## City Recorder Bridget Meneley Named Willamina's New City Manager

Mayor Bob Burr announced that Bridget Meneley would be Willamina's new city manager at last week's Willamina Chamber meeting held at Coyote Joe's. Bridget will fill the position held by Sarah Frost.

Bridget is currently the City's Deputy City Recorder and Planning Director.

Sarah, director of the Willamina Library, agreed to fill in for a six-month interim period after former City Manager Kenna West left Willamina for a job in another city. Sarah's agreement to fill in for six months was to allow time for the City Council to search for and hire a permanent replacement.

Bridget, who has been working alongside Sarah for the past five months, will work to learn all she can from her before she returns to her position as the library director next month.

Sarah said she likely would not have survived the past five months without Bridget. "She's been my right arm. She has been in the mix with me every step

**Bridget Meneley**

of the way. So nothing should come as a surprise to her," said Sarah.

"I am super excited to have her at the helm," said Sarah. "Starting next month, she will be my boss!" Sarah added with a laugh. Sarah said she would take the lead in recruiting for a replacement for Bridget's current position.

## Legion to Host Free Thanksgiving Dinner

The American Legion Commander's Thanksgiving Dinner is set for 1-3 p.m. on Thanksgiving Day at the Legion Hall in Sheridan. The dinner is free and open to all.

Commander David Hamilton, his wife Claudia, and daughters, Kimberly and Courtney, will cook and serve the dinner. The menu

includes roasted turkey, homemade cranberry sauce, mashed potatoes and gravy, bean casserole, and rolls.

Whether looking for others to share the day with, homeless, or your last name is Rockefeller, all are welcome to enjoy a delicious homemade dinner.

## City of Sheridan Staff Sponsors Sock Drive

City of Sheridan staff will host a winter sock drive through Jan. 31.

The sock drive will be a friendly competition between three City of Sheridan departments. The department that has collected the most socks will win. New socks in original packaging in both youth and adult sizes may be dropped off at Sheridan City Hall, 120 SW Mill Street, Sheridan Library, 142 SW Yamhill Street, or Sheridan Public Works, 358 SW Washington Street.

Clean socks can be a true treasure to those who are homeless because they help keep their feet warm and help defend against health problems.

## Thank you, Sheridan Voters

Words sometimes fall short of expressing my gratitude for the tremendous community support and encouragement shown to me while running for mayor of Sheridan. And it makes my heart smile thinking about all the positive comments, expressions of confidence and support, and good wishes via hugs, emails, Facebook posts, cards, and calls. I appreciate every single one of them.

I want to thank Wendell Cunningham, a fellow candidate for Sheridan mayor, for his warmth and good humor throughout the campaign. Wendell could teach candidates on the state and federal levels quite a bit about positivity.

As mayor, I will welcome your comments, concerns, suggestions, information, and help. Once I have a City of Sheridan email address, I will publish it in The Bulletin Board.

Again, thank you for your support. I vow to do my best to live up to the responsibilities that you have given me and will work hard to keep Sheridan's positive momentum moving forward.

**WHAT'S UP IN WILLAMINA**  
by mary jane

WOW! Isn't Main Street looking so pretty? Thanks to the volunteers who spent hours checking ALL those light bulbs, it's already looking like Christmas time. Thanks, also, to the folks who put them up early one morning in this chilly weather. Thank you, Stuck Electric of Sheridan, for your work.

The lights go up the first weekend of November because the Art Tour is the second weekend, and the folks who run it want everyone to get into a festive mood. It seems to work every time.

We have people who will drive through town when the lights are up instead of going along Hwy. 18 just because it's so pretty. So it's nice to know they appreciate the efforts.

Oohing and awing while looking at the holiday lights on Main Street is "What's Up in Willamina."

**Willamina Food Pantry Offers Thanksgiving Food**

The Willamina Community Food Pantry will provide bountiful Thanksgiving food boxes from 4-6 p.m. on Monday, Nov. 21, in the parking lot at West Valley Community Campus, 266 SE Washington Street in Willamina. Participants are asked to follow the posted signs for this drive-through event.

## Sheridan and Willamina Vote for Two-Year Wait On Psilocybin Businesses

Measure 36-216 in Sheridan and 36-217 in Willamina asked voters if they wished to prohibit psilocybin-related businesses in these cities for the next two years.

Approval of the measure prohibits the establishment of psilocybin product manufacturers and psilocybin service centers within the Sheridan city limits and the Willamina city limits until Dec. 31, 2024. The prohibition sunsets after the two-year period.

The temporary prohibition proposed by this measure is intended to provide extra time to consider and enact regulations before OHA issues licenses for psilocybin facilities in these cities.

Sheridan voted 941-515 to wait the two years; Willamina voted 279-210.

## A Report from Sheridan City Hall

### Elections Update:

Although the elections are not officially certified, we have a good glimpse of the turnout. For the City of Sheridan, the new Mayor will be Marianne Thomson, City Councilors: Cale George, Lucy Hebert, and Liz Hodgins. As you look at the results on Yamhill County Election's website you may notice "overvote" and "undervote." An "overvote" means that voters picked more than what was allowed for on the ballot, for example vote for three councilors and the voter selected four votes or vote for one mayor and they selected both choices. "Undervote" means that the voter did not vote for that race. We are still waiting for our turnout numbers to be calculated. Updated information may be found at Yamhill County's website: <https://www.co.yamhill.or.us/content/current-year-elections>

Measure 36-216 regarding the two-year ban on psilocybin related businesses in the city limits passed. This means the City's Planning Commission and City Council will have an additional two years to design restrictions and approve new codes for psilocybin businesses. The restrictions must be in the vein of time, place, and manner. The types of businesses that the State allows are for manufacturing, production, or service centers. The service centers are for medical professionals to administer psilocybin on-site, meaning none of the psilocybin can leave the facility. The Planning Commission held their first meeting regarding design of these new codes on Monday, Nov. 14, 2022.

### Homeless:

The City Council continues their work on developing rules regarding homelessness in our city; once again based on time, place, and manner. The Council invited local places of worship, West Valley and McMinnville based non-profits, as well as local service groups, to a community roundtable on Tuesday, Nov. 15, 2022. This meeting allowed for the City Council to learn about resources that are already being offered in our city, either enrich or develop new partnerships, and to see what resources are missing.

### Sock Drive:

The City staff is hosting a sock drive that runs until Jan. 31, 2023. Locations for drop off are the City Library, City Hall, and City Public Works Shop. Please check the Bulletin for our ad that provides all the details. This is a competition between the Library, City Hall, and Public Works staff.

### Parks and Recreation Survey:

Thank you for participating in the survey for the Parks and Recreation Committee. We got back 245 survey responses, which was awesome! The results were captured in pie charts and are posted on the City's website and on our City Facebook page. You can also pick up a paper copy of the results at City Hall. Thank you to all who gave your time to provide feedback, we will use it!

### Thank You American Legion Hall:

On Tuesday, Nov. 15, the American Legion Hall volunteered alongside the City Public Works staff to properly retire the flags that hang on the lampposts along the Veterans' Walk on Main Street. On behalf of City staff and City Council, I want to give a BIG THANK YOU to our veterans for their service to our country and for their support for getting our flags properly retired. Next spring, the new flags will be hung and remain up until the week following Veterans Day.

I hope that you and your family have a happy Thanksgiving. I hope that you find peace, wellness, and happy smiles around your Thanksgiving table. It is a time to remember the love that surrounds us and cherish the memories of those that we have lost during the year. I am thankful to have my family and for the privilege to serve you.

# Sheridan School Bond Measure Defeated by Only 110 Votes

Sheridan voters rejected Sheridan School District's Measure 36-222 with 933 yes votes and 1,043 no votes. The measure asked voters to approve a \$16 million bond measure to improve Sheridan High School and Faulconer Chapman School facilities and make the schools safer for students.

Because voters said no to the measure, the Sheridan School District will not receive the \$4 million state grant for capital improvements because this grant was contingent on the Measure 36-222 passing.

Funding was to help with additional career tech offerings and equipment, renovations and upgrades to the gymnasiums at both schools, science classroom renovations, new security systems at both school's entrances,

improved and expanded parking at SHS, and more. School district personnel explained to voters that the \$16 million bond amount was based on keeping the annual tax rate around the same as last year. The annual tax rate is approximately \$2.66 per \$1,000 taxable assessed value. Because the previous school bond was recently paid off, this bond would have replaced it without a significant tax increase.

## Rotary and Kiwanis Coat Drive Challenge

Sheridan Rotary and Kiwanis, have challenged each other for the second year in a coat drive. They ask the donated coats are new and for all youth sizes. Coats may be dropped off at the following locations: The Bulletin Board, First Federal, Coyote Joe's, G&M Insurance, and the Sheridan Fire Station. # A MESSAGE FROM THE WILLAMINA SCHOOL DISTRICT

I want to thank all the students, staff, and community members who attended our Attendance Engagement Event on Nov 3, 2022. In addition to the district-run information stations, several community members also provided valuable information, including A Family Place, Confederated Tribes of Grand Ronde (Youth Education, Children & Family Services, Wellness Clinic, foodbank), and Virginia Garcia Health Clinic.

I appreciated having the opportunity to share information regarding our Student Investment Account (SIA) plan and our High School Success (HSS) plan. These two plans are funded through recent legislative initiatives. These two programs combined provide an additional \$1,000,000 in funding to the district. In addition, the Oregon Department of Education recently aligned six separate programs into one planning process, with final plans due in the Spring of 2023. Community engagement is a fundamental action step in the planning process, determining what educational priorities are most important to students and families. During the event, we had families fill out a short questionnaire ranking the importance of the key priorities for the SIA and HSS plans.

The SIA plan's key priorities are: student health and safety, increased instructional time, well-rounded learning experiences, and reduced class size. More than 45 families filled out questionnaires, and well-rounded learning experiences garnered the most number one votes, followed closely by student health and safety.

The HSS plan's key priorities are improving graduation rates, dropout prevention, career, and technical education (cte) enhancement, and expanded college credit options. CTE enhancement received the most number one votes, with dropout prevention and expanded college credit options tied for second.

Our District Leadership Team will be working on the integrated planning process and will continue to gather information from our students, staff, and community regarding strategies, activities, and budget alignment for these programs. Thank you again for your input, your voice matters!

With great Bulldog pride,  
Carrie Zimbrick, Superintendent

# Coastal Hills Art and Quilt Tour Exhibits the Artistic Spirit

The Coastal Hills Art Tour, held last Friday and Saturday in Willamina, was a fantastic experience for all art enthusiasts.

Quilters filled the West Valley Community Campus auditorium with beautifully displayed quilts in vibrant color combinations and decorative designs.

Artists representing the Grand Ronde Art Guild displayed their paintings, cards, and other artistic talents at the Willamina Christian Church.

At the Willamina Library, shoppers found great deals on glass Christmas

village collectible houses and businesses. Raffle tickets sold like hotcakes for the towering Christmas breakfast raffle basket, artfully arranged and generously donated by Ila Skyberg. Many additional items were displayed and priced to sell. Proceeds from sales and the raffle will benefit the library.

And, adding to the wonderful spirit of the holidays, the Willamina Museum treated the community and visitors to a beautiful tea with top-notch volunteer waiters, waitresses, and museum hosts.

Art Conspiracy

# Spirit of Talented West Valley Artisans of All Generations

Four generations have a wonderful time getting together for tea and confections at the Willamina Museum.

Alice Flory, a member of the Grand Ronde Art Guild, shows her paintings at the Willamina Christian Church.

Jan Reid's artwork was available in prints and cards.

Library supporters raised funds during the tour with sales of donated items and the Christmas breakfast raffle basket shown above.

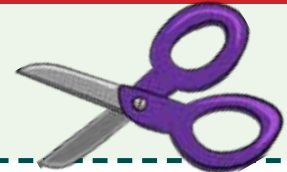

Pam and Gary Shofstall, owners of Mountain Springs Creations, display handmade arts and crafts made from recycled materials, primarily wood, that they've repurposed, and re-imagined.

## Grand Sheramina Also Needs Non-Food Items

Naturally, the first thing anyone thinks to donate to a food bank is food, but paper towels, toilet paper, toiletries, and hygiene products are also essential.

In addition to standard food items, Grand Sheramina tries to provide other necessary non-food items that cannot be purchased with food stamps.

Food Bank Manager Judy Adams said that smaller packages work best because they are easier to handle, store, and include in food boxes.

Grand Sheramina appreciates all donations but asks donors to consider small bottles of shampoo, small bars of soap (rather than pump bottles), hand sanitizer, toothpaste, toothbrushes, combs, brushes, diapers, baby wipes, laundry soap, and other essential non-food items.

Hats, gloves, long johns, and warm socks are also appreciated by people trying to stay warm while living outside at this time of year.

Grand Sheramina Food Bank, 120 N. Bridge Street in Sheridan, distributes food from 2-4 p.m. on Tuesdays. Call 503-843-3133 for further information.

## Food Box Applications Available on Nov. 17

The VFW Auxiliary Post 4211 will accept applications for Christmas food boxes Thursday, Nov. 17.

Applications will be available at Willamina IGA, 358 NW B St., and Skyberg's Lumber and Hardware, 121 NE Main St., in Willamina.

Completed applications must be returned by Dec. 5 to the box at IGA or returned to the counter person at Skyberg's. Additional information is printed on the application forms.

These food boxes are available to Willamina residents only.

For those who wish to help the VFW Auxiliary group provide food boxes to the community, monetary donations can be sent to the VFW Auxiliary, Post 4211, P.O. Box 525, Willamina, OR, 97396.

For more information call Vickie Rober at 503-843-7444.

*Enter your float, car, bike, or trike in the Sheridan Christmas parade. Want to walk along? Throw on some lights and join the town in kicking off this holiday season. Email Sandy Walker at swalker43161232@gmail.com.*

# Streetlight Out? Citizens Asked to Report Information to PGE

The City of Sheridan reports that PGE will upgrade all street lighting to LED in 2023. Meanwhile, citizens can help with the project by reporting existing lights that are either out or blinking on a short form provided on PGE's

website: <https://portlandgeneral.com/outages-safety/report-a-streetlight-problem>. Additionally, this link is on the City of Sheridan's website ([www.cityofsheridan.or.com](http://www.cityofsheridan.or.com)). The form asks for the nearest street address, city, zip code,

map number, and pole number (see photo below). A drop-down menu on the form allows you to select the issue: light is not coming on; on during the day; flickering; damaged; or "other" issue. Space is available to leave comments and

contact information. Map and pole numbers are found at about eye level on the pole. A pole tag is a three-inch round metal tag. If there is no pole tag, it is possible that it is a private streetlight that PGE does not repair. If located in a neighborhood association, the property management company may be responsible for the repair. City Manager Heidi Bell added, "City Hall is committed to helping, so if people give us all the necessary information, our staff will complete the online form. We will work with the person reporting the issue to us regarding the contact information for PGE should there be a need for follow-up. If individuals prefer to be contacted by PGE or prefer to have the City of Sheridan serve as the contact, either is fine with us."

# '58 Strawberry "5-Ton Club" Winners

## ANTHONY AND STANLEY EISELE: STRAWBERRY GROWERS MAKE THE 5-TON CLUB IN 1958

Polk County growers Tony and Stan Eisele made an all-time record as new members of Berryman's Roster; Oregon Berryman reach total of 35 qualifying members, less than half of the 1957 total which was a high of 73.

Lack of pickers, migrant harvesters leaving to work on the cherry crop, and early harvest date were among the problems that beset Oregon strawberry farmers this year.

Yet these factors proved no hardship at all to Polk County growers Tony and Stan Eisele of Red Prairie. These growers came roaring into top past achievements with 9.64 graded tons per acre of Siletz berries on 4.35 acres. This is a new record for Oregon and surprisingly is made by the first winning growers ever to reside outside Washington County. For five consecutive years that county had a yield record when the Oregon Strawberry Council's Five Ton Club roster was made-up.

The winning Eisele brothers also qualify for the 5-Ton group for the first time. Their total sales of graded fruit reached 41.93 tons when everyone agreed they had enough strawberries for 1958. The gross tonnage picked and delivered was 12.58 tons per acre.

The second highest average yield was grown by Herb Holloman of Hillsboro who obtained 7.25 tons per acre on a six-acre planting.

Other growers, in order of their qualifications, are: Fred and Don Meyers of Salem, Polk County, who maintained their club status for the third straight year with a 5.86 ton per acre of Marshalls on nine acres.

S.E. Star of Dallas qualified a second consecutive year with a 5.03 yield on 14.2 acres of Northwests. Washington County's top producer this year, Herb Holloman, is a newcomer to strawberry production.

All-time record setters are Anthony (left) and Stanley Eisele of Red Prairie. Beset by heavy rain plus alternating hot weather, they harvested an average of 9.64 graded tons per acre of Siletz on 4.35 acres. At close, fields were weed free.
