Faulconer-Chapman Fourth Grade Student Nevaeh Null, Won Principal for a

Mrs. Grauer, a fourth-grade teacher at Faulconer-Chapman Grade School, gave her class the assignment to write an essay on how to be a good principal. Student Nevaeh Null's paper won for having a full description, good spelling, and punctuation. Nevaeh's prize was the ability to be principal for a day. She was allowed to help FCS Principal Adam DeLatte with his daily tasks. Nevaeh was given a badge with a whistle and a clipboard with Titan tickets to pass out. She also helped other students in the halls get back to class. The following is Nevaeh's essay as submitted.

Principal for a Day

"If you are wondering what a

principal is like you can read this text. They join classrooms and say hi to the students. They help students through emotions. The principal is in charge of many people. These are some things you need to know about being a principal.

In the principal's free time he walks around and peaks into classrooms to say hi to the kids. When the principal visits the classrooms, he sees the teacher teaching math, reading, and writing and more. They don't always need to observe a teacher. If the

teacher needs help, they call Ms. Amanda and then she gets a staff member to help the teacher. I would enjoy looking at classes. If a kid feels sad or mad the principal or staff member would help them feel better. The principal might say if you need a break, you can take a break. The principal may need to check in with the students throughout the day too. The principal may even see them throughout the week too.

The principal is in charge of many staff and students. The teachers go to meetings and the principal tells them what to teach. They go to the classrooms and talk to the teachers. They might also peek into classrooms to see how the students are doing. If I were principal, I would give students and extra 10 minute recess or pizza party if they were working hard." Principal Adam DeLatte said, "She did a great job; we can't wait to see who wins next year."

Editors note: We at the West Valley Bulletin Board would like to extend our congratulations to Nevaeh for a wonderful job.

NOTICE OF CITY OF WILLAMINA BUDGET COMMITTEE MEETING

A public meeting of the Budget Committee of the City of Willamina, Yamhill County and Polk County, State of Oregon, on the budget for the fiscal year July 1, 2023, to June 30, 2024, will be held at West Valley Fire District Station 8, 825 NE Main Street, Willamina, Oregon.

The meeting will take place on Thursday May 25, 2022, at 6:00 p.m.

The purpose of the meeting is to receive comment from the public on the budget. This is a public meeting where deliberations of the Budget Committee will take place.

The meeting can be attended via remote access, the link and phone number are on the City of Willamina website at www.willaminaoregon.gov.

An additional meeting will be held at 6:00 p.m. on Tuesday, June 6, 2023, at West Valley Fire District Station 8, 825 NE Main Street, Willamina, Oregon.

A copy of the budget document may be inspected or obtained on or after May 19, 2023, on the City of Willamina website www.willaminaoregon.gov or at the City of Willamina City Hall at 411 NE "C" Street, between the hours of 9:00 a.m. and 5:00 p.m.

Oh, boy. Here comes the nice weather. Many folks think "nice weather" means "garage sale." It probably does, especially when your closets are full of winter garb, and you want to make room for the new spring wardrobe you bought at someone else's garage sale.

Then there's that tool shed with all that stuff you've wanted to be rid of, not to mention the attic or basement. Then there's the hall closet and the bottom of the drawers in the kids' room. The kids' room is full of "goodies." Kids grow so fast that what fits yesterday will probably not fit them tomorrow.

Now garage sales are all good, but those blasted signs that folks put up on every pole don't move. So if you put up a poster, please take it down when your sale ends. Also, keep signs off of utility poles. That's an absolute no-no and has been for years. So with the warmer weather, growing kids, and overstuffed closets, drawers, and sheds, have a fantastic garage sale, but be sure to clean up afterward. Removing unwanted signs is "What's Up in Willamina."

New Windows Installed and Mural Painted at Huntley Building on East Main

The Huntley building received a face-lift with new windows across the front facing Main Street. Michael Covalt, the owner of Bridge Street Commercial, LLC, which owns the Huntley and Heider buildings in Sheridan, said work on both buildings would be picking up. He said several windows came in broken, however he has already ordered replacements. The Sheridan Revitalization Movement took on the project of having a mural painted on the windows to create a better aesthetic. Michael said they will be returning next to the Heider building to continue updates to the interior structure. Michael said, "It won't look like a lot of work happening over the next four-plus weeks, but then you will see a big change." Michael has created a Facebook page, Bridge Street Commercial, LLC, to provide weekly updates to the community. He asks people to follow the page to see progress and ask questions.

A MESSAGE FROM THE WILLAMINA SCHOOL DISTRICT

Class of 2023

At the end of the month, we will congratulate 65 seniors graduating from Willamina High School. These students make us all so proud.

Some of them have already earned more than a year of college credit!

Many are ready to begin technical careers, while others are off to 4 year universities, community college, or the Military (Army, USMC, & Navy).

The class of 2023 recognizes Hallee Hughes as the Valedictorian, while Spencer Onstot and Alexis Wertz share the Salutatorian honor.

Over the years, these students have benefited from the hard work and dedication of many teachers, their administrators, other staff, and supportive families.

As high school graduates, they are now prepared to make independent decisions, earn a living, and contribute as informed members of their communities.

At no cost, they have received a great education, and the door to opportunity is open!

Our graduates aspire to be; nurses, mechanics, journalists, entrepreneurs, welders, and teachers, the list is long!

We believe in public schools and these seniors are a great example of the investment we all make in education.

The class of 2023 has risen above challenges that few others before them have seen; a global pandemic that ended many extracurricular activities during the course of their freshman and sophomore years, they began their high school experience in a completely new way. They rose and conquered and we could not be more proud of them.

I hope you will join me in celebrating these amazing students when they make their way across the podium to receive their diploma, May 26, 2023 at 1:00 pm in the high school gymnasium.

I am very proud to be superintendent of our school district. Thank you for all you have done this school year to help every student move closer to the goal of graduation, and to our seniors, who have persevered to earn their diploma.

I hope you have a safe and restful summer!

Carrie Zimbrick, Superintendent**

House Fire in Grand Ronde Sparks Community Fundraiser

Grand Ronde, Willamina, and Sheridan communities all came together to show their love and support to Grand Ronde Tribal Elder Wayne "Butch" Lillard and his family. On April 29, 2023, they lost everything in a tragic house fire, escaping with only the clothes on their backs and beloved pets.

The fundraiser, organized by his daughter, tribal member Jessica Lillard, included a taco feed, had both Indian fry bread and homemade flour tortillas served with all the toppings and a drink. The proceeds from the event went to help replace everything that was not covered by insurance. At the event, Tribal member Alexandria Warren donated

stickers she designed and donated over \$250 from the sale to the family, and an unnamed Tribal elder donated a 55-inch flat-screen TV they were no longer using.

The event was held on May 16, at The Grand Ronde community center and was a massive success as more than 200 people showed up for the fundraiser. The event, which was supposed to go from 11 a.m.- 2 p.m., was so successful that at 1:15 p.m., everything was sold out. The Confederated Tribes of Grand Ronde Fire Department, some of whom were on duty and responded to the house fire on April 29, attended the event, and Chris Greenhill bought

lunch for both Lieutenants from the fire department.

His sister, tribal member Veronica "Ronnie Bears" made a crochet blanket, while Grand Ronde Elder and Tribal Council member Jon George donated handmade earrings, necklaces, and bones for regalia for raffle prizes.

Winners of the prizes were:
Earrings: Michael Cherry
Necklace: Betty K.
Beaded item: Angela
Blanket: Jon George
Meals were also available for delivery in all three communities. Making the deliveries

were Butch, his wife Marla, and Grandson Ivan Santos.

Tribal Elder Claudia Leno donated her time to make all the fry bread.

Jenn Leno served as the cashier for the event. More than 175 flour tortillas were served, and over 140 Indian fry bread was made.

The Lillard family would like to personally thank everyone for all the prayers, love, and support as they start over.

ARIES - Mar 21/Apr 20

You may struggle to get going this week, Aries. But once you do, it will be full speed ahead. In fact, you may need to slow things down to let others catch up.

TAURUS - Apr 21/May 21

Taurus, if you are feeling a bit scattered as of late, take some time out of your schedule to meditate and reflect on what is most important to you. Then follow that path.

GEMINI - May 22/June 21

Gemini, give yourself permission to move slowly this week. If you're racing through things, you're apt to make mistakes. Set your own pace and let things play out as they may.

CANCER - Jun 22/Jul 22

Deadlines could make for a heated week, Cancer. It's best to remove yourself from any situations before they get out of hand. Offer advice when things cool down.

LEO - Jul 23/Aug 23

Routines are boring you lately, Leo. You may need to shake things up. If you work a set schedule, see if you can go to flex time and look for you to change.

VIRGO - Aug 24/Sept 22

Do not let drama that doesn't involve you sneak into your orbit, Virgo. If you need to distance yourself from others for a while, then do so.

LIBRA - Sept 23/Oct 23

Libra, others feel you're giving off some high-strung vibes this week, and they wouldn't be wrong. Something is weighing on your shoulders. Figure out what it is and lighten the load.

SCORPIO - Oct 24/Nov 22

Scorpio, you're dishing out all sorts of sage advice but it may be frustrating if others don't want to take it. All you can do is offer and let others lead their lives.

SAGITTARIUS - Nov 23/Dec 21

Things may be a little rough around the edges lately, and you'll need to figure out the ways to smooth things over, Sagittarius. Find a few friends who are in your corner.

CAPRICORN - Dec 22/Jan 20

Capricorn, emphasize a slow and methodical approach to a problem with an elusive solution. Slowing things down has a tendency to provide substantial clarity.

AQUARIUS - Jan 21/Feb 18

Disagreements on how to move forward could bring tension at home or work this week, Aquarius. Everyone needs to put their ideas on the table and whittle down the best answer.

PISCES - Feb 19/Mar 20

Don't compare yourself to others, Pisces; otherwise, you may downplay all of your wonderful attributes. Be proud of who you are.

Preliminary Results for May 16 Primary Tallied

Delphian School Students Breathe Life Into Shakespeare's Romeo and Juliet

Delphian School is proud to announce its student performance of William Shakespeare's classic play Romeo and Juliet at the historic Elsinore Theatre in Salem, Oregon, on Friday, June 2nd, at 6:30 pm. The play tells the story of two young Italian lovers from feuding families whose romance ends in tragedy. Audiences can look forward to a visually stunning show with colorful characters, beautiful sets, vibrant costumes, and unforgettable performances by some of Delphian's most talented young actors.

"We are very excited for our students to be able to bring this play to life," said director Melissa Agrillo. "They have worked hard in preparation for this performance, and we can't wait to see their hard work come together for a performance the audience can enjoy."

For over 400 years, Romeo and Juliet has held a special place in the hearts of readers and theatergoers worldwide. At Delphian School, sophomores study Romeo and Juliet as part of a required literature seminar with weekly reading assignments and

group discussions. Now, they are thrilled for this opportunity to experience the play firsthand through a stage production.

Delphian's theater department produces many student productions each year. Student involvement includes performing, set design and production, choreography, music composition, assistant directing, costuming, hair and makeup, prop making, etc. Theater provides the perfect opportunity for learning teamwork, discipline, and perseverance while also learning to communicate to a large audience.

"There's nothing like the buzz backstage just before the lights go up and the curtain opens on a Delphian theater production," says Rebecca Orthmann, the production and stage manager. "The students work diligently for months rehearsing, building, and preparing all the pieces needed for a performance, and it's magical to see it come to life."

The performance of Romeo and Juliet will take place at Salem's historic Elsinore Theatre on June 2nd at 6:30 pm. Tickets are available online at elsinoretheatre.com and at the door.

Lady Bulldogs Await Post-Season Play

Herb Swett

Willamina's softball team, which finished the regular season with a 22-2 record (16-0 in the Tri-River Conference), will play Illinois Valley at home today (Wednesday). Game time was not known at this writing.

No, the visiting team is not from the Midwest. For readers not familiar with all parts of Oregon, Cave Junction, whose high school is Illinois Valley, is about 40 miles southwest of Grants Pass.

The Cougars of Illinois Valley had a 15-6 overall record in the regular season, 6-3 in the Valley Coast Conference.

The other West Valley teams that play on diamonds did not make post-season play. Willamina's baseball team ended up with a 2-23 record (0-15 in the Tri-River Conference. Sheridan went 2-20 in baseball (0-12 in the PacWest Conference) and 4-18 in softball (0-14 in the PacWest Conference).

Sheridan Chamber of Commerce Hosted First Annual Live Auction Fundraiser

The Sheridan Chamber of Commerce hosted its first live auction fundraiser last Saturday night at the West Valley Community Campus (WVCC) in Wilamina. Community members from all over the West Valley enjoyed a home-cooked chili and cornbread dinner with fresh baked cookies provided by the WVCC. A silent auction, set up in the auditorium, included pottery art work from students at the Delphian school, baskets filled with decor, fishing baskets, outdoor items, tools, designer bags full

of candles and more, lumber, firewood and more. All of the items auctioned were donated by local residents and businesses. A live auction began at 7 p.m., with a professional auctioneer who rallied the crowd, raised bids, and ensured laughter. The live auction items, which were also all donated to the Chamber, included a trout or salmon fishing trip, a two-night stay in an Air BnB, an overnight package at Navarra Gardens, personalized wood work, and more. The Coastal Hills Quilters donated two handmade quilts, and former Mayor Rich Cox donated a handmade piece in the shape of the United States painted as the flag. Staci Coker, president of the

Sheridan Mayor and Chamber Treasurer Marianne Thomson showed off the two handmade quilts donated by the Coastal Hills Quilters.

Sheridan Chamber said, "The hard work of our board and members to put this on, along with the outstanding generosity of the community, made this more successful than I could have imagined. The goal tonight was to fundraise for our Chamber so we can continue to support our members and community with these funds. This was our first year, and there is always a learning curve, but I am

so thankful to each person who put in countless hours to make this a success.

"I am so thankful for the West Valley Community Campus for allowing us to host the event here, and for their willingness to take on serving dinner."

The Chamber plans to make this an annual event, with the auction item selection growing year after year.

Willamina Elementary School Students Learned About Farmers' Markets

Herb Swett

With the award-winning Lynne Shore, longtime nutrition services director for both the Willamina and Sheridan school districts, in charge, the students received play money and shopping bags and bought various kinds of foods at tables set up just outside the school.

Afterward, Shore saw that the participating farmers were reimbursed for what the students bought.

Providing the food were Mama Tee's Farm and Bare Farms, both of Willamina; Sawtelle Acres of Sheridan; and Draper Farms and Bernards Farm, both of McMinnville.

Assisting Shore was Darlene Snell, an education manager for food brokers around Oregon. She has been working for the brokers for 17 years and offering consultation for menus to schools.

Each student received the Kids Farmers Market Activity Book, describing the ways farm products get from farms to stores and including recipes and farm-related puzzles. Its contents, which include a page describing food careers, were provided by the above farms, Oregon Dairy Women, the Oregon State University Extension Service, the Tillamook County Creamery, Oregon Farm to Child Nutrition

Programs, the Oregon Farm to School & School & School Garden Network, the Washington Dairy Products Commission, Max Scarbrock, Rhys Mahurin, and Kylie Anderson.

An example of what the Activity Book provides is the route of milk from the farm to the store. Oregon's cows, the book notes, come from families that provide nutritious diets, places to exercise, and regular health check-ups. In the milking parlor, the cow's udder is washed, and the milking machine sends the milk through pipes to a storage tank. The tank cools the milk to keep it fresh and safe.

A tanker truck hauls the milk to a dairy plant, where it is repeatedly tested, and any milk that fails a test is discarded. In another safety move, the plant then pasteurizes the milk by quickly heating and then cooling it.

Once cooled, the milk is packaged in jugs or cartons, then stored in a refrigerated room, then transported to schools, grocery stores, and restaurants. Some of the milk is made into products that include yogurt, cheese, ice cream, and butter.

This was the first farmer's market on Willamina school grounds. "Funding for it was provided by a grant from the Oregon Department of Education," Shore said.

Lynne Shore, nutrition services director for the Willamina and Sheridan school districts, directs Willamina Elementary School traffic toward the farmers' market stations.
