A fire broke out in a shop building at 216 SE Lamson Street in Willamina last Saturday afternoon. The cause is under investigation. West Valley Fire District's medical unit and fire engine, staffed by Confederated Tribes of Grand Ronde (CTGR), responded with units from the Grand Ronde station. Yamhill County Deputy Skaer is shown (above center) manning a fire hose. No injuries were reported. (Photo courtesy of Ila Skyberg.)

## Sheridan Chamber Gala Rescheduled for Sept. 24

The Sheridan Chamber of Commerce Gala, originally scheduled for Sept. 10, has been rescheduled to begin at 6 p.m. on Sept. 24 at the Sheridan Country Inn. The Chamber thanks Sheridan Country Inn property manager Barb Hofenbredl and musicians Joe Justin and Janet Kay for their understanding in this last minute rescheduling due to PGE's public safety power shut-off over the weekend.

The Chamber also thanks sponsors and ticket holders for their patience and understanding.

All are welcome to attend this community awards banquet. To purchase tickets or for more information, call Chamber President Staci Coker at 503-687-3000 or 971-237-7083; or email [sheridanchamberofcommerce@gmail.com](mailto:sheridanchamberofcommerce@gmail.com).

# SHS Returns to Closed Campus

Sheridan High School has returned to a closed campus policy, which was approved by the school board at its July meeting. A recommendation to close the campus came from the district's substance abuse task force, a move intended to increase high school students health and safety rates.

The closed campus policy means freshmen students will not be permitted to leave campus at lunchtime.

Sophomores, juniors, and seniors will be permitted to leave campus at lunchtime by presenting an off-campus ticket as they exit through the front door of the building at lunchtime.

Students can earn off-campus tickets each semester based on school attendance and grades. For the fall semester, students must attend at least 80% and have passed all classes for the spring semester of 2022.

For the spring semester of 2023, attendance must be 85% or better, and students must have passed all classes in the fall semester of 2022.

School officials said they set the bar at 80% due to a clear distinction in the attendance data from the previous year. They felt if they put it above 80%, many students would be unable to go

off campus. The school's administration team plans to gradually increase the expected attendance rate until they reach the state's expectation of 92%.

Tickets were distributed to students who earned them on the first day of school. The policy allows for the discretion of the administration or designee to determine if students can leave campus. Students can appeal to administrators every six weeks to earn a ticket for the remainder of the semester.

Students may lose or gain their privilege at any time based on grades, attendance, or behavior. "This policy is in place because we must do better with our attendance this year. Students learn better in person, with opportunities for peer collaboration. In addition, having students in the building all day will decrease absences and tardies after lunch," said Sheridan School District Superintendent Dorie Vickery.

Wow! Wasn't that fun? No power for over 24 hours. It was almost like camping out in your house. I sure hope that doesn't happen again for a few more years.

I didn't miss the lights. There are these things called "flashlights" that work just as well. What I did miss was the telephone. Mine went dead. Did yours? That was not fun.

I sure am glad that I didn't experience any emergency, although the house on the corner sure had one. Their garage caught fire big time.

Thank you, Grand Ronde, Willamina, and Sheridan fire departments, for being prompt and working together so well that it was out in no time. It seems that there's never a dull moment in Willamina.

Being grateful for emergency services that respond quickly is "What's Up in Willamina."

The Oregon Department of Transportation (ODOT) crew was in Sheridan last Wednesday to perform a routine bridge inspection. Yamhill County, who owns the bridge, provided flaggers on both ends of the bridge while ODOT conducted its testing. ODOT's key performance measures and National Bridge Inspection Standards are established by the Federal Highway Administration.

## Community Leaders Provide Assistance For Those Affected by Power Shut-Off

On Sunday, Portland General Electric finalized restoration to customers impacted by the company's proactive public safety power shut-off (PSPS) and preventive power shut-offs implemented on Sept. 9 and 10. The power was shut off Friday afternoon and restored Saturday afternoon in this area. Safety measures affecting 17 areas and approximately 37,000 customers were taken in response to extreme fire conditions and hot, strong wind gusts.

PGE worked closely with community leaders and emergency responders. The City of Sheridan responded proactively to the potential PSPS and requested a PGE mobile unit be available to provide water, ice, and charging stations. The Sheridan School District hosted the cooling station set up for charging phones and offered a microwave, ice, porta-potties, wash stations, and more from 7 a.m. until 7 p.m. on both Friday and Saturday.

# A Message from the Sheridan Superintendent

## Dear Sheridan Families,

Recently the Sheridan community had the unfortunate experience of a PGE Public Safety Power Shut-off (PSPS). Given the first experience of a PSPS, there were naturally some challenges to work through. Here is a brief summary of what we learned:

- Sheridan is referred to on the PGE map as area 10, Southern West Hills.
- PGE will give a range of time for an expected power shut-off.
- Sheridan School District facilities are not in the area for a PSPS, and therefore we will remain open.
- If Sheridan School District should have a situation of no power, we will send notification out to parents of an emergency school closure.
- The City's Water Treatment Plant is in a PSPS Zone so it will operate from a generator. During times when the PSPS is activated, the City encourages water customers to halt outdoor water usage.
- When reading the PGE map, the purple area designates the region of high risk. When the PSPS is activated, the purple area will turn yellow.
- The length of time for the PSPS is up to four days. PGE crews will need to check power lines before removing the PSPS. Implementing a PSPS is a last resort safety measure when wildfire danger exists. PSPS high risk areas were selected using the latest scientific data and risk modeling, looking at important factors like temperatures, vegetation, humidity and wind speeds.

Also taken into consideration are the beautiful trees we enjoy, with leaves that create more weight to fall onto power lines, which could spark a fire. The other consideration is our available workforce of firefighters. Our region has a significant shortage of trained firefighters, and the Sheridan Fire District is constantly recruiting and training new volunteers.

For the future workforce development, the Sheridan Fire District and Sheridan School District will partner to create a pipeline of training our high school students for EMT/Firefighting.

The City of Sheridan responded proactively to the potential PSPS and requested a PGE Mobile Unit be available to provide water, ice, and charging stations.

As a community, the City of Sheridan, Sheridan Fire District, and Sheridan School District work together to serve our families. There is ongoing communication, sharing updates, resources, and any important information that needs to be sent to the community. It is unfortunate that September has become our wildfire alert month. But thankfully, we have a strong community that works together to support each other during emergency situations.

Thank you for partnering with us!

## Obituaries

### **Frederick G. McIntyre Feb. 8, 1950 - Aug. 19, 2022**

Frederick "Fred" G. McIntyre of Hermiston was born Feb. 8, 1950, in Caldwell, Idaho, the son of Frederick and Evelyn (Stumm) McIntyre. He passed away unexpectedly while sleeping at his home on Aug. 19, 2022. He was 72.

Fred moved from Idaho with his family to Condon, Ore., in 1952. His family moved to Drain, Ore., in 1961 and then to Willamina in 1966. He graduated from Willamina High School in 1968. After high school, he attended Oregon College of Education, completing his Bachelor's degree. In 1975, he moved to Umatilla, Ore., and lived in the Umatilla and Hermiston areas. Fred worked at the Eastern Oregon Mental Hospital in Pendleton from 1976 to 1979. In the following years, he worked for Marlette Homes in Hermiston, United Sugar, and Lamb Weston.

He later began a career as a corrections guard at Two Rivers Correctional Institution, retiring in 2012.

Fred was an avid sports fan who enjoyed watching basketball, football, and baseball events. He also played on several city league sports teams and

coached several youth sports, including Babe Ruth baseball.

He enjoyed visiting with his brothers, spending time with family during the holidays, and taking trips to casinos with his brothers.

Fred loved children but never married or had children of his own, so his nieces and nephews became his kids, his family said. He had a generous heart and was always willing to help his family. He was a well-known regular at the Hermiston McDonald's, where he started his day with his senior cup of coffee, often returning for lunch and dinner.

He will be missed by many.

He is survived by his brother, Steve (Cindy) McIntyre; nieces and nephews; Andrea (Johnny) Cook, Donnie McIntyre, Steve (Erica) McIntyre, and Keith McIntyre; great nieces and nephews, JC Cook, Ethan Cook, Amber Cook, Caleb McIntyre, and Cayden McIntyre; as well as many extended family members.

He was preceded in death by his parents; and brothers, Ken and Don McIntyre.

Graveside services were held Sept. 9 at the Sunset Hills Cemetery in Umatilla. Burns Mortuary of Hermiston handled the arrangements. A reception followed the service at the Best Western.

## Justin Scott Rosenberry "Buzz"

Feb. 29, 1992 - Sept. 2, 2022

Justin began his next journey on Sept. 2, 2022. He had a kind, loving soul and a huge heart. He loved adventures, outings, campouts, concerts, and anything that kept him going. He made friends everywhere he went.

Justin grew up in Willamina, raised by his Nanny Louise Rosenberry and Papa Dan Rosenberry, alongside his brother Troy Rosenberry.

Justin graduated from Willamina High School in 2011. His first job was at Hampton Lumber, where he worked for several years. Once his career at Hampton ended, he decided to take some time off to explore and find himself, which entailed going on adventures, helping and hanging out with his friend Christian Pond's band, riding his motorcycles, and hanging out with friends and family.

Justin loved and cherished the time he spent with his Nanny Louise Rosenberry.

Justin is survived by his grandmother, Louise Rosenberry; mother Nancy Rosenberry; brother Troy Rosenberry; sisters Lesly Burton, Danielle Burton, Shelby (Christopher) Booth, and Teayana (Kellen) McNannay; nephew Brody Randall; nieces Hadley McNannay and Arabella Booth; numerous aunts, uncles, cousins and his best friend Chris-

tian Pond and the Pond family. Justin was preceded in death by his Papa Dan Rosenberry.

The Boondock Boys, with special guest Old Crow, will perform at a benefit concert for Justin and his family beginning at 5 p.m. on Sept. 18 at the Goat Barn, located at 42825 SW Fort Hill Road in Willamina. Tickets (limited) are priced at \$20 for all ages. Call Billy Bob for tickets at 503-801-4821.

A celebration of Justin's life will begin at 3 p.m. on Sept. 24 at 49310 SW Hebo Road in Grand Ronde.

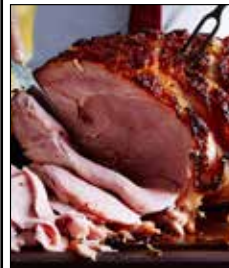

The family will provide the main dish and non-alcoholic drinks. Those attending should feel free to bring a favorite side dish.

The family would like to thank Restlawn Funeral Home for their support and services during this difficult time.

The photo above was taken a few minutes after a two-car collision that took place around 9 a.m. last Wednesday, Sept. 7, near the intersection of Bridge and Main streets in Sheridan. No injuries were reported, but one of the vehicles was towed from the bridge. The vehicle accident resulted in damage to the concrete on the northeast side of the bridge.

## WellRide Offers Transportation To Health Appointments

Yamhill Community Care WellRide offers transportation to and from medical appointments. WellRide is open to eligible in-

dividuals enrolled in the Yamhill Community Care Organization health plan (YCCO).

Transportation to and from covered health service appointments is available for those with no other options, such as friends or family.

Covered appointments include primary care and specialist visits, physical therapy, dental care, mental health, and dialysis appointments.

WellRide services include bus fare for the Yamhill County transit area, mileage reimbursements (must be pre-approved), wheelchair lift and ramp vans, sedans and taxis, stretcher cars for those who must lie down for transport, and secured vehicles. WellRide services are a covered Medicaid benefit with zero cost to the individual. Sometimes a personal care attendant can also ride along at no charge.

To use WellRide, individuals

must call and provide the following information: current YCCO ID number, home address and phone number, mailing address, pick-up address, appointment address, including the building name and suite number, appointment date and time, name and telephone number of the provider, the reason for the appointment and any transportation requirements such as a wheelchair or other assistance. Appointments must be made at least two business days in advance. Cancellations must be made as soon as possible, at least one hour before the scheduled pick-up time.

For more information or to register for WellRide, call 1-844-256-5720 between 7:30 a.m.-6 p.m., Monday through Friday. **NEW LISTINGS WANTED**

Dennis Werth of Grand Ronde has been tending these stunning gladiolus for almost 30 years. He took over their care from his grandmother, who passed away in 1996. She planted them about 100 years ago. The beautiful colors they've created and named include midnight purple, carnival, goldfield, and white. Dennis named some of the colors in memory of family and friends who passed. Some of these are Florentina, in memory of a young girl from Denmark; parfait, in memory of Sage of Grand Ronde; one named in memory of Shirley Jean Abel; and another in memory of Dennis's dad, named Elmer. Dennis generously shares the joy and beauty of these incredible flowers with lucky folks around the West Valley. (The Bulletin Board crew thanks Dennis for including us and brightening our spirits and our office.)

## 'It Seemed Like Only Yesterday'

Seemed only yesterday, but it was in 1952, the first day of school, and now they are seniors. Greeting their teacher, Mrs. Ann Matthews, for the first time were Jimmie Hyder, Linda Latham, Susan Hebert and Larry French. Jimmie is a senior at Gervais High, and Larry is a Dallas senior. Linda and Susan are members of the Sheridan Hi senior class, and Mrs. Matthews is a Chapman grade school teacher.

## Sheridan Schools Set to Open Monday

Sheridan schools will open Monday, Sept. 16, after opening was postponed one week to advance completion of the new high school building. More than 800 students are expected to enroll in Sheridan's three schools. High school students who are not registered for classes should report Friday, Sept. 13, for registration, according to school officials. New elementary students not registered should report between 9 a.m. and noon on Friday, Sept. 13, for registration. Opening day classes will run from 8:45 to 11:45 a.m. on Sept. 16. School pictures are scheduled to be taken on Sept. 20. The school district has changed

insurance companies this year, and students to be covered under the program must be enrolled for insurance coverage by Oct. 10. Insurance fees this year are: \$2 grade school, \$3 high school: \$15 football players, with the school paying \$7 of the cost and the athlete \$8.

## Chapman, Faulconer Students Invited to Join Beginners Band

Beginning band will start soon at Chapman and Faulconer schools. The first week of school, students wishing to play a band instrument will be given a music aptitude test. Those students who receive satisfactory test grades will be given an invitation for they and their parents to meet with some music store salesman at Chapman Grade School. At this meeting the child will have the opportunity to see and play band instruments. Instruments may be purchased that evening on a rental plan if the parent wishes. The evening meeting is for the parents convenience, however, the instruments may be secured from any source available to the parents. A few school instruments will be available for rental by those students who qualify. The beginning band will consist primarily of the fifth grade, the intermediate, the sixth grade and the advanced, the seventh and eighth grades.

## Students Invited to Play in High School Band; Join Chorus

Any high school student who can play a band instrument is welcome to play in the high school band. It is also possible that a really interested student might be allowed to begin on an instrument. Those who like to sing are encouraged to join the high school chorus. It is hoped that the chorus might put on the Gilbert and Sullivan operetta, the H.M.S. Pinafore this year, if enough talent is available.

## Attends Trade School

Bea Curry and Goldie Laundin, local beauticians, were in Portland Sunday night attending the beauticians supply trade show and during the show learned more about the Dandy line, new fall hair style.

# Bridge the Gap's Goal: Positive Relationships Between Kids and First Responders

Stella Webber was the lucky winner of the girls bike, and Kris (last name not given) won the boys bike. (Photos courtesy of Ginny Wymore)

Bridge the Gap ended a little early Saturday when police, fire, and rescue were called to a fire on Lamson Street. (See front page photo.)

Gary Brooks, Rita Burr, and Belinda Ogle, take the opportunity to launch their helmet modeling careers last Saturday at the Willamina Coastal Hills Chamber of Commerce Bridge the Gap event held in Coyote Joe's parking lot. The event gives kids the opportunity to interact with first responders in a positive setting.

Happy kids received bags of prizes at the event.

Gary Brooks and Bob Burr help fit kids to new bike helmets.
