City of Sheridan Recycle Center Open Dawn to Dusk Daily

The City of Sheridan has relocated its free yard debris, glass, and cardboard recycling center from Cherry Hill to the driveway into the City's sewer plant property on Sheridan Road. The area is open to Sheridan residents from dawn to dusk seven days a week. Cameras are in place to identify improper use of the facility. In spite of clear instructions for their use, people continue to contaminate the process by discarding unacceptable items into the bins. This increases the cost of operation for the center because these items must be sorted out removed by hand. The yard debris boxes may be used for leaves, yard clippings, limbs, pruning material, briars, yard and garden vegetation. No plastic bags should be placed in these drop boxes. Recy-

clers who bring their yard debris in plastic bags should empty the bag's contents into the yard debris box and take their plastic bags home. It is also a misuse of the center to place lumber or plywood, dirt, soil, sod, stumps, animal waste, cat litter, rocks or concrete, trash, metals or wire in these yard debris bins. As can be seen in the photo, right, plastic gallon milk jugs have been tossed into the glass recycle. This is a misuse of the glass bin and will cost time and money to pay an employee to sort them out. For obvious reasons, right lower photo, cardboard boxes should be broken down and flattened out. For more information about recycling call Recology, 503-472-3176.

A MESSAGE FROM THE WILLAMINA SCHOOL DISTRICT

New Year, New Rules!

Planning for the upcoming school year has been a pleasant change from the past two school years. With 95% of Americans having a measure of immunity to COVID, the restrictions for schools have lessened significantly. Physical distancing and quarantine due to exposure are no longer required, we may provide testing upon request for students and staff, but only symptomatic people will be subject to communicable disease protocols.

We are also looking forward to having volunteers back in the building, hosting family engagement events, and returning to in-person teacher-parent conferences, all of which make us a "school community"!

Our fall sports seasons have begun: football, volleyball, cross country, and cheer-leading. Our athletes have been on campus for some time, preparing for their respective sports. Sports schedules will be available on our website and in the high school office. We hope to see the community at our home contests.

Youth sports, sponsored by community organizations, will also be starting soon. Football and volleyball will be offered, and while not affiliated with the school, they use the facilities for practices and games. The campus will return to being very busy, with many youth activities happening regularly.

Our facility crew has been working diligently to ready the buildings and grounds for the return of students. They go above and beyond every year to make our campus a beautiful place to learn and work. In addition, they provide excellent facility maintenance, keeping all systems running smoothly and efficiently. We are fortunate to have 40 acres, and the team has it looking like a well-manicured park.

We plan to host a "Bulldog Bash" in early October as a welcome back to students and families; please watch for the date. This K-12 event, with a meal, and music, will offer an opportunity to meet staff and other families and tour the school. We hope to see you there.

With great Bulldog pride,
Carrie Zimbrick, Superintendent

WILLAMINA SMOKE TESTING: A smoke test is a sewer inspection method in which a non-toxic smoke, approved by a public health agency, is blown into manholes. The smoke makes its way through all the connected pipes in the sanitary sewer, helping to locate pipe leaks, broken manholes, cracks, uncapped lines, and more. Luke, with Keller Associates, the company conducting the tests for the City of Willamina, said they often find leaks around garden areas and places where digging has taken place near the underground pipes.

Bulletin Board reader Betty Graves stopped by The Bulletin Board office with this delicious recipe to share. According to Betty, this is "guaranteed good!" Thank you, Betty.

Ingredients:

- 1 cup butter or margarine, softened
- 2 cups packed brown sugar
- 2 eggs
- 2 teaspoons vanilla extract
- 3 cups quick-cooking oats
- 2.5 cups all-purpose flour
- 1 teaspoon baking soda
- 1 teaspoon salt

Filling:

- 2 cups (12 ounces) semisweet chocolate chips
 - 2 tablespoons butter or margarine
 - 1 can (14 ounces) of sweetened condensed milk
 - 2 teaspoons vanilla extract
 - 1/2 teaspoon salt
 - 1 cup chopped walnuts (optional)
- In a mixing bowl, cream the butter and brown sugar.

Add eggs and vanilla; beat until light and fluffy. Combine the oats, flour, baking soda, and salt; stir into creamed mixture. Spread two-thirds of the dough into a greased 15-in. x 10-in. x 1-in. baking pan.

In a saucepan over low heat, melt chocolate chips and butter. Remove from heat; stir in the condensed milk, vanilla and salt until smooth. Add nuts if desired. Spread over dough; dot with remaining dough.

Willamina's City-Wide Garage Sale A Tremendous Success

Treasure hunters came, they saw, they shopped, and they helped thin out many stuffed Willamina garages. They also had some fun. More than 30 households and organizations loaded up their driveways, parking areas, yards, and garages in preparation for the city-wide sale last Friday and Saturday, which were both bright, sunny, beautiful days. Shoppers arrived with their official garage sale maps in hand to purchase a wide range of treasures, large and small, from

pots, pans, and dishes to jewelry, clothing, camping gear, ready-to-paint ceramics, toys, furniture, and mountains of other items shoppers did not know they needed until they spotted it at the sale.

The weekend of sales presented a fun way to show off the smiling faces of Willamina to shoppers who came from far and wide. The success of this event can be attributed to all of the hard-working garage sale hosts. But primarily, thanks go to sale organizer and all-around wonderful community member Ginny Wymore. Ginny worked tirelessly behind the scenes plotting out the sale locations for the maps, figuring out the logistics for advertising, flyers, and signs, and coordinating the event with the City of Willamina. The sale is sponsored by Willamina's Economic Improvement District (EID) and the City of Willamina. EID helped cover the advertising and print costs for maps, signs, and other necessities.

Obituary

Steven L. Bobb Sr.

April 7, 1947-Aug. 11, 2022

Former three-term Tribal Council member and Vietnam War-era Marine Corps veteran Steven L. Bobb Sr., whose lifeway took him from being a warrior to an artist to being a vocal advocate for peace, love and understanding, walked on Thursday, Aug. 11, at the age of 73.

He was born on April 7, 1949, to Faye Riggs White and Wilson Bobb Jr. When he was 2 months old, his mother was killed in a car accident and he was raised by his grandparents, Wilson Bobb Sr. and Lena Bobb, on a 240-acre farm where the Tribe's Natural Resources Department building is now located off Hebo Road.

He attended school in Willamina and left Willamina High three months before he was set to graduate in 1967 and started working for Willamina Brick Plant. He met his wife, Connie, while attending Willamina High and they married in December 1967.

He enlisted in the Marine Corps in the winter of 1968 and went through basic training at Camp Pendleton, Calif., learning to become an ammunition explosive

technician.

He was stationed at Camp LeJeune, N.C., and then served in Vietnam starting in January 1970. He was placed on guard duty around Hill No. 327 for four and a half months. His assignment included many four-man night and day patrols in the jungle. He also was assigned to work at an ammunition dump, where his job was to detonate reconditioned and unusable ammunition near the Laotian border. Just before leaving Vietnam, he was stationed at a medical unit, where he saw many dead and

wounded soldiers.

Bobb returned home in January 1971 and was discharged from the Marine Corps within seven days of leaving Vietnam.

"I am proud of my service and I would not change a thing," he said, "but it forever changes you as a person."

He remained committed to veterans' causes throughout his life, serving on and chairing the Tribe's Veterans Special Event Board for many years and attending and emceeding the Tribe's annual Memorial Day celebrations in May and Veterans Powwows held in July.

He also served on Tribal Council from 2007-13 and was re-elected to a third three-year term in 2018. He was often called upon to deliver the invocation before meetings during which he consistently prayed for peace, healing and understanding throughout the world.

After returning to the United States from the war, he started pursuing his passion for art. In 1972, he opened Bobb Art & Design, which specialized in custom auto painting. He also spent several years working as a truck and sign painter.

A recent work was the logo for the McMinnville Wine and Food Classic and he repainted the Bulldog logo in the gym at Willamina High School. In May 2018, Willamina High School awarded Bobb an honorary high school diploma in appreciation for all of his work in supporting the school and community.

In the 1990s, he started sculpting, which led him to designing the West Valley Veterans Memorial, a bronze sculpture on the Grand Ronde Tribal campus that was dedicated in May 2003. He walked the 265-mile Trail of Tears between Table Rocks north of Medford to Grand Ronde in 2002 as a fundraiser for the memorial. He also created a memorial to loggers who lost their lives on the job in 2006. His work, "View from the Top," is a bronze statue of a logger at the top of a large tree and is on display at Coyote Joe's restaurant in Willamina.

The idea came to Bobb while he and wife were driving home to Willamina from the Oregon coast, and the couple saw a memorial dedicated to fishermen lost at sea. "So I thought, why couldn't we do that same thing with people who had lost their lives in the timber industry?" Bobb said.

He also created the "Visionar-

ies" statue of Restoration figures Merle Holmes, Margaret Provost and Marvin Kimsey that stands in front of the Tribe's Governance Center and for many years designed Spirit Mountain Casino's float entry in the annual Grand Floral Parade held in downtown Portland.

Among his many other examples of community involvement, Bobb also dressed up as the Easter Bunny for Tribal Housing's annual Easter Egg Hunt and became Santa Claus during Tribal Council's Christmas Party held in December.

"Steve Bobb Sr. was a man of deep faith, a loyal and honorable warrior, caring friend, talented artist, Tribal leader with a 'get it done' approach, and a proud Grand Ronde Tribal member," said Tribal Council in a statement released on Monday, Aug. 15. "Steve left a lasting impression on everyone who crossed his path and impacted the lives of Tribal members no matter where they lived. He was greatly loved, and he will be deeply missed."

Over the years, he battled rheumatoid arthritis and leukemia. He was diagnosed with the latter in 2010 and had been in remission since 2013. He also was treated for prostate cancer in 2020. The leukemia recently returned and after a valiant fight, Bobb walked on.

He is survived by his wife, Connie, of Willamina; three sons, Steve Jr., Billy and Cory; and 10 grandchildren.

In a March 2018 profile that appeared in Smoke Signals, Connie Bobb said that although her husband may not have always showed it, he cared deeply about people.

"He has a real passion to help veterans and, as he has gotten older, he has become a lot more caring about people," she said.

"In my older age now, I have found out that it is not about what you acquire or may not acquire," Bobb said in 2018. "As long as you have the love of family and friends, you shouldn't sweat the other stuff."

Funeral services will be held 11 a.m. Wednesday, Aug. 24, at the Tribal gym and be followed by a gravesite service at the Tribal Cemetery. Dallas Mortuary Tribute Center is assisting the family.

Obituary written by Smoke Signals editor Dean Rhodes. The Bulletin Board appreciates his permission to share this beautifully written tribute to Steve with Bulletin Board readers.

Steve Bobb of Grand Ronde passed away on Thursday, Aug. 11, at the age of 73. The photo above was submitted by retired high school agriculture and industrial arts instructor Gary Meyer, a friend and fellow car enthusiast, who wrote: "I talked to Steve Bob at the 'Cruise-In' meet and greet event at Spirit Mountain Casino. He had his 1932 Ford coupe street rod on display, aka 'The Grand Ronde Kid.' Steve, known in the area as a car builder, built several cars and helped others with their car projects. He was involved with the arrangements to get Gene Winfield, world-known custom car designer and builder, to come to Willamina and teach a two-day workshop. Steve also helped in the Willamina High School technical development class. He will be missed by all, especially the local hot rodders, and classic car buffs."

Hwy. 18 Crash Claims Life of 15-Year-Old

An Oregon State Police (OSP) Trooper came upon a critical injury crash on Highway 18 near milepost 39 last Saturday, Aug. 20, at about 11:55 p.m.

According to a news release from OSP, the preliminary investigation revealed that a Nissan Altima operated by Leonardo Rodriguez Perez, age 28, of Portland, was eastbound when he crossed the center line crashing into a westbound Volkswagen Golf, driven by a juvenile male, age 17, from Sheridan.

Rodriguez Perez suffered minor injuries and was transported to Willamette Valley Medical Center. WHAT'S UP IN WILLAMINA

by mary jane

Doesn't Color Spot Park (aka... Rusty's Park...across the street from Coyote Joe's) look nice? Someone has given it a nice make-over.

Do you ever compliment the folks who work on the parks or streets? Of course, a "nice job" would probably make their day, especially in this hot weather.

One day, I saw a man building a fence along Main Street. I stopped just a few seconds to tell him how nice it looked. He seemed surprised and wore a big smile as I drove off to finish my errands.

You don't have to stop and learn their history or share yours. You don't have to talk politics or local news; just say, "Nice job," and go about your business and know that you're given someone a nice thought.

Helping someone smile is "What's Up in Willamina."

VALLEY'S EDGE RV PARK. Construction is well-underway at Sheridan's new RV park, located at 985 Sheridan Road. The property is owned by Denny and Lucetta Elmer, who purchased the property in 2020. The Elmers own several RV parks, one in Washington and others in Oregon. The Sheridan park is their first in Yamhill County. Lucetta, speaking at a Willamina Chamber meeting in May, said her husband worked diligently for years to find land with the correct zoning for an RV park because there is such a need. She said they finally found the Sheridan property, had it locked up, and the next day the building caught on fire. After that, she said it's just been one thing after another. Talking about the reasons progress has been

On April 13, 2020, a fire destroyed the dilapidated old Cheers restaurant and lounge located at 985 Sheridan Road. While the building was a total loss, no injuries were reported. The property surrounding the building was filled with junked cars, old RVs, and was inhabited by "campers," making cleanup a monumental undertaking for new owners Denny and Lucetta Elmer.

slower than they had hoped, Lucetta said, "Essentially, what happened was, we lost our window (in 2021). The people who should have done all the paving were two weeks late, and then the rains came. We had to have a certain number of dry days and a certain number of days with temperatures above 50 degrees to pour the asphalt. It felt like one of the wettest winters in history. We were supposed to be open last year.

"There's so much interest; people are so excited. We get calls every day. There's just not many other options, and that's a really nice location," Lucetta said.

Now, with the weather cooperating, tremendous progress is being made.

The Valley's Edge RV Park, will offer 109 spaces for nightly and longterm rentals.

The Sheridan Saturday Market, held last Saturday in West Valley Mercantile's parking lot on South Bridge Street, hosted both local and out-of-town vendors offering a nice variety of merchandise.

Pictured above, left to right, are the creative crew of Lilly, Norah, and Claire; moms Lisa and Christy are in the background. The teens sold handmade phone charms and bracelets in many colors and sizes.

Pictured right, bartenders Jamie and Susan offered shoppers the opportunity to take a break with various beverages, including mimosas, Rockstars, sodas, and beer.

Below, a consultant from USBorne Books and More came from Gates, Ore., to set up a large display of books for all ages. In addition, the company sells books, puzzles, learning games, and other educational tools.

The next Saturday Market is scheduled for Sept. 17. For information regarding space rentals, call Lecia Myers at 503-880-7389.
