Hampton Lumber Names Randy Schillinger New Chief Executive Officer

Hampton Lumber leadership has announced that Randy Schillinger will join Hampton Lumber and Family Forests as its new CEO, effective June 26, 2023.

Randy has over 25 years of experience in the Pacific Northwest wood products industry. He began his career with Weyerhaeuser in 1998 where he provided strategic planning and analysis before moving to their Trus Joist Engineered Wood Products (EWP) division, where he worked on sales and operations planning and manufacturing.

Randy joins Hampton from Pacific Woodtech Corporation, where he most recently served as chief operating officer. Pacific Woodtech Corporation, headquartered in Burlington, Wash, manufactures engineered wood products such as beams, headers

and studs.

Randy grew up in the forest sector and was raised in Washington's Cowlitz Valley, where Hampton has operated mills since 1999. He received his undergraduate degree from Washington State University and holds an MS in Forest Economics from Oregon State University and an MS in Agricultural Economics from the University of Illinois. Randy will take over following the retirement of Steve Zika, who has served as CEO at Hampton since 2003.

"Over the past two decades, Steve has fostered a culture of continuous improvement at Hampton," said Board Chairman, Eric Schooler. "He shepherded the company through the challenges of a great recession and a global pandemic and cemented

Hampton's reputation as a highly respected and community-minded member of the forest sector."

"Randy has demonstrated experience in the Pacific Northwest wood product industry and is well equipped to guide Hampton into the future," says Schooler. "He shares the Hampton family's commitment to continuous improvement, innovation, employee health and wellbeing, and community."

Steve will assist with the transition over the next couple of months before assuming a position as vice chairman of the Hampton Board.

"On behalf of the Board and the Hampton family, I want to express our profound thanks to Steve for his leadership over the past 20 years," said Schooler. "We are thrilled to welcome Randy to the executive team and

look forward to this exciting new chapter for the company."

About Hampton Lumber:

Hampton Lumber is a fourth-generation, family-owned company headquartered in Portland, Ore. With over 80 years in the sawmill business, Hampton operates ten sawmills in Oregon, Washington, and British Columbia, and markets wood products all over the world. Hampton also manages a wholesale and export division and numerous reload and re-manufacturing facilities throughout the U.S. All of Hampton's forestlands are certified by the Sustainable Forestry Initiative (SFI), an independent, non-profit organization that promotes sustainable forest management. SFI certified forests play an important role in water conservation, wildlife habitat, and climate solutions.

BRCTC to Host Activities During Hometown Days

The Barbara Roberts Career Technical Center (BRCTC) will be bustling with activities from 9 a.m. to 3 p.m. on Saturday, June 17.

A mini Ag Fest, sponsored by Sheridan FFA alumni, will include a sandbox, plant a seed and take it home, peddle tractor races, straw stacking competition, feed bag toss, a corn hole gaming area, and more.

A concession stand benefitting Faulconer-Chapman School's Washington D.C. trip will sell cotton candy and popcorn.

The PTO will have a face painting booth and a concession stand selling snacks and drinks.

Two hayride trucks will move between the different areas of Hometown Days activities, and BRCTC will be among the stops. The hayrides are free.

WHAT'S UP IN WILLAMINA

by mary jane

Well, graduation day has come and gone, and so has Memorial Day. Those two days are milestones for so many people. So let's start with Graduation Day. Wow...after 12 years of school work, teachers, and tests, not to mention homework and worrying, "Did I pass that blasted test?" The day finally arrives when all that is behind you, unless you're going on to college or trade school. There's an entirely new world out there for these young folks with so many opportunities that weren't around when I graduated. Back then, it was pretty much teacher, fireman, policeman, or military service. Those were the most chosen professions at the time, nothing like data entry or working from home. You hauled yourself out of bed every morning and headed to the office. It's such a change.

Then there's Memorial Day. It's a great day to remember all the troops that gave their lives, many on foreign soil in far-off unheard-of places. They fought so that we can pick and choose what we want to do with our lives. I hope all of you thought of those brave people while you were at the beach or park having a family barbecue. There are a lot of families that are missing one or two members due to military service. I applaud them and hold them in my heart.

A while back, I saw a poster that said, "If you can read this, thank a teacher. If it's in English, thank a vet." I firmly believe that. Honoring our new graduates and our military personnel who are no longer with us is "What's Up in Willamina."

A Message from the Sheridan Superintendent

This week we gather to celebrate the SHS Class of 2023! Our students have accomplished so much during their time at Sheridan High School. Some of the accomplishments include a variety of senior projects.

Here are just some of the projects completed:

Haley Ayala and Madison Brewster organized three blood drives with the American Red Cross and collected a total of 89 units.

Bailey Diehl organized the Dig Pink Breast Cancer volleyball game. She raised \$800 for With Courage, a local non-profit organization that supports families impacted by breast cancer.

Savannah Michaelson organized two cheer clinics.

River Firkins and Arimas Holt organized a can recycling fundraiser for the library.

Diana Cazarez Mendoza, Jade Soutter, and Ty Tomlinson organized a fundraiser to raise money for the art department.

Alexis Ellenwood hosted a prom gown drive at SHS and a trip to Portland to attend the Abby's Closet annual prom gown giveaway; 20 girls attended the event.

Jacob Giddings raised over \$7,000 for a new baseball scoreboard.

We also have graduates that will have earned the first-ever CTE Visual Communications program completers! Jade Soutter, Diana Cazarez Mendoza, Bailey Diehl, and Lilly Barnes will have the tri-color cords on graduation day.

Senior Awards Night gave recognition to our students earning substantial scholarship money.

Our students were awarded \$22,500 in scholarships from various organizations!

Come help us celebrate the Sheridan High School Class of 2023 on Saturday, June 3, at 2:00 p.m., SHS Stadium.

Congratulations, SHS Class of 2023!

Obituaries

Kathryn Mae Harrison

March 28, 1924 - May 21, 2023

Kathryn Harrison was born Kathryn May Jones on March 28, 1924, in Corvallis, to Harry William Jones and Ella Flemming. Her father was Molalla and her mother Eyak from Alaska. Her grandparents were George A. Flemming Sr. and Elena Kal'Tane and Billy Jones and Philomene Nellie Jones. Her name honored her great-great-aunt, Molalla Kate.

Her parents walked on when she was 10 years old from a flu epidemic and she was raised in an abusive foster care environment. She eventually graduated from Chemawa Indian School in Salem in 1942.

She married Frank Harrison and had 10 children before enrolling at Lane Community College in Eugene. In the mid-1970s, she became the first Native American graduate of the college's nursing program and worked at Sacred Heart Hospital in Eugene and then Lincoln City Hospital. She then went to work as an alcohol rehabilitation counselor for the Confederated Tribes of Siletz on the Oregon coast.

She returned to Grand Ronde in 1980 with Restoration experience under her belt, having helped the Siletz Tribe secure federal recognition in 1977.

By 1982, Harrison was a lead community organizer for the Grand Ronde Restoration effort, mustering support for federal recognition and convincing opposition groups of the justice of Restoration.

In October 1983, Harrison, Marvin Kimsey, Jackie Colton and two of Harrison's children – Frank and Karen – traveled to Washington, D.C.

Because of her service to her Tribe and Indian Country, Harrison received many honors in her lifetime.

Upon her retirement from Tribal Council in 2001, 400 people attended an event at Spirit Moun-

tain Casino to honor Harrison. Attendees included former Gov. Kate Brown, who was a state senator at the time, and former Gov. Vic Atiyeh.

Her name was inscribed on the Wall of Honor at the National Museum of the American Indian at the Smithsonian in Washington, D.C., 2001.

She also received the prestigious Tom McCall Award, created to recognize outstanding contributions from individuals who mirror the spirit and service shown by the former Oregon governor, in 2001.

She was the first Native American recipient of the Oregon History Maker honor in 2012 given out by the Oregon Historical Society. She also received the Betty Roberts Women in Leadership Award from Emerge Oregon, a Portland-based training program for Democratic women that same year.

Harrison received honorary degrees from Portland State University in 2003, the University of Portland in 2013, and Willamette University in Salem in 2014.

She became the first Native American to serve on the board of directors of the American Museum of Natural History in New York City in 2018. During Harrison's tenure as Tribal Council chair, the Tribe and museum reached an agreement in 2000 regarding Tomanowos, or the Willamette Valley meteorite. The agreement settled a claim to Tomanowos filed by the Tribe under the Native American Graves Protection and Repatriation Act. Most recently, the Corvallis School District renamed one of its elementary schools after Harrison in May 2022.

During an interview for the Tribe's 25th Restoration celebration held in 2008, Harrison said, "We are living out the dreams of our Elders and our ancestors."

In her latter years while confined to a wheelchair, Harrison remained a revered fixture at Tribal events, attending Spirit Mountain Community Fund check presentations, an occasional Tribal Council or General Council meeting and many cultural events. Her most recent public appearances were attending Bruce Thomas' retirement party held at Spirit Mountain Casino on May 4 and the Wellness Canoe Naming Ceremony held Saturday, May 20, at the Achaf-Hammi Plankhouse.

She resided at the adult foster care lodges in Grand Ronde. Harrison had 10 children: Frank

Harrison, Tom Harrison, Ray Harrison, Roger Harrison, David Harrison, Patsy Pullin, Jeanette Harrison, Kathy Coley, Diane Harrison and Karen Askins. She is survived by numerous relatives.

At the time of her passing, Harrison was the oldest Tribal member at the age of 99. That distinction now passes to Lorene Belle Smith, who is 98.

Funeral services are being arranged by West Valley Funeral Home in Sheridan. A public memorial service will be held at 10 a.m. Sunday, June 4, at Spirit Mountain Casino with a meal being served at 1 p.m.

Lynnada Ann Collins

Nov. 21, 1954 - Feb. 13, 2023

Lynnada Ann Collins, 68, passed peacefully Monday, Feb. 13, 2023, at her Sheridan home with her husband and children by her side.

Lynnada was born on Nov. 21, 1954, in Portland, Ore., to Robert Bowlen and Yolanda Reno.

On Nov. 27, 1982, she married Theodore Collins. The couple spent 41 wonderful years together.

A beloved wife, mother, grandmother, friend, and more, she is greatly missed.

Lynnada is survived by her husband; three sons, Lonnie Reno, Shayne Collins, and Christopher Collins; her two daughters, Jamie Beal and Bethani Collins; and 11 grandchildren.

She was preceded in death by her parents and son Philip Dean Reno.

Lynnada's wishes were not to have a service but asked those who loved her to remember her as she was in life, happy.

City of Sheridan A Message From Code Enforcement

Summer is slowly approaching and the weather has been much nicer. With the weather cooperating, we have more time to get our homes in better condition. I want to emphasize a specific City code this week.

The City has a code written explicitly for Vehicle Storage-10.40.030(B). The City code allows up to one additional space for storing automobiles, trucks, trailers, recreational vehicles, or boats. These cannot be parked on grass, dirt, or bark dust, even on your private property. This specific Code may come as a surprise to some.

Beginning in June, code enforcement will focus heavily on vehicles and other recreational vehicles parked/stored improperly.

With the heat increasing, I would like to remind everybody that keeping grass and weed growth minimal is not only for the appearance of your property. Fires can begin suddenly with heat and wind; therefore, keeping the grass low and not excessively dry is essential.

In our community, I hope we can all come together and assist our neighbors in keeping their growth down if they cannot do so themselves. As always, I appreciate all the time and dedication so many community members take to fill out a report of concern form and submit photos for reference.

This community is very fortunate to have as many people as we do who are willing to be part of the change in improving Sheridan.

If you have any questions or concerns, you can contact me by phone at (503)843-2347 or by email at: dgibby@cityofsheridanor.com.

Thank you to all our community members for all you do!

Heritage Museum Sawmill Turns Remnants into Free Firewood

The full-sized Tessman sawmill at the Heritage Museum cuts dimensional lumber and boards for local use and custom-cut orders.

Remnants from these custom orders are cut into 16 inch firewood, which is distributed for free through the West Valley organizations.

One load was distributed in Sher-

idan by a member of the American Legion, and two loads have gone to Willamina, one through the Free Methodist Church, and one through Bruce Bigelow and the Sheridan Museum. About 1.33 cords per load and a load about every ten days for the foreseeable future.

For more information, call Gary Brooks at 503-843-2966.

Horoscopes May 31- June 6

ARIES - Mar 21/Apr 20

Being more selective can enhance your life in many different ways, Aries. You often are judged by the company you keep, so think about that when starting new relationships.

TAURUS - Apr 21/May 21

Set up camp on the sofa for the next few days, Taurus. Enjoy the rest and relaxation. You don't have to be productive every minute of the day so don't feel guilty about your R&R.

GEMINI - May 22/June 21

Some interesting information could be coming your way, Gemini. You just need to keep your ear to the ground and open to receive it. Others may want to get in on the news.

CANCER - Jun 22/Jul 22

Cancer, this week you may find it easier to cut out superfluous spending or extravagant behavior than at other times. You may need to exert greater control and discipline.

LEO - Jul 23/Aug 23

There's a fresh cosmic wind blowing your sails, Leo. This gives you all the energy you need to tackle projects or get moving in other ways. Embrace all of this energy.

VIRGO - Aug 24/Sept 22

Your romantic life is about to get even more exciting, Virgo. Date nights are happening with greater frequency and you're likely to enjoy all of the extra attention.

LIBRA - Sept 23/Oct 23

You'll likely feel more at ease having a big group of people around you during the next few days rather than heading out alone. Put away that lone wolf mentality for now.

SCORPIO - Oct 24/Nov 22

Ambitious career goals could have you reevaluating all of the choices you have made thus far, Scorpio. It might be time to venture off on new paths once you figure out the way.

SAGITTARIUS - Nov 23/Dec 21

Sagittarius, the call of the wild is quite strong right now. This means you might be right at home on a hiking trip or a rafting trip. Make your plans and bring a friend.

CAPRICORN - Dec 22/Jan 20

Capricorn, rather than being light-hearted, conversations could take a turn to the more serious, especially as they pertain to a health condition for someone you love.

AQUARIUS - Jan 21/Feb 18

Aquarius, don't try to take on too many things yourself. You need to know when to ask for help this week, especially as your schedule gets even more filled up.

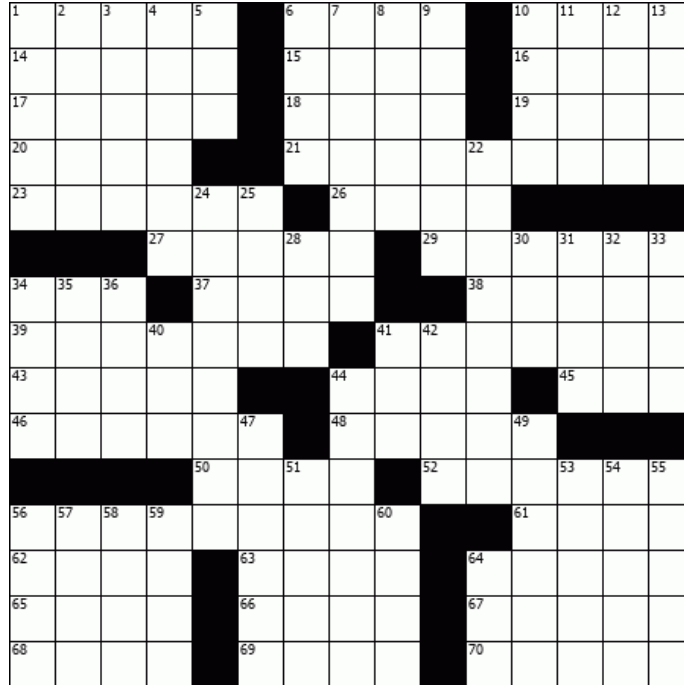

PISCES - Feb 19/Mar 20

This is the perfect time to get more organized, Pisces. Try to fit in time to sort and clean among all the other things on your itinerary.

Willamina High School Honors 63 Class of 2023 Graduates

Herb Swett

The graduating class, teachers, administrators, family members and friends filled the gym to honor the class and hear new graduates and others speak. After the class of 2023 marched in to the playing of "Pomp and Circumstance," CTE teacher TJ Wilson sang "The Star-Spangled Banner." Brief speeches by salutorians Alexis Wertz and Spencer Onstot and valedictorian Hallee Hughes followed. Wertz, who will enter the University of Nevada at Reno and study political science and pre-law, emotionally thanked her parents, teachers and friends for their help during the 13 years she has lived in the Willamina School District. Onstot, who is about to enlist in the Army, thanked his family and others "for helping me believe in myself." Hughes, also about to attend Nevada-Reno, thanked her parents, Mike and Heather Hughes, for attending "even though it's mandatory for teachers."

"We're scared of getting older," she said, "and I know I'm not qualified to give life advice, but from this change comes new life. Change is inevitable, but it's also transformative." Shawn Draper, the main speaker and formerly a teacher and administrator in the district, called graduation a milestone that starts adulthood and added, "but now the next chapter is up to you." "You are what you are," he said, "because of the choices you made." His other points: "You get what you give." "If you want your life to change, you have to be the one to change it." "You have to learn how to handle the tough and challenging things in your life." "In life, it's about the growth in your journey." "How you trust people is one of the most important things in your character. It's okay for people to have differences." "You must believe in yourself."

FCS and SHS Present Spring Band and Choir Concerts

Sheridan High School and Faulconer-Champan band students presented its spring band concert featuring Tuesday, May 23. SHS and FCS fifth through eighth grade band students played songs such as Ghostbusters, Star Wars Theme, Harry Potter Theme, and even Supercalifragilisticexpialidocious.

It was a great night with plenty of talent. Mr. Evers and Mr. Tripp (first-year teachers at Sheridan) have done a great job with their students according to Lead Secretary Lacey Howard. On Thursday, May 25, the two schools performed a joint Choir concert. Sheridan High Bell Choir also performed on May 25.

Wendi Heston, SPED teacher, dressed up as Minerva McGonagall from Harry Potter.

Derek Evers, FCS music teacher and Derek Tripp SHS music teacher received a rose.

Commissioners Allow Hampton to Enter Multi-million Dollar Tax Break Program

Yamhill County Commissioners granted a tax break to Hampton Lumber Mills on Thursday, May 25, that would save the company an estimated \$12 to \$14 million in property taxes over the next 15 years.

Oregon's Strategic Investment Program (SIP) offers a 15-year property tax exemption on a portion of significant capital investments for projects developed by "traded sector" businesses.

Traded Sectors are industries that sell their goods and services to customers outside of the region where they are located. Jobs at traded sector companies help anchor the city's middle-class employment base by providing residents with stable, living wage jobs.

Hampton applied to participate in SIP in Yamhill County. The estimated \$150 million dollar project currently underway at the Willamina mill is the significant capital investment that qualifies them for the program. On Thursday, the county commissioners set the terms of participation.

The program stipulates that the first \$25 million of the project would be taxed typically. Everything over that amount will be exempt for the next 15 years.

The Commissioner's executive session early in spring discussed the original proposal to participate. In addition, the county discussed the proposal with the other tax districts that would be affected, as well as Hampton.

The public hearing held Thursday only saw one person testify against the proposal.

Companies must pay the county a community service fee of \$25% of the estimated tax savings.

The program requires the county to sign a separate agreement with other local governments for distributing the fee. In this case, the fee would be distributed between the county, the city of Willamina, the Soil and Water Conservation District, and the Fire District.

The county is also requiring Hampton to pay the Confederated Tribes of the Grand Ronde \$200,000 to create and maintain a ropes team. With the expansion at the mill, additional safety measures are prudent. The team can help rescue workers in case of a fire or other emergency.

Under the agreement, Hampton will also pay an additional \$72,000 per year. Currently, those funds will be banked for future use based on need.

PGE To Hold Wildfire-Ready Event at Sheridan High School June 12

As Oregon's weather gets hotter and drier, wildfires can hit suddenly and grow quickly. PGE takes this threat very seriously. In preparation for the 2023 fire season, they invite you to come to learn about the work their Wildfire Mitigation Program is doing and share your thoughts as they develop their 2024 Wildfire Mitigation Plan. The event will be held at 5 p.m. on Monday, June 12, in the Sheridan High School cafeteria. Dinner will be provided. Your voice matters. At the event, you can engage with PGE experts and other community partners on topics like:

- Emergency preparedness
 - Investments being made in your community
 - Public Safety Power Shutoffs (PSPS)
 - And much more.
- Grand Ronde Emergency Services, the Oregon Department of Human Services, the Oregon State Fire Marshal, Firewise USA, and Keep Oregon Green will be participate in the event. Wildfire-ready events are not affiliated with the school districts or facilities where they're held. For information on other wildfire events, visit: portlandgeneral.com/wildfireready

WHS Moves Toward State Softball Title

Willamina's softball team was climbing the ladder toward the state 2A title at this writing. Playing at home, the Lady Bulldogs whipped the Illinois Valley Cougars 16-1 May 24 and in the state quarterfinals game downed the Blanchet Catholic Cavaliers 7-1 Friday. Still at home, they played a combined Weston-McEwen and Griswold team Tuesday after the Bulletin Board went to press. A 13-run third inning was more than the Bulldogs needed to pound the visitors from Cave Junction in a game shortened by the mercy rule. Laney DeLoe, the winning pitcher, also had two hits,

drove in three runs and scored one. Sadie Risseuw and Bayleigh Leno also had three RBIs. Risseuw, who had three hits, and Maddi Oelhafen each scored three runs. Playing Blanchet Catholic, the Bulldogs uncharacteristically made six errors and needed a three-run fifth inning to stay ahead of the Salem school. Laney DeLoe, again the winning pitcher, went the distance and drove in three runs and scored without on three hits, one of them a home run. She also had 11 strikeouts. Risseuw also had three hits, and Paiseley DeLoe and Oelhafen had two apiece.

City Seeks Information Regarding Internet Speed and Availability

Willamina has high-speed internet access that the City of Sheridan currently needs to get. If 1,000 Sheridan residents either take the speed test or report no internet access to the library or city hall, Sheridan could be eligible for funding from state and federal programs to get high-speed internet. Faster Internet Oregon, is a

non-profit consortium helping to gather actual home internet speeds. All you have to do is be connected to wi-fi and go to fasterinternetoregon.org to take the speed test. If you have questions or do not have wi-fi access, you can contact City Hall at 503-843-2347 or the Sheridan Library at 503-843-3420.

Willamina's Fourth of July Committee Seeking RSVPs for Downhill Races

The races will be open to all youths ages 8-17. Parents are encouraged to help construct the racers with their children. Sheridan Building Supply will donate wood and materials. To ensure the proper amount of materials are available, the committee asks those who wish to participate to call Jack Scott at 971-241-7132.

Vendors Sought for Mud Drags and 4th of July Event

The mud drags will begin at 10 a.m. on Saturday, June 24, at the corner of Adams and Lincoln Streets in Willamina. Mud drag vendors will set-up Saturday morning from 7:30 - 9:30 a.m. The fee is \$40. No electricity will be provided for this event. However, vendors may bring generators. For more information, call Sherry Dawkins, 503-879-5676 or Donna Nelson, 971-241-7031.

Vendors for the 4th of July celebration set up from 7 a.m. to 9 a.m. Tuesday, July 4. The north end of "B" is for non-electrical participants, and the south end (across Main St.) is set up for those needing electricity. The vendor space provided will be 10x10. The 4th of July vendor booths will open at 9 a.m. and close at 4 p.m. General Liability Insurance must be carried for all food vendors naming the City of Willamina as additional insured and must be returned with the application. In addition, at least one worker in each stand must have a current Food Handlers Card. Those interested can call Jency at 971-237-3230.

When Debbie Walker saw this 1993 Corvette five years ago, she knew she had to have it. Having already owned three other Corvettes in the past, this one was special. 1993 was the 40th-anniversary model. The power train is a 350 LT1 engine, automatic transmission, and after-market wheels and tires. Tinted windows hide the owner-installed black kerchief dash and wolf seat covers. Debbie's late mother's name was Ruby, and this car is painted ruby red. That sealed the deal. (Thank you Gary Meyer for the information and photo.)

Three-in-One Recipe

Lemon Gelatin

1 tablespoon granulated gelatin
2 tablespoons cold water
1 1/2 cups boiling water
Few grains salt
1/4 cup lemon juice

Soak gelatin in cold water five minutes; add boiling water, sugar, salt and lemon juice. Turn into cold molds and chill.

Lemon Sponge

For lemon sponge, when jelly begins to stiffen, beat with egg beater until light and frothy.

Lemon Snow

For lemon snow, add to lemon sponge the stiffly beaten whites of two eggs.

1929 Picnic Sandwich

Try to get away from ordinary picnic foods. Take a few of the old standbys, of course, but always have something novel.

Vary the cheese and ham sandwich with something lighter. Leave the hard-boiled eggs at home and take some fresh eggs to fry over your camp fire embers.

Here is a tasty sandwich for your next picnic:

Spread thin a piece of bread with cold baked beans. Spread another slice with finely minced, stuffed olives. Make a sandwich out of the two. Graham, rye, or even white bread will do.

Baked Spring Delicacy

2 large oranges
3 cups rhubarb
2 cups sugar
1/2 teaspoon mace
1/4 teaspoon cinnamon
12 whole cloves

Place all ingredients together in a casserole, using grated rind, juice and pulp of the oranges. Cover and bake until rhubarb is tender.

Orange Strawberries

1 box strawberries
1 cup sugar
1/2 cup heavy cream
2 tablespoons powdered sugar
1/4 teaspoon vanilla

Wash and hull strawberries, cover with orange juice, mixed with one cup sugar, and chill thoroughly. Serve in champagne glasses. Beat the cream until stiff. Add powdered sugar and vanilla, and, with the pastry-bag and tube, pipe a border around each glass.

Meat a la Marne

Use freshly cooked or left-over veal, lamb or chicken. Mix with an equal amount of medium cream sauce (1c milk, 2tbsps.

butter, 2 tbsps. flour). On a deep platter make a border of mashed potato or boiled rice. Garnish the rice or potato border with butter, paprika and parsley and pour the creamed meat inside.

Boston Steamed Brown Bread

1 cup graham flour
1 cup corn meal
1 cup flour
1 teaspoon salt
1 teaspoon soda
1 teaspoon baking powder
1/2 cup sorghum or molasses
2 cups sour milk

Mix and sift the dry ingredients. Mix milk and molasses and add last. When well mixed, fill buttered molds half full. Cover tightly and steam for three hours. Unfold and place in moderate oven for 15 minutes. Serve hot or cold.

Serve Salads This Summer

The summer salad is valuable not merely because it contains light, alkaline foods that are needed to balance the acid-producing foods eaten, but also because it serves to satisfy the appetite and fill the stomach without furnishing too many calories to a heat tortured body.

Serve salad with every dinner, even though it has to be the simplest kind of a salad. Half a banana, half an orange, a few cherries in lettuce leaves with a touch of dressing will do. Serve it ice cold and it will be relished by all, family and guests alike.

Two Gelatin Salads

Vegetable salads to some are more difficult to prepare than fruit salads, while molded salads seldom appear upon their tables. As a matter of fact, it is very easy to prepare delicious molded vegetable salads, and now that fresh vegetables are all around us, what is more fitting than these two recipes:

Imperial Salad

1 package lemon-flavored gelatin
1 cup boiling water
1 cup pineapple juice
1 tablespoon vinegar
3 slices pineapple, cubed
1/2 can Spanish pimento, shredded
1 medium cucumber, cut fine, salted drained

Dissolve gelatin in boiling water. Add pineapple juice and vinegar. Chill. When slightly thickened, add pineapple, pimento and cucumber. Turn into molds. Chill until firm. Serve with cream salad dressing or mayonnaise to which whipped cream has been added. Serves six.

Cardinal Gelatin Salad

1 package lemon-flavored gelatin
1 1/2 cups boiling water
1/2 cup beet juice
1 cup celery shredded
1 cup beets diced
1/2 cup Spanish onions, cut fine
1 green pepper, shredded
1/4 teaspoon salt
Dissolve gelatin in boiling water. Add beet juice. When cold add celery, beets, onion, green pepper and salt. Pour into individual molds. Turn out on lettuce, serve with mayonnaise dressing. Serves eight.

Egg and Milk Drinks

When days are hot and you do not feel like eating a meal, nourish and stimulate your tired body by trying one of these delightful summer drinks.

Fruit Egg Nog

1 egg
1 tablespoon sugar
1/8 teaspoon salt
juice of one orange
juice of one-half lemon
1/4 cup crushed ice
Beat white of egg until stiff; add, gradually, one-half of the sugar and salt, and one-half of the orange juice. To yolk of egg add remaining sugar and fruit juices and beat until thick. Put ice in a glass; pour in first mixture; then gently fold in second mixture and serve.

Junket Milk Shake

A creamy refreshing milk drink can be made by adding to one cup of cold skimmed milk one package of flavored junket in any one of the six tempting flavors, and stirring enough to dissolve the junket. Be sure to take the cream from the top of the milk and shake well. Add cracked ice and serve immediately.

Egg Milk Shake

3 cups milk
3 eggs
4 tablespoons sugar
1 teaspoon vanilla
1/4 teaspoon salt
Few grains nutmeg
Few grains cinnamon
Beat the eggs until very light; add the sugar, salt, vanilla, and spices, then the milk. Stir till the sugar is dissolved, then beat well. Serve cold.

Fried Cheese Toast

Put two thin slices of bread together with cheese. Beat two eggs, add 3/4 cup of milk and 1/2 teaspoon of salt, dip the cheese sandwich in this mixture. Brown in butter on both sides. Serve with current jelly.

Weight Increasing Recipes

Gone are the days when it was shameful to weigh much over a hundred pounds. Curves are back, and with them come the privilege of eating the tasty dishes we were forced to abolish several years ago when skeletonization became a fad. Here are recipes that one may try out now, without fear because their deliciousness will induce one to ask for a second helping, which in the formless days past, was almost a mortal sin.

Orange Custard Souffle (1 large serving)

2 teaspoons butter
1 tablespoon flour
1/4 cup milk
2 tablespoons orange juice
1 egg
1 tablespoon sugar
Melt butter, add flour and blend until smooth without browning. Pour in the milk and orange juice and cook three minutes after the boiling point is reached. Separate yolk from white of egg and beat each. Pour hot mixture over yolk, add sugar and gently fold in egg white. Turn into two greased cups and bake in a slow oven, 300 to 325 degrees F. until firm, about 15 minutes.

Orange Date Salad

1 cup dates
2 oranges
Lettuce
French Dressing
Separate dates, cover with boiling water and cook three minutes. Drain, dry in the oven, cool, remove pits and cut in halves lengthwise. Halve oranges and remove sections of pulp. Arrange lettuce on salad plates, pile orange sections in center and surround with dates. Serve with French dressing.

French Caramel Custard

Four eggs, six tablespoons sugar, one cup milk and a little water make this cold, tasteful summer desert. Separate the egg whites and yolks, and beat the whites until they are firm. Add four tablespoons of sugar to the yolks. Combine the whites, and yolks, and add the milk, stirring the mixture slowly. Make a caramel using two tablespoons sugar and one half-cup water. Pour this into a tin mold and then add the custard. Place the mold in a pan of water and bake in a slow oven for 25 minutes, or until a knife blade will come out clean. When the custard is cold, turn it out onto a platter and serve with or without sauce.

Bombadil Returns to Play for Free at Oddfellows Pizza Patio

Bombadil will play Sunday, June 11, at 6 p.m. on the Oddfellows Pizza patio, with no cover. Everyone is welcome with no age restrictions.

Bombadil was formed in 2005 in North Carolina while its members were undergraduates at UNC and Duke. There was no animosity concerning basketball, only love for songwriting and burritos. The band opened for the Avett Brothers several times and soon after joined their label - Ramseur Records. The band is still with the record label today. They are releasing a new album in June titled "In Color". Below is the press release describing the album.

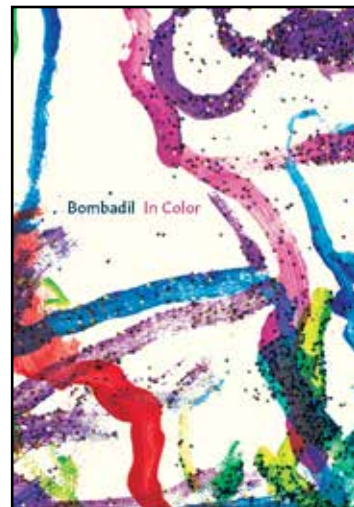

"This will be our 8th album, whew! We wrote it during the pandemic when we couldn't be in the same country, much less the same room. The concept for this album was simple: write a song for each color on the color wheel. We thought about what each color means to us - red is powerful, yellow is soft, blue is sadness, and did our best to write tunes that captured those emotions.

Daniel moved to France in late 2019, so the pandemic forced us to develop a new way of working together, over the Internet and across the ocean. At the same time, we wanted to infuse more creativity and joy into our work, both for the progression of our sound and for ourselves. It was time for a new approach.

We decided that for each song, one of us would compose chords and instrumentation while the other would work on lyrics and melody. We alternated these roles equally across the album. We decided that if you wrote a part, you couldn't play it or sing it on the record. You had to pass it on to another member. We asked our friends Nick Vandenberg and Skylar Gudasz to be our primary collaborators and interpreters throughout this process and later added vocals from new band member MK Rodenbough. In addition to working with new folks, we wanted to rely on mostly new sounds. Across three home studios, we experimented with vintage Casio keyboards and drum machines, treated acoustic guitar, flute, and guest lead vo-

icals. We had so much fun making this record and hope you can hear it reflected in the music." Bombadil has a long history with Oregon and Willamina, in particular, that dates back to 2008. They have played Pickathon. Founding member James Phillips lived in Oregon for several years, and they also recorded one of their most popular records in Happy Valley, Ore. They have played Wildwood Hotel on many occasions. They have even spent a morning shooting rifles and pistols with the former Willamina mayor. They consider Oregon the band's second home and can't wait to return.
