Willamina Library Makes a Splash

The Willamina Public Library broke away from its typical day of lending books, providing educational material, and being the community's informational hub to play for a day in the sunshine and sprinklers they set up at Tina Miller Memorial Park, next to Willamina City Hall.

The library assembled a row of various sprinklers, brought out snacks and drinks for the kids, and provided coloring sheets for those who got tired of splashing around in the water or playing on playground equipment.

The Summer Splash Series, now in its 4th year, starts at 1:30 p.m. and will run every Friday until August 1.

Sofia took some time to hang out on the arched monkey bars to watch other kids play in the water during the splash event.

Sage (left) and Zion (right) combined sprinklers with swings, hitting the water with each frontal climb to cool off from the day's heat.

SERVING A SIMPLE BREAKFAST

A Message from the Sheridan Superintendent

Dear Sheridan Families,

With kids at home and Hometown Days behind us, there are still events throughout Sheridan being hosted by our community partners that you can attend with your student. Add a note to your calendar for some of these upcoming opportunities:

On July 31 the Yamhill County Early Learning Hub will host a free Family Picnic from 4-7pm at the Sheridan City Park. Pizza will be provided as well as games and prizes for both children and adults, alongside information on supportive resources available for residents of Sheridan. The picnic happens every year and is always a great way to spend an evening at the park. The Sheridan City Library is open Tuesday-Saturday each week and is a great reason for an outing with children who need to get out of the house! On Fridays they host two events: "1, 2, 3 Learn With Me" for younger kids (ages 0-5), followed by Story Time for all ages. Learn With Me often includes a sing-a-long with a "Tonies box", which you can also check out and take home, and both events include an age-appropriate craft. Other library events include

- Role-playing games every-other Thursday for ages 13-19.
- Art Jam on July 16 when people of all ages can bring their own craft to the library, meet other members of the community and enjoy crafting time together.
- Teen movie night on July 30, when they will be showing Labrynth.

You can find their monthly calendar with event times and locations posted to the 'City of Sheridan, Oregon' Facebook page. And don't forget about their summer reading program! Prizes are available for weekly check-ins, and there are Blazers and State Fair tickets for those who complete all sessions - it's not too late to join! Home pick up and delivery of books is available within Sheridan city limits on Saturdays. Give them a call 503-843-3420 for information and arrangements.

You can also plan a daily walk around the School District's Summer Meals program, which operates Monday - Friday each week through August 8. Breakfast is available at the Sheridan High School Cafeteria from 8-8:30, and "Grab-and-Go" lunch is available at the following locations:

Sheridan City Park: 11-11:20

Faulconer-Chapman School: 11:30-11:50

Sheridan High School: Noon-12:30

Enjoy your summer!

Sincerely,
Dorie Vickery Ed. D,

Warm Fuzzies

A great big thank you to the Emmanuel Lutheran Church in Willamina. Mary Jane Hollinger is here every week delivering. They have reached 1 ton of donations of food in 5 ½ months, so far. Last year they did over 2 tons by the end of December. They will probably reach their goal of 2 tons again by the end of December of this year. A Big Thank You!

Veterans Coffee Meetup Scheduled at Skyhorse

Newberg-Based Vet2Vet Center has scheduled an All Veterans Coffee Meetup from 9-10 a.m. every third Thursday of the month at Skyhorse Coffee in Willamina.

The first meeting will take place this Thursday, July 17. Veterans and their families are invited to attend and enjoy a free cup of coffee, socialize, and swap stories with fellow Veterans.

Tree of Giving to Hold Wrapping Paper Drive

The Sheridan Tree of Giving organization, now serving Sheridan, Willamina, and Grand Ronde, will hold a new wrapping paper drive at the West Valley Mercantile (WVM), located at 342 S. Bridge St., Sheridan. The drive will last from now until Christmas.

Bike Show and Tacos at Bunn's Village Friday

The American Garage, along with LA Esperanza Catering, is hosting a Bike Night, starting at 6 p.m. this Friday, July 18, at The American Garage, 2783 NE Bunn Rd, McMinnville.

The public is invited to share their love of motorcycles of all types, tacos, and swapping of stories.

Finger Licking Chicken-Fried Steak Bites With Sauce

Country-fried or chicken-fried are terms given to breaded and deep-fried poultry and meat. In fact, chicken-fried steak is an institution in the American south, where thinly sliced cuts of cubed steak are prepared in this way and served with country gravy and biscuits. There's not much room for improvement in this classic. or is there? In "Best-Ever Steak Fingers," chicken-fried steak gets a makeover into easily picked up finger foods tailor made for dipping in a savory sauce. They are perfect for picnics and meals on the go. Dig in, courtesy of "Lord Honey Traditional Southern Recipes with a Country Bling Twist" (Pelican Publishing) by Chef Jason Smith.

Best-Ever Steak Fingers

Serves 6

Veggie oil for frying

2 cups all-purpose flour

2 tablespoons all-purpose steak seasoning, divided

1 cup buttermilk

1 egg

4 pounds beef cube steak

Dipping sauce

1 cup mayo

1/2 cup sour cream

2 tablespoons yellow mustard
1 package dry Italian salad dressing

2 tablespoons dried dill

Preheat oven to lowest temperature.

Pour 1 inch oil into a large cast-iron or other thick-bottomed skillet. Turn heat to medium low. Place the flour in a shallow pan. Sprinkle half the steak seasoning over flour, and mix together.

Cut steak into 1-inch strips. Add the rest of the steak seasoning, rubbing into each piece. Turn

heat to medium on skillet. Place each strip in the flour mix, then into the milk and egg mix, then back into the flour. Shake off excess and place each strip on a plate. Repeat until all strips are coated.

Sprinkle a few drops flour over oil. If it sizzles, it's ready to fry. Using tongs or a fork, place strips side by side in hot oil. Don't crowd the pan, or it will cool the oil.

After about 2 to 3 minutes, when strips start to brown on bottom, turn over. When second side is brown, remove and place on a cooling rack that has

been set on a cookie sheet. Set the sheet in the preheated oven. Repeat until all fingers are cooked.

In a bowl, whisk together all dipping sauce ingredients.

National Lottery Day is July 17, Where Does the Money Go in Oregon?

The Oregon Lottery allocation of funds received is as follows: Prizes 92.5%, Funded programs 4.2%, Retailers (commissions) 2%, Operating expenses 1.3%. The main beneficiaries of the funded programs include:

Public Education: The majority of Lottery funds support public schools, from kindergarten to higher education, including initiatives like the Early Literacy Initiative, improving school attendance, funding Oregon Tech programs, and supporting the Oregon School for the Deaf.

Economic Development: Approximately 26% of Lottery funds are allocated to job creation and economic growth across a variety of industries such as manufacturing, high-tech, agriculture, fisheries, solar, medical, tourism, and small businesses. These funds help local communities through em-

ployment and business expansion.

State Parks: Lottery dollars support the maintenance, improvement, and development of Oregon's over 250 state parks, including projects like utility upgrades at Harris Beach State Park and the creation of new facilities at Cottonwood Canyon State Park.

Natural Habitats: Lottery funds are used to restore and enhance natural habitats and watersheds through projects like the Klamath River restoration, clearing the Willamette River of invasive weeds, and supporting the Ashland All Lands Forest Resiliency Project which reduces wildfire risk and improves water quality. The Oregon Watershed Enhancement Board (OWEB) distributes these funds, which also come from federal dollars and salmon license plate revenue.

Outdoor School: A portion of the Lottery's net proceeds is dedicated to funding Outdoor School programs for middle school students, ensuring they have opportunities to learn about wildlife and the environment.

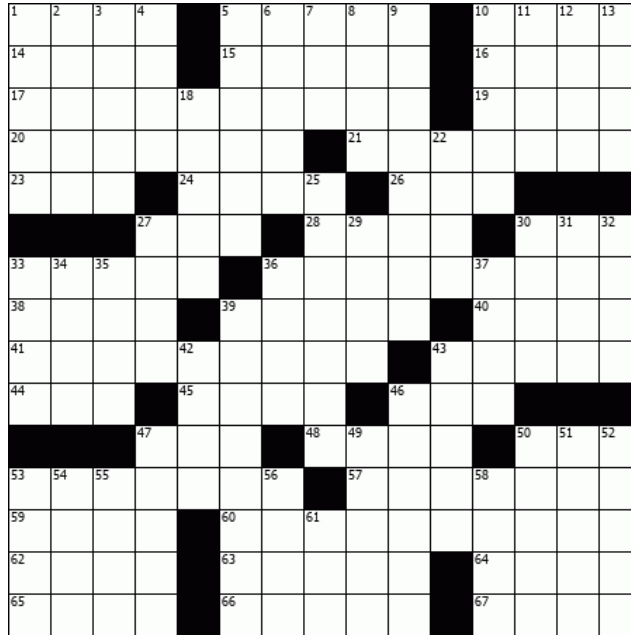

Veteran Services: Since 2016, a small percentage of Lottery funds are dedicated to supporting programs and services for veterans.

Problem Gambling Services: One percent of Lottery revenues are allocated to fund problem gambling prevention and treatment efforts throughout Oregon. These funds support programs administered by the Oregon Health Authority (OHA) Problem Gambling Services (PGS), including prevention programs, treatment, and referral services via a helpline and website.

Military Veterans Honored, New Royalty Coronated at

The Confederated Tribes of Grand Ronde hosted their annual Marcellus Norwest Memorial Veterans Powwow at the uyx-at Powwow Grounds this last weekend.

The event kicked off Friday morning with a Veterans Summit organized by Ramona Quenelle,

Caitlin Zimbrick, and Joanna Brisboe. The summit featured approximately 20 organizations specifically there to support various veteran needs, including presentations by Veterans Affairs, the Oregon Department of Veterans Affairs, and Community Veterans Resources.

Veteran Affairs claims specialists were also on hand to assist any Veterans with questions about claims.

Local organizations, such as Wilamina's VFW Post 4211 and Sheridan's American Legion Post 75, were there handing out blankets, necessities, and other

useful items.

After the summit, the 2025-2026 Veterans Royalty was coronated. Ila Mercier was crowned Veterans Junior Miss Queen, with Elesia Crawley donning Little Miss Princess, Elizabeth Ulestad Little Miss Queen, Brendyn Smallwood Veterans Warrior,

and William Craig Tiny Tot Warrior. A transitional Special was held on Saturday to honor Kalea Liebelt as she was promoted to the teen category. An outgoing Queen's special, sponsored by the Quenelle Family, and a Red Traditional Special, sponsored

by Amanda Freeman, were also performed. Saturday evening had a performance by Seattle-based Teocalli Coatlicue, a Native Aztec performance group. A salmon dinner prepared by Tribal Elders Tammy Cook, Annabelle Laymen, and Claudia

Leno, with the support of several assistants, was open to all at the Powwow. Molly Leno, Chair of the Confederated Tribes of Grand Ronde Veterans Board, gave thanks to Vice Chair Levi Liebelt, Secretary Marianne Blanchard, and the rest of the Veterans Board, who

helped in making the Veterans Powwow possible. She also gave a very special thanks to the Veterans Honor Guard for their part in the ceremonies and the parking and cleanup crew that kept a regular two-day after-festivities job to one day of easy work.

July Willamina City Council Meeting: Open Council

The City of Willamina passed a review of their legal, financial, and other documents related to the loan for the Water Intake Project.

The Mid-Willamette Valley Council of Governments has re-designated the West Valley Enterprise Zone for the Willamina and Sheridan areas. Qualifying businesses within the zone can be eligible for reduced or eliminated property taxes for a set period. The purpose of an Executive Zone is to stimulate growth, attract investment, and foster job creation.

Chris McClaren from Hagan Hamilton Insurance presented to the council the renewal of the City's insurance plan that took effect July 1. The plan's premium increased to \$ 72,503.24, an 8% increase over the 2024-2025 plan. Increased property values, increased payroll projections, and a slight rise in cyber risk premiums were the driving factors for the increase. There was a drop in the City's experience modification factor, reflecting the City's reduction of workers comp claims, which led to savings in the City's insurance plan. Hagan Hamilton has been the insurance agent of Willamina for decades. Councilor Wilson inquired whether the City, having been a long-time customer of Hagan Hamilton, had ever

sought quotes from other insurance agencies. A motion was made by Councilor Wilson and passed by the council to shop around for quotes to ensure the City is receiving the best value for its insurance needs.

Jennifer Eckels submitted a letter of resignation to the council on June 17, 2025, stepping down from her position due to a change in her work schedule that conflicted with council meetings. The motion to accept the resignation passed, leaving an open seat on the city council. This seat will be published to notify the public and filled by a majority vote of the council once sufficient applicants or time has been met. A motion was passed to look into the council charter to see if Council President Rita Baller could be moved to the four-year term left vacated by former Councilor Eckels, with the appointed council member filling the vacancy for a two-year term. The council will revisit once the dive into the charter is complete, moving forward with the information found.

A review of council rules and procedures conducted in 2023 has been reviewed and finalized by the city's legal team, with recommended edits and updates based on current city ordinances, processes, and state regulations. City Manager Bridget Meneley

said that there is still some clarification on when the council can or should abstain from voting. Councilors decided to refrain from adopting the new rules and procedures, motioning to table it until the next council meeting. The council will take a deeper look into the document, with further clarification on the voting procedures, at the next council work session.

City Recorder Krystal Stevens, having conducted a trial of a software called ClerkMinutes recommended by the City of Sheridan City Clerk, requested authorization from the council to purchase a subscription, stating that it lessened her workload considerably when creating meeting minutes. The basic software package would cost \$99 per month (billed annually). City Manager Meneley estimated that the software would cover an estimated \$5,000 plus through the year's subscription in labor costs, allowing Krystal to focus on other tasks that she would have spent on typing up meeting minutes. The council approved the use of the software, which will give Stevens a year to determine the future use of ClerkMinutes.

Mayor Vickie Hernandez announced that National Night Out 2025 will be held from 6-8 p.m. on August 5 in front of Willamina City Hall. Mayor Hernandez stated that those interested in volunteering for the event can contact City Recorder Krystal Stevens. This year, the event will feature live music, Starbucks coffee, a dunk tank, an obstacle course, face painting, outdoor games, popcorn, hot dogs, and more as organizations and vendors continue to sign up. City Manager Meneley stated that with the loss of Deputy Skaer, who used the dunk tank as a fundraiser for K-9 officer programs, a vacancy for a dunk tank volunteer would need

to be filled, then jokingly asked Yamhill County Commissioner Kit Johnston if no other officers volunteer, if he would submit himself to fill the position. Commissioner Johnston stated he would add it to his schedule and, if available, would make himself an option should another volunteer not fill the position.

Mayor Hernandez also announced the next City Chat session has been scheduled from 6-7 p.m., July 23, at Tina Miller Park, next to Willamina City Hall. She invites the community to join this opportunity to chat with her, city staff, and city councilors about the City's projects and voice concerns and/or ideas.

In response to questions from the city council the previous month, City Manager Meneley presented a video (<https://mattressrecyclingcouncil.org/research/>) explaining what is done with the mattresses dropped off at the Bye Bye Mattress event being held from 10 a.m. to 2 p.m. on July 26 at the City Hall parking lot. The mattress recycling program helps break down used and discarded mattresses. It also includes a program to collect illegally dumped mattresses from roadways and other locations, providing the materials to be reused in new products instead of filling up landfills.

Bridget also reported that the City's extension request on the \$1.7 million obtained by Rep. Lucetta Elmer for use at the Huddleston Pond at Hampton Park was approved during the last legislative session. This extension will give the City of Willamina access to the funds for another two years, giving them more time to find a solution to the erosion problem.

Another city project Bridget reported on was the old department store located at 115 NE Main Street in Willamina, which

is owned by the city. She stated that the old building is filled with asbestos and mold, and she has been talking to Business Oregon about possible solutions to restore or demolish the building. She will provide more information to the council as she receives it.

Mayor Hernandez asked Bridget if the City has reached out to the Confederated Tribes of Grand Ronde Emergency Services (CTGRES) team to see if the City could utilize the new digital display installed at the Willamina fire hall to disperse information to the public. Bridget stated that the conversation has started with CTGRES, and CTGRES is collaborating with the City to discuss the types of messages the city can share on the new display. She added that emergency notifications, such as boil water notices, would be allowed.

Yamhill County Transit Authority (YCTA) Board Member and Willamina's liaison to the public transportation organization, Councilor Craig "Captain" Johnson, reported that the YCTA is still in the process of analyzing fare rates should they decide to start charging. Currently, no fare is re-

quired to utilize the YCTA busses. The organization is also looking into adding a Saturday bus service to the area and adjusting routes to improve hospital access. Johnson also stated that the YCTA is facing driver recruitment and retention challenges due to wage competition in the transit industry.

Finance Manager Marissa Matias reported that since the City's budget was approved, they are currently setting up the next fiscal year inside the software, are close to finalizing last fiscal year's payments, and are preparing for the fiscal year audit, looking to have it completed by November 30. The City is also purchasing a volleyball and pickleball net set to be installed at Oaken Hills Park, estimating the total cost for both purchases will be around \$350. She informed the council that the council has \$6,000 budgeted for donations to organizations for the 2025-2026 year (July 2025 to June 2026).

Bridget, speaking for Library Director Sarah Frost, who was absent from the council meeting, reported that the Willamina Public Library food pantry received a significant donation of food,

including macaroni, chili, peanut butter, potatoes, spaghetti sauce, and more from Polk County. Public Works Director Jeff Brown reported that they had completed the hydroflushing of the water system, and no major issues arose during the flushing and exercise of the system. This month, Public Works will conduct a leak/loss survey, listening to water meters and valves to minimize water loss in the system. They will also be conducting a cleaning of the catch basin within the next few months. Other minor detailed projects as they can fit in will be the painting of the basketball court and the building of the volleyball and pickleball court at Oaken Hills Park. Jeff also announced that an outside company would be coming in to help determine the location source of the water coming from up above the Willamina Post Office. Jeff added that the goal is to complete the emergency repairs to the Huddleston Pond Erosion Project by the end of August or the beginning of September. The emergency repairs will be a temporary fix while the City seeks additional funding to support a permanent solution.

Celestial Hill Tasting Room to Open on Historic Third Street, McMinnville

Local vineyard and winery, Celestial Hill of McMinnville, has announced the opening of its new tasting room at 525 NE Third St. Previously the Peirano and Daughters Market, Celestial Hill's new tasting room is opening its doors after an extensive eighteen-month renovation.

- Opening – doors opening to the public at 12:00 on Thursday July 24th
- Operating Hours - Wednesday – Monday from 12:00 – 7:00
- Owners – Chris and Melissa Thomas

The tasting room will focus on pouring estate wines that are certified organic and wine education. Wines are available in a flight or by the glass. In addition, it will have small food options to pair with the wine as well as tea and sparkling water for purchase for those preferring non-alcoholic options.

"This is our dream. We love living in Oregon and McMinnville specifically. We previously rented a space for our winery

and tasting room in Carlton until we built the new winery and barrel cave at the vineyard and no longer needed the Carlton space. Then this property became available. We understood the significance of the property and the history. We purchased the building with some dear friends and then started the renovations. We were hoping to be open sooner, but we think the results were worth the wait. Sharing this building and our wines with the community is both exciting and humbling," said owner Chris Thomas.

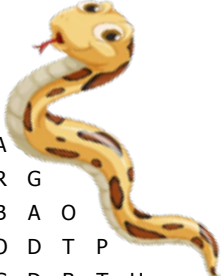

Celestial Hill also has a vineyard tasting room and winery with barrel cave for tastings by appointment only at 1970 NW Garris Ln, McMinnville OR 97128.

You can learn more about Chris and Melissa Thomas and Celestial Hill at www.celestialhillvineyard.com.

DID YOU KNOW?

Shopping locally not only means getting to see the same friendly faces each time you patronize a nearby business, it also means keeping money in your community. A 2018 study from American Express, the company that founded Small Business Saturday (which is celebrated the day after Black Friday), and the National Federation of Independent Business found that roughly two-thirds of every dollar spent at a small business ultimately stays in the local community. That boils down to 67 cents out of every dollar. The American Independent Business Alliance also references the "local multiplier" regarding local spending. This occurs when people spend at a locally owned and independent business instead of chain stores or mega online retailers. Although the exact amount of dollars recirculated by locally owned businesses varies due to certain unique criteria, retail studies conducted by Civic Economics has found a person's dollars at these locally owned businesses recirculate through the local economy two to four times more than money spent at non-local companies. This money helps generate more local wealth, charitable contributions and jobs.

Basketball Playoffs Set at Rodeo Grounds; Berkey Team Takes Title

Ken Berkey's Team 3 captured the Jaycee Summer League basketball championship Monday night as they won their fifth straight game to head into the playoffs as favorites.

The playoffs open Monday night, according to Jaycee chairman Gary Howard, when Teams 1 and 2 clash at 7 p.m. and teams 3 and 4 meet at 8 p.m. on the outdoor court at the Sheridan Rodeo Grounds. Playoff championship will be decided Tuesday night when the winners of Monday night's games meet at 8 p.m., following the consolation match between the losing teams at 7 p.m.

Howard announced a big watermelon feed is planned for the summer basketball league participants after the championship game Tuesday. The feast is slated at the city park.

Capt. Ken Berkey's team members include Dave Bauman, Mike Ivie, Gerald Heilinger, Bob Bauman, Duane Nickerson, and Monte Bockes.

MONDAY GAMES

Berkey tossed in 28 counters, and Dave Bauman added 16 as Team 3 edged Keith Neely's Team 2 by a 52-48 margin. Neely scored 26, and Mike Vaira canned 14 points in the losing effort.

In the evening's second game, Mike Eisele's Team 1 dumped

Kim Miller's Team 4, 58-45. Bob Perry scored 15, while another 26 points were evenly divided between Mike Eisele and John Ridgeway. Mike Smith's 26 points led Team 4 scorers, and John Krauthoefer tallied 10.

FRIDAY GAMES

The league championship was virtually assured when Team 3 bounced Team 1 by a 62-34 margin last Friday. Berkey and Bauman each scored 18 points, and Bob Bouman added another 14 counters. John Ridgeway tallied 12 points, and Mike Eisele threw in 11 in Team 1's losing effort.

The evening's second game between Teams 4 and 2 went to 2 on the basis of a forfeit.

WEDNESDAY GAMES

Biggest score of the season was registered when the eventual champions trounced Team 4 in a 98-54 outing. Leading scorers were Berkey, 36; Dave Bauman, 28; Gerald Hellinger, 15; and Bob Bauman, 11. Kim Miller scored 30 points in his team's losing effort.

In the evening's opening contest, Team 1 scored a 68-60 win over Team 2. Heading team 1 offensive efforts were Mike Eisele, 18; John Ridgeway, 14; Bob Hiatt, 16; and Bob Perry, 13. Keith Neely scored 26, and Mike Vaira added 20 counters in the losing cause.

RIBBON RECEIVED - A young Trailblazer 4-H Horse Club member receives the ribbon he won in a showmanship event at the club's 3rd annual horse show Sunday. Presenting the ribbon is Cassie Tschanz, while her escort is Clifford Mendenhall.

Ribbons Taken at 4-H Horse Show

Horses galore in 17 classes were presented by members of the Trailblazers 4-H Horse Club Sunday in their 3rd annual show at the Ernest Mendenhall arena, six miles north of Willamina.

Success of the show, according to one of the Trailblazers' leaders, Mrs. Jean Bett, was due to the cooperation of the parents, members, and leaders who arranged the show.

She presented thanks to the firms and individuals who contributed funds to purchase the numerous ribbons required to honor all winners.

Judge during the afternoon show was Mrs. Don Kuhl of Salem. Besides judging, she gave the youngsters numerous pointers to help them in riding and showing their horses in the future.

High point honors were gained during the show by young Roxie Bett, who has been active in numerous branches of 4-H work. Winners were:
