Legion Outreach to Help Veterans Battle Paperwork, Answer Questions, Listen

Many veterans have tangled with government forms attempting to figure out what they need to do to access their benefits. The process can be complex, time-consuming, and often lead to an unhealthy dose of frustration.

But now, all West Valley veterans and their spouses can breathe a big sigh of relief thanks to American Legion Post 75 West Valley Veterans Outreach. Help is offered every Tuesday from 10 a.m.-2 p.m. at American Legion Post 75 at 125 N. Bridge Street in Sheridan. The new service hours may increase to two days per week if additional hours are needed.

The outreach hopes to serve the people of Sheridan, Willamina, Grand Ronde, Buell, Ballston, everyone in the West Valley.

Bobby Davis, pictured right, explained that McMinnville has a service officer, but other than that, veterans have had to find their way to Salem or Portland to find these services now offered in Sheridan.

In addition to tracking down records and filling out various forms and paperwork, Zeek Linn, pictured left, and Bobby are ready to help connect veterans with services they need, such as medical, counseling, and more. Veterans should bring their identification and DD214 if they need help dealing with government agencies. However, these items are unnecessary if they'd just like

Zeek Linn, left, and Bobby Davis, right, are ready to serve their fellow veterans every Tuesday.

to talk and tell stories. Zeek, a veteran, plans to talk with the Confederated Tribes Tribal Council to discuss the possibility of purchasing a DAV (Disabled American Veteran) van to transport veterans to medical appointments in Salem and Portland.

The current DAV vans will not come into rural areas, so veteran services must arrange transportation for rural veterans from

their homes to a location where the DAV van will pick them up. The American Legion building needs a new roof. Legion members have been fundraising for this purpose for some time. However, Zeek said, once that's done, one of the large rooms upstairs will become a veteran's center, offering a pool table, television, couches, a place for veterans to gather and talk, a place to go to get out of the

house. While American Legion membership is not required for these outreach services, Legion membership is open to all honorably discharged veterans. Bobby served three years in the Women's Army Corps. She is now a service officer with the McMinnville chapter. Zeek served 12.5 years in the Army and is the sergeant-at-arms for Post 75 in Sheridan.

A MESSAGE FROM THE WILLAMINA SCHOOL DISTRICT

Inclusive Schools

The term inclusion captures, in a word, an all-embracing idea. Regarding individuals with disabilities and special education, inclusion secures opportunities for students with disabilities to learn alongside their non-disabled peers in general education classrooms. Honestly establishing a successful inclusive classroom varies in complexity based on the challenges created by the disability at hand. However, a knowledgeable approach and positive attitudes on the parts of parents and teachers prove vital to triumph over any obstacles which may emerge.

Willamina School District (WSD) strives to serve all resident students. Many districts have long practiced sending students with low-incidence disabilities (Autism, Orthopedic Impairment, Blind or Deaf, Intellectual, and Emotional) to specialized schools or classrooms outside the district, typically to a larger district, for their educational needs. In an effort to keep all students attending school in their community WSD has invested in professional development initiatives to strengthen the skills of our staff to support all students, especially those experiencing disabilities.

All staff has been trained in RULER, social-emotional learning (SEL) curriculum, most have completed courses in collaborative problem solving (CPS), and selected staff are trained and certified annually in non-violent crisis intervention (NVC). NVC certification is required for all staff working directly with children that may experience a low-incidence disability. This training prepares staff to support students that are in crisis, with an emphasis on safety and emotional regulation.

In addition to staff training, WSD has invested in staff specifically dedicated to supporting our students' mental and behavioral health needs. We are fortunate to have two Yamhill County mental health clinicians on-site, four highly-skilled behavior intervention coaches, two family advocates, and two fully staffed classrooms to support students in need of high-level support.

Keeping our resident students in our district, learning with their siblings, neighbors, and friends is a priority for WSD. We believe all students should have an opportunity to receive a quality education in their resident district, and we believe all students benefit from inclusive schools.

**With great Bulldog pride,
Carrie Zimbrick, Superintendent**

Household Garbage Dumped in Recycle Bins May Stop Service

The City of Sheridan's convenient recycle area, located at Cherry Hill and Balm Street, is open 24 hours a day, seven days a week. Preferred hours range from 30 minutes before dawn until 30 minutes after dusk.

This free service helps Sheridan residents recycle yard debris, glass, and cardboard. Commercial use is not allowed.

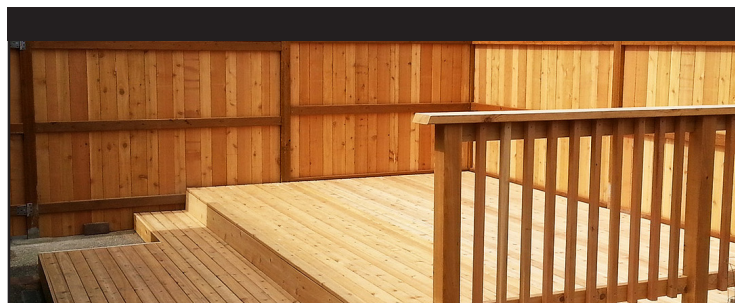

However, this service may not last long if those uneducated in the ways of recycling continue to throw household garbage in these three containers meant only for glass, cardboard, and yard debris.

No trees larger than 8-inches in diameter are allowed in the yard debris containers. Leaves in plastic bags must be opened and leaves emptied into the yard debris boxes. Plastic bags should never be tossed into the

yard debris containers.

No household garbage is acceptable in any of the recycling containers. Plastic items, plastic bags, or electronics may not be discarded in any recycle containers. Mixing these unacceptable items into recycling contaminates the entire load, and Recology will charge the City of Sheridan to sort the garbage and other inappropriate matter out of the bins.

City of Sheridan Public Works Director Kie Cottam said, "This service is already being abused. If this continues, we will shut it down. This service is provided at no charge for the convenience of Sheridan residents. If the City has to pay large fees because of those who won't follow the rules, the service will go away quickly."

Fentanyl Overdoses on the Rise in Oregon

Illicit fentanyl, found in powder forms and counterfeit prescription pills, has been linked to many fatal overdoses in Oregon, including the recent deaths of two Portland teenagers, according to the Drug Enforcement Agency.

There were 472 unintentional opioid overdoses in Oregon in 2020, and 473 in nearly half that time from January to August of 2021. With the number of illicit fentanyl overdoses and deaths rising exponentially, now is time to raise awareness about this crisis; educate parents and teens about the dangers of taking any non-prescription substances; and inform of the tools available to help prevent fentanyl poisoning and death.

"Fentanyl is everywhere. We're more than a year into this cri-

sis, and the tragic overdoses we're seeing here in Oregon and around the nation are heart-breaking, said Dr. Sarah Leitz, Chief of Addiction Medicine for Kaiser Permanente in Portland. "We have to increase awareness to keep our communities safe. Just 2mg of fentanyl is considered a potentially lethal dose, so teenagers who may think they are just experimenting can take one pill, overdose and die."

Adventist Health, Sheridan, hosted the March 25 Sheridan Chamber Breakfast held at the Monroe Event Center. They provided a wonderful continental breakfast, swag bags, and fun prizes for a drawing and for the winner of the "shout it out" trivia contest filled with questions about Sheridan businesses. With at least 22 people attending the breakfast meeting, laughter filled the room as everyone battled to be first at getting their guesses out.

Guests thanked the Adventist Health staff for their excellent patient care. "If you're looking for whole-patient care, from head to toe, mental and physical health, they take the time to listen and offer personal service," said Staci Coker, whose grandmother is one of their satisfied customers.

City Manager Heidi Bell also thanked Adventist Health for their recent contribution of a much-needed AED for City Hall. (First Federal also generously contributed an AED.) John Stanislaw, Air Safety Northwest, said his company will offer a reduced price to furnish these life-saving devices. Chamber and Rotary get-togethers have led to many positive accomplishments for the community.

WHAT'S UP IN WILLAMINA

by mary jane

Egads! Talk about "sticker shock," though it's more like "sign shock." Maybe you haven't noticed the price of gasoline these past few weeks. I remember when it was under \$1 per gallon. Then it went to \$2 per gallon and the rest is history... as they say. It's now closer to \$5 than \$4.

I've heard from friends in bigger cities, that gas is now close to \$6 per gallon.

At this rate, we may have to start planning on carpooling to go to Sheridan to the pharmacy.

Holding our breath that the price of gas doesn't go tooo much higher is "What's Up in Willamina."

General information

The Parks & Recreation Committee consists of six members appointed by the mayor. Parks & Recreation Committee members shall choose their terms of office by consensus or by lot as follows: two for one year; two for two years; and two for three years. The committee shall select a chairperson.

Background and experience that might be useful

- General knowledge and interest in the City's parks.
- Effective communication skills and a sense of humor.

Application and additional information:

If you have questions, please contact the city manager or city recorder prior to submitting a Parks & Recreation Committee application.

April is Child Abuse Prevention Month

Carole Joa, Stewards of Children program director for Juliette's House, reminded Sheridan City Councilors that April is Child Abuse Prevention Month. The Council unanimously agreed to adopt a proclamation that recognizes that every child has a right to live a safe life and that it is up

to adults to recognize and help children in these horrible situations.

Citizens are encouraged to wear blue every Friday in April in support of child abuse prevention. Pinwheels will be displayed throughout April to show support for children who need our help.

Memories:

Souvenirs our hearts collect throughout the years.

Contributed by a Bulletin Board Guest Writer

My cousin came from Portland to my home in Salem. She said, "Let's go visit your favorite teacher." We liked to go to the elder center, where she had lunch daily. We arrived, settled ourselves into a couple of chairs around the table, hung our jackets on the back of our chairs, placed our purses under the table, when a woman approached us and asked who we were guests of. Obviously, we were too young to have a meal. She points to a table in the corner for us to sit. We gathered ourselves up and moved just as my teacher arrived. She was surprised and happy to see us. She explained the seating. Everyone has their place, and we were in it. Later in life, we learned the importance of this ritual when we became Bingo players. Heaven forbid we should ever commit that Cardinal sin.

But she sat with us that day. I made a habit of visiting her and taking books for her to read, also candy. I like to read while having a piece of candy, and she enjoyed the luxury of that, too. When she told me she couldn't read anymore, I read to her for a while. Then she said she wasn't up to it anymore. I still brought her pretty scarves, etc.

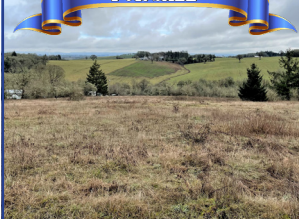

One day we were visiting, and she leaned over and, in her soft voice, said, "You know all my life, they called me 'Miss Goody Two Shoes.' I hated that so much and got so tired of it that I decided to do something about it. Know what I did? I got drunk." When they arrived home, they were so shocked. But it worked; they never called her that again. We looked at each other and laughed until we cried.
