## WHAT'S UP IN WILLAMINA

by marv iane

I'm almost positive that you know Willamina is known as "Timber Town USA." Just sit and watch the traffic any day... Monday through Friday... and nearly any hour of the day and you'll see trucks loaded with trees, logs, or any lumber product roll through town. There are probably more potholes on the road than trucks on the road.

When I first moved to town in 2005, a gentleman wrote and often performed a song called "Potholes of Willamina."

I think he's probably moved to avoid the potholes of which he sang.

The other day I saw a bumper sticker that said, "I'm not driving drunk. I'm avoiding the potholes."

Being a very careful driver is "What's Up in Willamina."

## VETERANS OUTREACH

by Zeek Linn

The American Legion is looking for high school juniors and seniors interested in attending Girls State, Boys State, or Law Enforcement camp.

Oregon State University will be hosting this year's Girls and Boys State.

The Law Enforcement camp will be at Camp Rilea, near Warrenton, Ore.

Scholarships are available for juniors and seniors interested in learning more about how government offices and law enforcement work.

Contact the Americanism program office at the American Legion post for more information on scholarships.

The West Valley community salutes the timeless values held by Scouts for more than a century. Since its beginning in 1910, Boy Scouts of America have brought out the best in our kids, who in turn, help bring out the best in our communities. The Cub Scout program for younger boys was added in 1930.

The world of Scouting is filled with boys and girls with bright promise and worthwhile goals.

Scouts always strive to do their best. As a result, they become responsible, active adults and good citizens. The dedication of countless volunteers and the commitment of each unit's sponsoring organization keep Scouting going and growing.

# A Message from the Sheridan Superintendent

## Sheridan Families,

As the District prepares for the May 2023 Bond campaign, I wanted to provide information about our district-wide gym use. The Bond project list includes a complete remodel/update of the FCS Old Gym (the building, including band and choir rooms) and SHS Old Gym. This was decided by our Bond Committee last school year.

The SHS Main Gym is used for volleyball, basketball, and wrestling. The outdoor sports, track, and baseball, use either the Old Gym or the Main Gym on rainy days. The Old Gym is used by cheer, wrestling practices, and little guy wrestling. Our winter sports season at SHS has 80 student-athletes.

For our high school basketball season, games had to be on one campus. OSAA requires that for 3A basketball games, the officials must be on the same campus. This meant that for home games, some student-athletes were pulled from class so that the game could start at 3:00. We then had games at 3:00, 4:30, 6:00, and 7:30. Students would also miss instruction to leave early for away basketball games. If SHS had a second usable gym, JV games would be at 4:30, one in each gym, followed by varsity games in the Main Gym.

The FCS Main Gym is used for middle school volleyball and basketball. The FCS Old Gym and Main Gym are used for our band and choir concerts, along with youth organizations, AGILE, Sheridan Youth Volleyball Club, and the adult basketball league.

Currently, AGILE has 150 students participating in volleyball, basketball, football, cheer, and wrestling. Little guy wrestling has 25-30 children participating. Our gym space is in constant use! AGILE recently hosted a tournament at FCS and made about \$3500 for a three-day tournament. It was reported that Subway ran out of food by noon on each of the three days.

Four fully functioning gymnasiums would be used for FCS music concerts, PE instruction, high school and middle school sports, youth club sports, and adult recreation leagues. The District would be in a position to host volleyball and basketball tournaments on weekends, drawing large numbers to the community. Additionally, our secondary gyms at each school will be remodeled for multi-purpose use, allowing large community events.

There is concern about increasing gym space when the City of Sheridan will eventually have a sports complex. I have talked to City Council Members and the City Manager. The sports complex planning is just beginning, with a focus on little league fields, pickleball, and an inside space for adult fitness activities. Given how often our gym space is used, our community needs four fully functioning gyms, with the secondary gyms designed for multi-purpose use.

## Obituary

### Jeff Paul Johnson

**May 6, 1965 - Jan. 28, 2023**

Jeff was born May 6, 1965, in Nyssa, Ore., to Milton and Betty Johnson. He joined his sisters Joannie Sneed and Judy (Les Pace) to complete the family. They moved to Albany, Ore., in 1968. Jeff attended school in Albany and graduated from Santiam Christian School.

Jeff married Karla Kropf, the love of his life March 18, 1989, in Brownsville and set up their home in Albany. Their much-loved children are Acacia (fiancé Kelly Lantz), Kianna, Quentin and Sophia.

He was a wonderful husband, dad, son, son-in-law, brother, brother-in-law and friend.

Jeff loved music. He had the opportunity to rock n roll with his friends at many venues over the years. He knew so much about guitars and built many beautiful instruments and made custom

modifications and repairs for customers around the world via his business, Kamn Guitars.

His favorite place was the beach and would never hesitate to take an extra cooler to bring back rocks and shells.

He loved curating collections of treasures he enjoyed which included guitars, action figures, dinosaurs and movie memorabilia. The hunt for treasures was the fun. It brought him joy to find anything on the side of the road, which led to many instances of pulling over and shouting "I gotta go back, I saw something." He also got a kick out of talking to friends about conspiracy theories, aliens, preparing for the apocalypse and Sasquatch.

Jeff got his start in finish-carpentry at Hawkins Cabinets, then was blessed to work for 12 years at Hoffman Manufacturing in Albany. He continued to develop his skills, then started Kamn, his own successful finish-carpentry business. Kamn and Kamn Guitars kept him very busy over the years.

The Johnson family moved to their dream property in Willamina in 2008 where they watched the sunrise and the sunset. Jeff was happiest working in his shop and hanging out with his family, friends and animals.

A memorial is planned for May 6. To share memories of Jeff email [Kamngtrs@aol.com](mailto:Kamngtrs@aol.com).

# Local Woman Celebrating 101 Years Is Full Of

Ethel Eileen Hays was born, on Feb 7, 1922, at home on a farm in Curlew, Wash., with her father's assistance.

Parents Justina and Ignace Podbielansik (changed to podbilan because immigration said the name was too long) immigrat-

ed from Czechoslovakia during war times. Her father was not supposed to leave the country so that he would be available for the draft. Ethel's maternal grandfather was a window washer with a wagon. He hid her parents in the wagon to smuggle them out and they immigrated to Canada. Three of her older siblings were born in Canada. The family then moved to Curlew Wash., where her uncle had a farm. In total, she had seven siblings, six older and one younger. All have passed.

Ethel Hays, second from left, with her bowling team.

She was five years old when the family moved to Sherwood, Ore., which at the time had a population of about 500 people and was about four blocks total in size. Her mother had written to a lady from the paper she subscribed to and the woman let them all come and stay until her father got a job.

Her dad got a job with the Southern Pacific Railroad, and their mother found a rental house in Sherwood. Across from the rental place was the mayor's house. Across the street from the mayor was the banker, down the road was the grocer, and a little further down was the butcher.

She attended first grade in Sherwood. Her mother wanted to grow a garden and have a bigger space for her large family. She heard of a house for sale, and it was ideal. It had a second level with three bedrooms. Ethel said, "Talk about the good old days. She knew what she could pay, so she went to the banker and asked for a loan. She said what she could pay each month, which wasn't much, but the banker gave her the lower rate because they all knew each other. When she paid off the house, she paid ahead because every time she had extra money, she put it on the house. The banker was astonished she paid early." The kids would berry pick in the summer for school clothes money, most were homemade,

# Life; Her Five Children All Graduates Of SHS

but they had to earn money for shoes and materials.

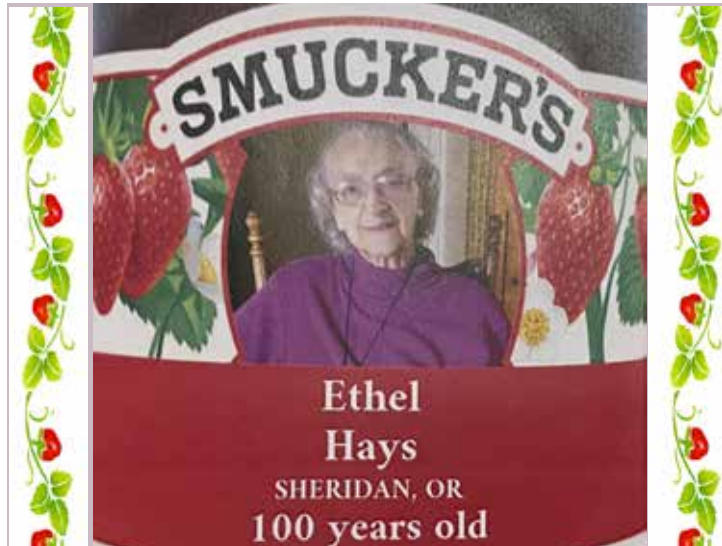

Ethel attended Tigard High School freshman year because Sherwood still needed to build a high school. She was among the first students to attend the new Sherwood High School in her sophomore year. She graduated high school in Sherwood. Her first job after high school was at Meyer and Franks as a bookkeeper. She was there for six months. WW2 was going on at the time, and her brother-in-law helped her to get a job at Safeway as a bookkeeper, Ethel thought, "You know, they might pay more and maybe have a retirement plan."

She worked for Safeway until she married at 24 in 1946, Robert Hays (Bud), and he spent the first years of their marriage drafted into WW2.

Ethel said "During World War 2, I would leave work and see big lineups at stores, which meant a new supply of something had come in. I would get in line because it might be something I need."

During WW2, there were two men in Sherwood who had been POWs at the same POW camp in Europe. Ethel said, "I thought, what are the odds that this small town would have two men from the same camp? One was my brother-in-law. Those were interesting days. On Saturday nights, the younger people would congregate at a tavern in Sherwood, the husbands were gone to war, so the wives organized our own little group. One night we went to a lookout station where they watched for enemy planes. We wanted to see what was going on. We knew we couldn't get in, so we brought them cookies and such, and they let us hang out for a little while."

While working for Safeway, someone mentioned that the women had a bowling team. "I thought I needed exercise.

Ethel Hays, for her 100th birthday was featured on a Smuckers Jam jar.

Maybe they would let me on the team. I told them I've never bowled, but I would like to join your team. They let me on as a substitute. Over the years, my bowling improved. In about 1952, after I was married, I was in a bowling tournament for a car, and I won a Ford. I didn't know how to drive, so my husband had to pick up the car. I learned to drive later and drove it a long time," said Ethel.

In 1960 Bud got a job as a milkman for Darigold with a route in Sheridan. The young couple rented a house on the same street as the home they purchased two years later and still occupy. Sheridan was even smaller than Sherwood at the time.

They had five children: daughter Diane Dufresne, twin boys Tom and Tim Hays, son Greg Hays, and daughter Sue Hays. All five were born while living in Sheridan, and all five graduated from Sheridan High School. They are still doing well, one son living in Sheridan, one son living in Texas, two daughters living in Portland, and one son in Salem.

"While my daughter was in high

school, she had a friend whose mother worked at the bank. She suggested I work for the bank. I laughed because I didn't have a checking account or know how to write a check. I finally decided to try it, so I applied and got the job at US bank. I started as a teller and took a blank deposit slip home on my first night to study it. After that, I worked my way up and became operations officer. One of my jobs was ensuring the tellers locked their drawers at night. If I found a drawer open, I left frowny face notes in drawers instead of balling them out in the morning, so they knew they forgot. They gave me all the notes back in a frame when I retired. I didn't know they had saved them all." She retired from the bank at age 65.

## Recreational Crabbing Now Open Along Entire Oregon Coast

The Oregon Department of Agriculture (ODA) and the Oregon Department of Fish and Wildlife announced that recreational crabbing is open along the entire Oregon coast from the Washington border to the California border. This includes the ocean, bays and estuaries, and on beaches, docks, piers and jetties.

The ODA recommends that crab be eviscerated and the guts removed prior to cooking, which includes the removal and discard of the viscera, internal organs and gills. Toxins cannot be removed by cooking, freezing or any other treatment. ODA will continue to test for biotoxins in the coming weeks. Because of Oregon's precautionary management of biotoxins, the crab and shellfish

products currently being sold in retail markets and restaurants are safe for consumers.

For more information call the ODA shellfish biotoxin safety hotline at (800) 448-2474, the Food Safety Division at (503) 986-4720, or visit the ODA recreational shellfish biotoxin closures webpage.

### BLM Offers Fee Free Day In Honor of Washington

In honor of George Washington's birthday and to increase recreational access to public land, the Bureau of Land Management (BLM) will waive recreation standard amenity and day-use fees for visitors on Feb. 20, 2023.

The BLM invites the public to visit the unique and diverse natural landscapes and visitor facilities on BLM-managed lands to celebrate the life of the first U.S. President George Washington. This marks the second of the BLM's fee-free days of 2023. Fee-free days refer to the waiver of standard amenity fees and day-use fees, such as visitor centers, picnic/day use areas, and National Conservation Lands units where fees are charged. Expanded amenity fees and other fees, like group day use, overnight camping, cabin rentals, and individual special recreation permits, will remain in effect unless the authorized officer determines it is appropriate to waive them.

## New owners, same traditions West Valley Bulletin Board

On Feb. 11, 2015, the first issue of The Bulletin Board was delivered to Sheridan, Willamina and Grand Ronde.

Our paper is about to begin its ninth year. We'd like to thank everyone who makes it possible to continue publishing the paper, even during trying times.

We offer heartfelt thanks to our advertisers and readers, and those who share news, information, community interest items, photos, and so much more.

We also thank those who allow us to distribute the paper through their stores, offices, schools, and other places of business.

We are grateful to those who lend a hand and those who brighten our days with words of encouragement and support.

We feel extremely fortunate to live and work in the West Valley among such kind and supportive people.

## Spartan Boys Overcome Scio 56-46

By Herb Swett

Sheridan's boys held off their hard-fighting Scio hosts Friday, Feb. 3, to win 56-46.

Both teams came into the game with losing season records, but the Spartans' overall and PacWest Conference records were better. Scio scored first on a layin, but the Spartans' Nik Wittrock answered with a three-point shot. Wittrock was to end up at Sheridan's top scorer with 21 points; Cesar Casillas was second with 18. Late in the first quarter, Casillas shot a trey, the Loggers were called for traveling, and Wittrock fouled in the act of shooting for a three, sank all three shots from the foul line. The period ended with the Spartans ahead 16-9.

In the second quarter, Wittrock got hot and widened Sheridan's lead with help from Casillas in the form of a triple. Then the Loggers' Kyle Ennis fought back, with his shots including a three. At

halftime, the Spartans led by the same seven-point margin, 30-23. Scio's best quarter was the third. Parker Ziebert led the way to a 30-30 tie before Casillas went to the foul line and sank both his shots. At the end of the period, Sheridan had only a 39-38 lead. A layin by the Spartans' Alex Martison started the fourth-quarter scoring. A technical foul was called on the Loggers, and Casillas sank both his shots from the line. More fouls from Scio followed, with Martison, Wittrock and Casillas adding points from the stripe to widen the Spartan lead.

"Our effort was better," Sheridan coach Steven Grauer said. "We got good production from the bench."

Grauer added that with the Spartans' league record going to 5-5, they were in position to play at the district level Feb. 15.

## Lady Spartans Take Scio 66-38

By Herb Swett

Sheridan girls set a scoring record for the season Friday, Feb. 3, by whipping Scio 66-38 there. Chloe Ayala led the Spartan attack with 16 points, followed by Hayley Ayala with 14 and Logen Watkins with 12.

The Loggers took the opening tipoff but were called for traveling. Hayley Ayala made a three-point shot for Sheridan and soon after went 2 for 2 from the foul line. Hayley Ayala had another three in the first quarter, and so did Chloe Ayala. The period ended with the Spartans ahead 13-8. Logen Watkins started the second-quarter scoring with a long two-pointer. Chloe Ayala then stole the ball and made a layin. After Scio's Macy Johnson sank both shots on a one-and one, Watkins and Taylor Givens pulled Sheridan farther ahead. Late in the period, Hayley Ayala and Leah Warner hit a trey apiece. At halftime, the score was 31-13.

Early in the third quarter, Warner made two three-pointers and Scio's Adrien Stover one. Each Ayala sank a three in the period. Late in the third, Watkins made two layins. At the end of three, the Spartans were ahead 52-26. Scio fought back early in the fourth quarter, but Sheridan stayed hot. The final basket was an outside shot from Bailey Die-

hl. The Spartans had gone into the game with an 6-9 record, including 3-6 in PacWest Conference play, but the Loggers had a weaker record.

"We've put in a lot of work, redesigned our offense," Sheridan coach Jeremy Brown said after the game. "As a team, we're starting to put it together."

**Willamina's Boys Fought Hard In Salem Feb. 1 Against A Salem Academy Team Ranked First In 2a But Ended Up Losing 53-46**

By Herb Swett

The Bulldogs, who have no seniors on their squad, faced an older and taller Crusader squad but had a shot at victory until

the middle of the fourth quarter. In the low-scoring first quarter, which featured three-point shots on both sides, Willamina was ahead a few times, and a layin by Cohen Haller brought the Bulldogs even with their hosts. When the period ended, the score was 12-12.

After an exchange of steals early in the second quarter, Haller made a bucket that put the Bulldogs ahead 17-15. Turnovers followed, and Willamina's shooting went cold. After coach Cliff Toney called a timeout, however, Then Sabin made a layin that had the Bulldogs ahead 19-17 at halftime.

The Crusaders got tougher in the third quarter. After a steal and a layin by Haller, Jackson Oglesby, who was to be end up leading all scorers with 21 points, got hot. Kaleb Cruickshank hit a three for the Bulldogs, who then went into a shooting slump. At the end of the period, Salem Academy was ahead 30-26.

In the fourth quarter, Willamina ran into foul trouble. Oglesby gave them a lesson in free throw shooting and added a few layups. The Bulldogs never caught up after that.

"We played an extremely good game," Willamina coach Cliff Toney said, "but in the fourth quarter we went cold."

## Overmatched Willamina Girls Team Fell To Host Salem Academy 54-20.

By Herb Swett

The Lady Bulldogs controlled the opening tipoff, and Alexis Wertz made a layin for the first score of the game, but The Lady Crusaders answered with a three-point shot by Lexi Herber. Salem Academy stayed on top, and a jump shot by the Crusaders' Aly Herber ended the first quarter with the host ahead 15-7.

A steal by Salem Academy's Celia James started the second quarter and led to a long two-point shot from Grace Hinkle. Herber made a three, and the period ended with the Crusaders on top 23-14.

The Bulldogs' Brooklynn Bailey hit a trey to start the third-quarter scoring. The Crusaders, led by Haley Ferry, then got hot, and at the end of the period, Salem Academy led 40-20.

The Crusaders dominated the fourth quarter with a team effort that kept Willamina from catching up.

Aly Herber ended up as the Crusaders' leading scorer with 11 points.

"I think the girls played a good first half," Bulldog coach Tom Anderson said, "but the second half got away from them."

Future Sheridan Leaders? Ashton Sanders and his den of Cub Scouts visited with Mayor Marianne Thomson last Tuesday afternoon at Sheridan City Hall. The Scouts held a mock election to elect a Scout to play the mayor, appoint a council president, and hire an attorney. The Scout's elected mayor banged the gavel, called the meeting to order, and led the Pledge of Allegiance. One Scout motioned to serve cookies in the park every afternoon, which was happily seconded and discussed. Another Scout amended the motion to make sure some of the cookies would be gluten-free. The final vote resulted in unanimous approval. The enthusiastic Scouts asked many questions about the responsibilities of the Sheridan City Council and the City of Sheridan. The kids also enjoyed checking out the maps on the Council Chamber walls. They tried to figure out where their homes are located on an old map published before their homes were built.

## Willamina Archives • A Little Then and Now

Pictured left, the bridge was constructed in the 30s. When the new bridge was built, this bridge was moved to Blackwell Park. The bottom photo shows the current bridge in place.

The two photos above show NW B Street before and after paving. Paving was completed in the 1950s.

Shirley's Hair Saloon building was the oldest building in Willamina. This building has served as a creamery, a restaurant, a store, and many years as a barber shop. Thank you to the Willamina Museum for the photos and information. The now photos are as of 2013.
