired several highly qualified responders, and additional staff, with rigorous goals and guidelines set as expectations. The original plan for CTGRES was to be fully operational around 2024-2025. Instead, an escalation occurred in response to a service void in the West Valley.

CTGRES and WFVD reached an agreement that placed emergency responders in the Willamina fire station.

A three-year contract between CTGRES and the WVFD was signed, with boundaries defined for each district.

A second one-year agreement was reached between the two entities for CTGRES to handle the WVFD and ambulance service areas.

"We did, what I term, the right thing for the right reasons and the community," said Steve.

The secondary contract allowed for two ambulances to be staffed 24/7, an engine company, and at times two engine companies; one at the station in Willamina and the other at the

Grand Ronde station.

This secondary contract expires on Jan. 1, 2023.

Administrative services for the WVFD landed in the hands of the City of Willamina, an agreement made by the WVFD board and Kenna West, the city manager at the time.

However, CTGRES assists with administrative tasks that require trained professionals, such as fire marshal services, audit assistance, and other items.

Steve added, "Again, it is neighbors taking care of neighbors and trying to do the right things for the right reasons."

At this time, WVFD does not employ any emergency services staff. Instead, staff from CTGRES are stationed in Willamina for faster response times to in-town emergencies.

Negotiations between the WVFD board and the CTGRES for an extended contract are underway.

Steve started his fire services career in September 1977. He joined a school program in Marion County.

He later chose a career in law enforcement. He volunteered for fire services during his 27 years with the Yamhill County Sheriff's office; he retired in 2011 as a patrol sergeant.

He received a post-retirement promotion to lieutenant and ran the marine program. In addition, Steve is still involved with their communications department.

Steve came to Grand Ronde to put together the emergency services program.

One of his current focuses is starting a new volunteer program that will serve the community.

The WVFD board typically meets at 6 p.m. on the second Tuesday of each month at the Willamina fire hall, located at 825 NE Main. The meetings are open to the public.
