Burst Pipe on Bridge St. Caused Disruptions in Sheridan Area

Last Tuesday, May 27, water could be seen flowing on the streets at the intersection of S Bridge St. and SW Railroad St. as Sheridan Public Works repaired a water main line that feeds the Southwest area of Sheridan. The main developed a large leak while Public Works was replacing a service lateral. Two personnel worked approximately 20 feet in the close to 10-foot wide hole at the intersection as bilge pumps were utilized to bring water up and out of the hole and safely away from the project to allow the repair to be accomplished. This leak caused the Sheridan High and Faulconer-Chapman schools to shut down early on Tuesday from a lack of water

pressure. Within two hours, the crew had a repair in place.

Tuesday afternoon, the City of Sheridan put out a boil water notice for the Southwest Sheridan

Area due to the potential hazard of harmful bacteria that could have entered the water distribution system during low pressure. Schools remained closed and

boil notice in effect until lab testing could be conducted on the water to ensure the water was safe for use. On Thursday morning, May 29, the City of Sheridan lifted the notice, and schools reopened the next day.

Sheridan Public Works keep an eye on the workers making a pipe repair on a main water line leak at the intersection of S. Bridge and SW Railroad St.

Workers repair a leak that developed on the main water line for SW Sheridan area.

Obituaries

Richard C. "Dick" Houston
October 4, 1940 - May 29, 2025

Richard C. "Dick" Houston of Grand Ronde and Sheridan left this world on May 29, 2025, to join the Lord with his son Dean and brother Denny.

He was born on October 4, 1940, to Bob and Dot Houston of Grande Ronde, OR.

A graduate of Willamina High School, he enjoyed wrestling and playing football. Dick left the area to pursue a career in the military, serving in the Coast Guard as a search and rescue specialist and aircraft engine mechanic. He returned to Sheridan in 1980 and settled in Dallas in the early 2000s.

He is survived by his brother Bud, wife Anita, sons Daniel Lehnert and Douglas Houston, and daughter-in-law Claudia, with grandchildren Shannel, Valentina, and Alysia.

Claudia and Douglas remember him as a superb example of a father, strong and hard-working. He was an exceptional father who had the love of God and family. (Rom. 8 verses 38 to 39) Death can't interrupt his union with Christ. According to Psalms 48:14, God has given us that. And He directs us by His Spirit, through His Word, so that we are never alone. As you go today, we pray that this God will be your guide from now, even into the end.

His grandchildren have great insights into the person that made Dick such a fantastic man:

"I can only speak of Richard Houston through a granddaughter's eyes, but I can testify that he was deeply loved by all who knew him. Growing up, when I learned about the cartoon "Pop-eye, the Sailor," I thought that it was designed after him. The similarities were uncanny for me at the time: strong, tattooed, and always wearing a hat (and

yes, bald).

One of my favorite things to do with Grandpa when I was younger would be to do something mischievous in front of him so that he would chase and tickle me. This earned me the nickname "snicklefritz" (meaning "mischievous child"). I know he liked it, though, since he also had a streak of mischief in himself.

Yes, he was physically strong and tough, but it takes a certain kind of strength to be gentle. Gentleness is a strength that cannot be taught or trained but only shaped through experience and personal choice. No matter what happened in life, he would "find a way to make it work" without complaining and always seeking the best for others.

Grandpa was someone who loved me unconditionally. I knew I could always share things with him, and he would just listen with an open mind. He always believed in me, even if it was hard for me to believe in myself. I will continue to live to make him proud, just as I always was proud of him.

I know that his love lives on through his family and friends. His soul always sought after God, and I know that he is under the Creator's care even now.

Grandpa is a man who had a strong, large frame with arms adorned in tattoos, but behind his intimidating demeanor is a man with a heart of gold. Richard is someone who always looked towards God, even contributing his carpentry skills to the church. He was slow to anger, always caring, and had a mischievous sense of humor. He was a simple man with only one wish in his life: to spend more time with his family and his sons. A strong and loving husband, father, and grandfather, he'll always rest in our hearts."

The funeral date is pending.

Frank Ernest "Frankie" Diorio
1943 - 2025

Beloved Husband, Father, Grandpa, and Proud New Yorker. Frank Ernest Diorio, affectionately known as "Frankie" and "Grandpa," passed away peacefully on May 22, 2025, at 81.

Born and raised in the Bronx, New York, Frank's life was steeped in the heart and soul of the city that shaped him—a true New Yorker to his core, with a sharp wit, generous heart, and a lifelong loyalty to the New York Yankees.

After proudly serving in the U.S. Air Force as an Airman Second Class until 1966, Frank built a distinguished career with ADP, from which he eventually retired. His work ethic was steady, and his values were rooted in service, family, and pride in a job well done.

Frank was a man of warmth, affection, and quiet strength. He was a devoted husband to his first wife, Carol, for over 40 years until her passing in 2004. In 2006, he married Deborah, who remained lovingly by his side through the rest of his days. As a father to his two sons, Frank and Michael, and grandfather to eleven adoring grandchildren,

Frank found his greatest joy in family. Whether it was teaching his grandson the fundamentals of baseball or simply sitting back to cheer for his Yankees, Frank lived for the moments that brought his loved ones together. Though recently relocated to Grand Ronde, Frank spent most of his life between Central Florida and New York.

He carried the Bronx with him no matter where he lived, its grit, heart, and unshakable pride. That essence never faded. Frank was preceded in death by his father, Dominick; his mother, Concetta; and his beloved first wife, Carol.

He is survived by his wife, Deborah; his sons, Frank and Michael; his four stepchildren, Steven, Kevin, Carl, and Melissa; eleven grandchildren; and two great-grandchildren, each a living testament to his enduring love and legacy.

Cremation will follow, and a Celebration of Life will be held in Florida at a later date.

In lieu of flowers, the family encourages all who knew him to honor Frank by enjoying a ballgame, lending a hand to someone in need, or sharing a story that makes someone smile, just as he so often did.

A Message from the Sheridan Superintendent

Dear Sheridan Families,

On behalf of our students, staff, and yes, our buildings - **THANK YOU** for standing behind our community's children and passing our Sheridan Schools bond.

The message from our community following our previous two bond attempts was clear: narrow the list down to the most critical needs that will allow our schools to continue to function. We listened, did that work, and you were true to your word. We are so grateful you have stayed beside us as we sought a level of funding that worked for our community as well as our schools. While projects not included in this bond will still need to be addressed in the future, this will allow us to make the most essential updates and repairs to the buildings where our children spend hours each day.

We celebrate this moment - and we also know the work has just begun!

The next step in the bond process is the formation of a Community Bond Oversight Committee, which will ensure bond funds are spent appropriately, and as promised. The application for this 5-7 person committee will be posted to the Sheridan School District website and Facebook page later this month.

Committee members must live in the boundaries of Sheridan School District and will be joined by representatives from the District, the District Board and the construction contractors to receive updates on budget, projects, communications and other bond related topics. In addition to bond projects, the committee will also have oversight on projects funded by the OSCIM grant and any additional capital improvement grants received by the district during this period.

Applications are due by June 30, 2025, and meetings are estimated to begin in Fall 2025.

We are very anxious to begin the work outlined in the bond, and will be working through the process of selling bonds, forming the Oversight Committee and selecting contractors in the coming months. Some smaller projects may be completed during the 2025-26 school year, however large-scale projects will be scheduled to begin in the Summer of 2026, which will allow time for planning and permitting processes to be complete.

We are grateful for your support and look forward to seeing these improvements be implemented over the coming years!

Sincerely,
Dorie Vickery Ed. D,
Superintendent

WHAT'S UP IN WILLAMINA

by mary jane

Wow. We're into June already. That means the 4th of July is getting closer and closer. But before the 4th arrives, we get to watch trucks play in the mud at the Willamina Mud Drags at the end of this month. It's so fun to watch that mud fly. There's a new track too. Wheeeee. I've also heard that there will again be a Dash for Cash for the kids. That's fun to watch. Gosh, I sure hope you'll put the Mud Drag date on your calendar. It's June 28. OK? Many folks put a lot of time and energy into these events, so let's make it worth their effort and attend. It'll be a fun afternoon for you, too. Playing in the mud is "What's Up in Willamina."

Willamina City-Wide Garage Sale Date Set

The Willamina City-Wide Garage Sale is set for July 18 and 19. Those interested in adding their garage sale to the list can register at Willamina City Hall starting Friday, June 13.

Yamhill County Sheriff's Office Has Established A Drug Enforcement Team

News Release from Yamhill Co. Sheriff's Office

Sheriff Sam Elliott from the Yamhill County Sheriff's Office said, "In response to the growing threat posed by fentanyl and the broader epidemic of illicit drug use in our communities, I am announcing the formation of a dedicated Drug Enforcement Team within the Yamhill County Sheriff's Office. This specialized unit will focus its efforts on aggressively combating the trafficking, distribution, and use of dangerous narcotics—with fentanyl being our top priority. Every life in Yamhill County is valuable, and the devastating impact of these drugs has touched too many families. The safety, health and future of our community depend on strong, proactive measures. This new

drug enforcement team will work in close partnership with local, state, and federal partners to identify and dismantle drug operations while also supporting community outreach and education efforts aimed at prevention.

Our mission is clear: to protect lives by removing these poisons from our streets. This is not just about enforcement—it's about saving lives, supporting recovery, and ensuring a safer future for all.

As your Sheriff, I remain committed to transparency and accountability. I will continue to keep the public informed as we advance this critical initiative. Together, we can fight back against this crisis."

Information regarding drug activity can be sent to drugtips@yamhillcounty.gov

Sheridan Food Bank Distribution Change

Starting June 3, until further notice, the Grand Sheramina Food Pantry will be changing food distribution dates to the first and third Tuesdays of the month. This is due to government restrictions and cutbacks. They will still be available to receive donated bottles and cans.

THANK YOU for supporting THIS small business.

Summer EBT For School-Aged Children Returns For Second Year

News Release from Oregon Dept. of Human Services
Need to know:

- Oregon Summer EBT is a federal benefits program to help families buy food for their school-aged children during the summer.
- Oregon expects to provide up to 370,000 school-aged children with around \$40 million in Summer EBT food benefits this year.
- Each eligible child receives a one-time payment of \$120 in food benefits.
- About 341,500 eligible children

dren received Summer EBT automatically on May 22, 2025 but some families need to apply. (Salem, OR) – Oregon Summer Electronic Benefits Transfer (Summer EBT) is a food benefits program that helps shrink the hunger gap when children are on summer break and don't have easy access to healthy meals at school. Summer EBT provides \$120 per eligible child to buy food.

This is the second year of Oregon's Summer EBT program. On May 22, 2025, about 336,000 children got the benefit on an Oregon EBT card. Families should check their EBT card balance at www.ebtedge.com to confirm receipt.

Families who didn't automatically get Summer EBT on May 22, 2025 should check program requirements before applying. Families can check requirements at sebt.oregon.gov or by contacting the Summer EBT Call Center at 833-673-7328. The Call Center is open weekdays from 8 a.m. to 5 p.m., PDT. Apply online in English and Spanish or with a paper application in multiple languages at sebt.oregon.gov.

"When school doors close for the summer, the need for regular, healthy meals doesn't disappear. Last year, the summer EBT program bridged a critical gap for thousands of Oregon families, helping to replace those essential 10 meals per child, per week, that they receive when school is in session," said Dr.

Charlene Williams, Director of the Oregon Department of Education (ODE). "We are proud to continue this partnership with ODHS to not only feed children, but to nurture their potential during crucial developmental months. Our continued commitment ensures that summer can be a season of growth and opportunity for all children, regardless of their economic circumstances."

In 2024, about 362,000 children participated and received \$43 million in Summer EBT food benefits their families spent in their local grocery stores, farmers markets, and other places.

"Summer EBT is one more way we can prevent kids from going hungry when school is out. Summer EBT is an evidence-based program proven to reduce child hunger and support healthier diets," said Fariborz Pakseresht, ODHS Director. "Child hunger can have lasting impacts on health and academic achievement. Getting every eligible child connected to Summer EBT will help Oregon's children thrive year-round and as they grow up."

Who is eligible for Summer EBT food benefits?

Families can find details about Summer EBT at sebt.oregon.gov. Your school-age child may be automatically eligible if:

- Your family received Summer EBT benefits through an approved application in 2024.
- Your family gets SNAP, TANF or Oregon Health Plan (Medicaid) and meets income rules.
- Your child gets free or reduced-price school meals and meets income rules.
- Your child is in foster care, in

migrant education, in a qualified Head Start, experiencing homelessness, or part of the Food Distribution Program on Indian Reservations (FDPIR).

Children who are automatically eligible received Summer EBT on May 22, 2025.

Your school-age child may be eligible by application if:

- Your family meets the federal income requirements for free or reduced-price meals at school, and

- Your child attends a school that participates in the National School Lunch Program (NSLP) or School Breakfast Program (SBP). Families must apply by Sept. 3, 2025.

Receiving Summer EBT does not impact participation in other summer meal programs.

Summer EBT benefits are not considered in a public charge test and are available to children regardless of immigration status.

How will families receive Summer EBT food benefits?

The benefits will be placed on an Oregon EBT card and can be used at most grocery stores, farmers markets, and more.

Families that need a new card should call 855-328-6715, Monday through Friday, from 8 a.m. to 5 p.m. (PDT).

Families that think their children may be eligible and didn't get benefits on May 22 must apply by September 3. If approved, they will receive an Oregon EBT card by mail.

Stolen Summer EBT benefits can't be replaced.

Where can families get more information?

To learn more, or to apply, visit sebt.oregon.gov.

Coyote Joe's Reopens its Doors Under New Ownership

The long-time restaurant in the heart of Willamina, Coyote Joe's, changed ownership earlier this year and finally reopened its doors on Monday, June 2, as the community questioned when it would finally happen.

When asked about the delay, Chris DePrimo, one of the owners of the Bonanza Restaurant and Bar and now one of the owners of Coyote Joe's, stated the state took a while with the paperwork. "Last Thursday I got my OLCC and final health, all in the same hour. So we knew we would open on Monday."

Danielle Vollman, manager of the Bonanza, said that Trisha Huey, who worked at Coyote Joe's before becoming the

Coyote Joe's open sign glows once again after months of closure.

weekday morning waitress at the Bonanza, will take on managerial duties at Coyote Joe's.

Coyote (lower right) still stands to greet diners and the newly refurbished and reopened restaurant in downtown Willamina.

Some of the work done at Coyote Joe's while the doors were closed included cleaning and renovations to the dining room and diner, new flooring and siding inside, installation of a salad bar in the dining area and an ice cream bar in the diner area, renovating the old conference room area into a small bar, and the installation of televisions throughout the establishment. The menu is similar to the Bonanza, featuring American fare of burgers, entrees, sandwiches, and breakfast.

Danielle said that they plan to have an outside seating area in the future.

Sheridan School District Bond 36-236 Should Pass in Voting

As of May 29, 2025, the 36-236 Sheridan School District 48J: Bonds for Safety, Security, and Capital Improvements looks like it will pass with a current vote of 601-555, with 52% of votes saying yes in the May 20 Special Elections.

This \$6 million (M) bond will be supplemented by the Oregon School Capital Improvement Matching Program, which will also provide the district with an additional \$6M grant, raising the total funds available to the Sheridan School District to \$12M. The last bonds that citizens of the Sheridan School District approved were an \$8.5 million bond in 2003 to build the now Faulconer-Chapman K-8 school building that opened in 2004 and a \$2.1 million bond for renovations and start the removal of asbestos tiles in the high school that ended in 2022. The National Center for Education states a school building begins to deteriorate rapidly after 40 years, and after 60 years, most schools are abandoned. The current Sheridan High School was built in 1963, making it 62 years old.

Once the final results are certified, and if the bond does pass, the Sheridan School District has planned the following list of

upgrades and repairs: Safety and security upgrades include paging systems, clocks, intercom devices, access control, security cameras and systems, and exterior lighting.

Sheridan High School upgrades will include a secured entryway, continuing to replace asbestos flooring, repair and replace roofing, upgrade interior lighting and paint, paving and parking lot improvements, newer gym roof restoration, exterior lighting, and modernizing the science lab that is original to the construction of the school.

The bond will go towards projects like restoring this corroded, deteriorated exit door at the Sheridan High School.

Faulconer-Chapman will have improvements made to its HVAC system, the addition of security cameras and intrusion system, parking lot lighting, upgrading lights to LED to meet current coding, refinishing the new gym floor, and an update to its music classrooms, gym, locker rooms, bathrooms, storage areas, and roof restoration of the old gym. Some renovations will also serve the community in general, as spaces allocated will be updated

This rusted HVAC unit is on the slate to be upgraded if the votes for the bond remain the same.

to accommodate the public as an emergency shelter in case of natural disasters.

The bond will cost taxpayers within the Sheridan School District \$0.80 per \$1,000 assessed property value. The amount each property would pay may vary depending on assessed values each year as housing market fluctuation occurs. Still, once the taxes collected hit the \$6 million mark, taxpayers will no longer be charged for the bond. The passing of this bond would jump Sheridan from last to second to last place on the amount paid for bonds in the Yamhill County area, with Willamina taking the lowest spot at an estimated \$0.53 per \$1,000 of assessed property value. Once approved, the district will appoint a Citizens Bond Oversight Committee of community members, parents, and district staff that will actively monitor and report to the school board the progress and use of funds to ensure it falls within the bond's outline and state laws. This bond will not use funds to support the Barbara Roberts Career Tech Education Center project.

The Faulconer-Chapman public announcement system still rocks a cassette player, a medium phased out approximately 20 years ago but will be upgraded if the bond passes.

Horoscopes June 4-10

ARIES - Mar 21/Apr 20

This week you might feel a surge of energy, Aries. It's a good time to get moving on a long-term project or any passion projects that you may have been avoiding.

TAURUS - Apr 21/May 21

Taurus, this week is all about finding balance. You may be torn between your career and personal life, but don't forget to set aside time for yourself.

GEMINI - May 22/June 21

Gemini, your creativity is at an all-time high, so use this week to explore new hobbies or start a creative project that excites you. You can be creative at work as well.

CANCER - June 22/July 22

This is a week you may feel pulled toward home and family, Cancer. It's a time for reorganizing your space or even simply enjoying quiet moments however you choose.

LEO - July 23/Aug 23

Leo, your communication skills that will be on display this week. It's a great time to express your ideas and connect with other people. Start that conversation.

VIRGO - Aug 24/Sept 22

Pay attention to your budgeting and spending this week, Virgo. There may be opportunities to invest your money in a wiser way. Finances will be on your mind a lot.

LIBRA - Sept 23/Oct 23

Libra, you may feel like the spotlight is on you right now. Either at work or in social settings, your leadership abilities will be put to the test and on display.

SCORPIO - Oct 24/Nov 22

This might be a week that calls for introspection, Scorpio. Although you might feel like retreating, don't close yourself off entirely from others for too long.

SAGITTARIUS - Nov 23/Dec 21

Connections with friends and groups will be front and center this week, Sagittarius. You might receive an unexpected invitation and make new friends who share your interests.

CAPRICORN - Dec 22/Jan 20

Capricorn, you should prioritize your professional goals over the next few days. Might there be something you can do to land a promotion or step into a leadership role?

AQUARIUS - Jan 21/Feb 18

This week may present opportunities for learning, exploring or even travel. A spontaneous trip might be just what you need to recharge and reflect on yourself, Aquarius.

PISCES - Feb 19/Mar 20

It's time to put some effort into making deeper connections and fostering your relationships, Pisces. That requires spending a little more time with the people around you.

Grilling Makes for Great Gifts For Dad

Grilling is a convenient way to impart flavor on various foods and enjoy some fresh air and sunshine along the way. Many people work hard to hone their grilling skills, including many of the individuals on Father's Day shopping lists. Grilling is an opportunity for dads to flex their culinary muscles and deliver plenty of flame-licked foods.

Various organizations that specialize in grilling have found that men are twice as likely to grill compared to women. Therefore, gifts that cater to dads' grilling gusto can be ideal this Father's Day.

- **BBQ grill tools:** Every grillmaster needs a quality set of tools to do the job. Ultimate grilling kits often come complete with spatula, fork, tongs, heat-resistant gloves, skewers, and additional grilling gear.

- **Digital food thermometer:** Cooking food to the correct internal temperature is vital for safety and flavor. Various food thermometers are on the market, but ones that can remain in the food and then send temperatures back to an app via Bluetooth can keep grillers apprised of the cooking progress minute-by-minute.

- **Engraved cutting board:** Laser-engraved cutting boards can be customized with special messages or monograms so that

Dad will feel extra-special serving up his grilled feast.

- **Premium wood chunks:** Foods can be enhanced with extra flavor when grillmasters utilize wood during cooking. Put together a gift package with woods like hickory, apple and maple.

- **Smoker:** Expand Dad's outdoor setup by buying him a smoker. Smokers enable low-and-slow cooking and are ideal for making briskets, pork roasts and ribs. Some smokers come as combination models that have a grill on one side and a smoker box on the other.

- **Meat grinder:** Whether it's a free-standing appliance or an attachment for a stand mixer, a meat grinder enables a person to make his own custom blends of ground meats to use in burgers or sausages. This allows full control over the quality of the meat cuts used.

- **Personalized grill mat:** This type of mat will add a personal touch to the grilling area. These mats look good, and many are made with anti-slip backing to ensure they stay in place. Standing on the mat can be more comfortable than standing on concrete or pavers.

Dad deserves the best for Father's Day. For men who enjoy manning the grill, grilling accessories can heat up gift-giving.

Activities for Kids and Adults Offered at Bridge Learning Community

The Bridge Learning Community located at 430 SW Monroe St., Sheridan, offers activities to both members and non members. The schedule is as follows:

Weekly:

Tuesdays and Thursdays, 9 a.m.- 1 p.m. Home school co-op school age (for members)

DID YOU KNOW?

Fans of grilled food may insist grilling is an art form, and there are tricks of the trade that suggest producing delicious foods cooked over an open flame is more complicated than novices may think. Seasoning a grill is one such endeavor. Novices may not know what goes into seasoning a grill, but doing so can make it easier to remove cooked foods from grates that can become sticky as grills are used with greater frequency. Seasoning a grill involves oiling its cooking surfaces and warming it. Some grill manufacturers even recommend seasoning brand new grills prior to using them. Various cooking oils can suffice when seasoning a grill, but the grilling experts at ThermoPro advise using an oil with a high smoking point. When applying oil to the grates, users can utilize a basting brush, rag or even a spray bottle. Once the oil has been applied, heat the grill, without any food on it, for roughly 30 minutes, or until the oil begins to smoke or burn.

Word Scramble

Use the letters and clues below to unscramble the word related to National Donut Day (June 6). Place the letters from the circles on the dashes at the bottom to solve the last remaining word.

Bulldogs Fall in Second Round Playoff

The Willamina Bulldogs softball team, ranked fifth in the state going into the second round of the playoffs, lost their match-up against the twelfth-ranked Glide Wildcats of the 3A-Far West League.

Glide jumped on the bats early, going up 2-1 over Willamina after the first, then adding three more before the Bulldogs could cut the lead to 5-2 in the bottom of the fifth.

A couple of costly errors by the Bulldogs in the top of the seventh allowed Glide to extend their lead to 10-2 over Willamina.

The Bulldogs' Paisley DeLoe singled in the bottom of the seventh in hopes of starting a rally for Willamina, followed by two base-on-balls for Brianna Buswell and Zoie Sickles to load up the bases. Lily Crowe hit a sacrifice fly to center, scoring her sister Camille Crowe (sub-runner for DeLoe).

A wild pitch on ball four to Cicily McKenna scored Brianna Buswell, bringing the Bulldogs' score to 4-10 against Glide with two outs left in the game and two runners in scoring position before the Wildcats were able to

put down the Bulldog rally. The Bulldogs, who had a season team batting average of .411, had a hard time connecting with the ball, getting only two hits and stranding 11 runners on base from the 13 walks provided by the Wildcats pitcher. Glide was able to capitalize with their eight hits and three walks, leaving only five runners on base through the game.

Willamina's senior Paisley DeLoe celebrates after beating a throw at first to try to set up a 7th-inning Bulldog rally against Glide. Willamina fell short, losing 4-10 to the Wildcats.

Delphian Dragons Win 2A State Track Title for Second Consecutive Year

The Delphian boys track team sat atop the gold medal podium at the 2A State Championship track finals held last weekend at U of O.

The Delphian Dragons' boys track team, for the second year in a row, dominated the 2A OSAA State Championship track meet held at the University of Oregon's Hayward Field last weekend, bringing home their second-consecutive state championship trophy.

The Dragons' title was heavily supported by the feet of sophomore Oli Beauregard, who picked up individual state medals in the 100-meters (m) and 110m hurdles, as well as a silver medal in the 300m hurdles, and teaming up with Greyson McLean, Cato Matsuoka, and Alex Maddox to get the gold and a new 2A state record in the 4x100 relay.

Maddox linked up with Vladimir Bunchuk, Mark DeVries, and Nathan Cloutier to win the gold in the 4x400 relay.

Boston Brown and Cato Matsuoka also brought in individual medals. Brown out-paced the pack for a silver in the 3000m and a bronze in the 1500m, and Matsuoka sprinted his way to bronze in the 100m and 200m dash.

Lily Olivares and Liv Curry would lead the ladies' team to a seventh-place finish, Curry soaring to gold in the high jump and Olivares gliding her way to a silver in the 300m hurdles and bronze

in the 100m hurdles. Olivares and Curry joined Regina Romero-Bolanos and Avery Ott to win silver in the 4x400 relay.

Other placements for the Delphian boys and girls in the state championship meet are as follows:

400m - Avery Ott (6th); **800m** - Nathan Cloutier (4th); **100m hurdles** - Liv Curry (8th); **300m hurdles** - Liv Curry (8th); **4x100 Relay** - Piper Gibson, Avery Ott, Sophie Eurell, and Lily Olivares (5th); **Javelin** - Henry Gullo (9th), Alex Maddox (10th), and Amelia Peterson (10th); **Long Jump** - Greyson McLean (6th) and Mark DeVries (11th); and **Triple Jump** - Mark DeVries (7th) and Amy Guy (11th).

Dragons' Lily Olivares clears a hurdle at the 2A State Championship track meet. Olivares won two individual medals and one relay medal.

Bulldogs and Spartans Compete at State

Willamina (W) and Sheridan (S) High School boys and girls track teams competed in seven events at the OSAA 3A State Track and Field Championship held this last weekend in Eugene. Finals placing was as follows:

3000 meters - (S) Zachery Dauvin (18th); **4x100** - (S) Chase Eichler, Jayden O'Reilly, Travis Lugo, and Alex Martison, 11th;

High Jump - (W) Ben Moore, tie 10th-No Height; **Long Jump** - (S) Taylor Yoder, 18th, and (W) Ben Moore, 21st; **Triple Jump** - (W) Ben Moore, 18th, (W) Nichole Goodwin, 13th; and **Pole Vault** - (W) Evelyn Anderson, 9th.

Others competing but did not reach the finals were (S) Chase Eichler (100 and 200 meters) and (S) Chloe Ayala, 200 meters.
