Rising Dead Claim Sheridan Revitalization Yard of the Month

With the spirit of Halloween in full swing, the Sheridan Revitalization Movement earlier this month felt it was only just to let the dead rise and claim their time in the spotlight for the Yard of the Month for September.

Ed and Kam Gracia, owners of the winning yard, are recent transplants to the West Valley area, who moved from Fresno, Calif. With both of them now enjoying retirement, they opted for a

much cooler and affordable area to move to, and landed in their house at the 200 block of NW Blair just five months ago.

"I love Halloween," Kam expressed, the couple adding, "We didn't really decorate or give out candy much when we were at our house (in Fresno). We were in a cul-de-sac, so the people would just walk by, plus we had to get up early the next morning for work, so this year we said, let's

just do it."

With the much larger front yard of their previous home, they had plenty of decorations to utilize. Kam stated, "I started with one thing out there, with the pumpkins in the wagon, and then

just kind of started adding from there," later adding lights on the porch and skeletons. "Depending on if it rains or not on Halloween, we're going to set up a projector and put a movie on the garage door for the trick-or-treaters.

Skeletons rising from the grave and pumpkins adding a touch of fall color are the stars of the Sheridan Revitalization Yard of the Month winners, Ed and Kam Gracia.

A Message from the Sheridan Superintendent

Dear Sheridan Community,

It's a busy week at Sheridan Schools - packed with fun activities, Parent-Teacher Conferences, athletic events and more!

Fall conferences are a short but very important opportunity to connect with teachers and administrators. They serve as a "Team meeting" where teachers, parents/guardians, and students check in on how school is going so far and make any needed adjustments before too much of the year has passed. The main goal is to make sure students succeed!

Teachers want to hear about what is working for families and also understand where you and your students are struggling. They also want to share strengths and growth opportunities for your student, so we encourage you to take advantage of this time. Changes now can make a big difference on the rest of the year.

New this year we will be offering FREE dinners for families attending conferences on both Wednesday (FCS) and Thursday (SHS). We are very grateful to have two of our community partner organizations, Churches United for West Valley and the SHS Boosters Club, organizing these two meals. With football games on both Wednesday and Thursday nights, we hope to see all of our families attend conferences... have dinner... and then head out to support our student athletes on the field.

Week of October 27-31 at Sheridan Schools

- Tuesday, October 28 - FCS students are encouraged to wear school-appropriate costumes. (No blood, gore, or weapons)
- Wednesday, October 29 - No School/Conferences (FREE conference dinner from 4-6pm at FCS. FCS football at Willamina at 5pm)
- Thursday, October 30 - No School/Conferences (FREE conference dinner from 4-6pm at SHS. SHS football vs. Colton at 7pm.)
- Friday, October 31 - Haunted Halls at SHS (sponsored by Sheridan Chamber of Commerce) and Trunk-or-Treat in the SHS parking lot (sponsored by City of Sheridan). Both events will be open from 5-6pm.

Sincerely,
Dorie Vickery Ed. D,
Superintendent

Presents
A Salute to America

A Salute to America

On July 4, 2026, Americas will celebrate a monumental milestone - 250 years of Independence. The signing of the Declaration of Independence in 1776 marked the beginning of a nation built on the ideals of freedom and self-governance. As we approach this historic anniversary, it's a time to reflect on our nation's journey - honoring both our achievements and the challenges we've overcome. By understanding our past, we can deepen our appreciation for the American spirit and renew our commitment to building a "more perfect Union" for the future generations.

Keep an eye on the Bulletin Board for more glimpses into American history as we count down to Independence Day 2026.

WHAT'S UP IN WILLAMINA

by mary jane

Well, it looks like Slow Train has left the Willamina station for parts unknown. It will be missed. I know that I sure will miss it. The folks were friendly and had great smiles whenever they waited on you. They made great drinks all through the year. I've heard that two of those buildings are to be torn down and a "food court" will go in there. Haven't heard for sure, so I guess I'll just wait and see a while. I just know I'm going to miss the yummy drinks and all the goodies provided on that big menu board. I wish them all the best of luck wherever they go. They'll be missed here and welcomed there. That's "What's Up in Willamina."

Revitalization Programs Aim to Improve City

The Sheridan Revitalization Movement (SRM) is a non-profit organization that started in 2016 as a joint effort between the Sheridan Chamber of Commerce and a group of interested community members.

Today, focusing on turning ideas into action, those community members, through facade improvement grants for local businesses, murals and public art projects, city-wide cleanup events, and the Yard of the Month competition, are dedicated to making Sheridan a stronger, more vibrant town for its residents and tourists.

The SRM, earlier this year, announced its recipients for the two \$1,000 grants to help improve the facade of two businesses in town, West Valley Mercantile and Carol's Consignments.

On S Bridge St., West Valley Mercantile opted to put up a

large sign close to the street, announcing its presence to passersby, while Carol's Consignments on E Main St., not owning the building it occupies, pushed the grant up to the landlord, where cleaning and painting of the building's facade was more of the focus. Both of these projects have been recently completed.

Two more grants are being launched by SRM in November. All information about the application and grant details can be found at www.revitalizesherdan.com/grants.

Tkeisha Wydro, President of the Sheridan Revitalization Movement, stated, "There are plenty of projects waiting to happen, but SRM needs more volunteers, board members, and committee leaders to make them a reality. The Public Art Committee has

funding and exciting plans, but needs someone to help guide it. More hands make the work lighter, the projects bigger, and the results more noticeable."

She added, "Whether you volunteer for a few hours or take on a leadership role on a committee, your participation helps make Sheridan a better place for the families who live here."

Those interested can get involved right away at the Fall Litter Pick-Up from 10 a.m. to noon on Saturday, November 15.

Volunteers will meet at the Sheridan High School parking lot to check in and pick up supplies. After the cleanup, all participants will be provided pizza and hot chocolate as a thank-you from one of the event's co-sponsors, the Rotary Club of the West Valley, for helping clean and spruce up town streets.

Children of Firm Foundation Gets Boost from Local Lunch

Children of Firm Foundation (COFF), led by founder and president Linda Hagglund, a local who was born and raised in Zambia, hosted a cross-cultural lunch at the Sheridan United Methodist Church on Sunday.

Children of Firm Foundation is a nonprofit organization dedicated to empowering youth through education and community support. They help uplift the living standard of children, such as street kids, orphans, and vulnerable children in impoverished societies.

Attendees were treated to a lunch of chow mein, Indian fry bread, chicken and vegetables stew with nshima (Zambia's staple food - a thick porridge made from corn flour), and pasta salad. Those with room left after the meal had dessert of a cloud fruit salad and cookies, donated by Sandy Walker, with the COFF logo printed on them using edible ink.

As lunch was enjoyed, those interested in getting up and stretching their legs had the opportunity to view items being sold in the silent auction, with proceeds going to COFF.

COFF's current projects are being carried out near Choma, Southern Province of Zambia, Africa, approximately 181 miles from

the capital city, Lusaka, and with a population of around 46,000 residents.

The organization works in covering the surrounding areas, focusing on children who have obstacles preventing them from attending school and children of parents affected by HIV/AIDS.

Children of Firm Foundation also partners with Intuba International, reaching out to farmers in impoverished areas to teach new agricultural methods and drilling wells to secure permanent clean water.

The organization then establishes nutritional gardens close to those wells, teaching a water conservation program called Raised Bed Bucket Drip Irrigation systems, which use very little water.

Linda stated on the event's lunch program, "Every child deserves to be nurtured in a safe environment with adequate nourishment, health services, shelter, clean and safe drinking water, sound education, and a supportive family system. Ultimately, our mission assists children in their homes, faith communities, villages, and towns, and helps them become able to support themselves and their families."

After lunch, SmaZama, a Koto

and Cello duo, played for the crowd as the live auction portion was getting ready to start, providing more proceeds to the organization.

Linda gave special thanks and recognition to all the volunteers who made the event possible. Planning Committee: Linda and Sam Hagglund, Gay Hall-Pentecost, David Kennedy, Mary Lukehart, Cliff Monroe, Julie Schumann, and Cheryl Stapleton. Children of Firm Foundation would like to thank all for the support they received. From those who helped plan, set up, cook, serve, donated auction items, music, and all those who attended.

Volunteer Julie Schumann serves up cloud fruit salad for dessert during the Cross-Culture Cuisine Luncheon.

A group of lunch-goers pass around the various dishes at the cross-cultural lunch held at Sheridan United Methodist Church.

Linda Hagglund (right), with assistance from her husband Sam Hagglund, demonstrates how nshima (Zambia's staple food) is eaten by hand instead of utensils.

Faulconer-Chapman Parent Teacher Organization Harvest Festival

Elora Rayback, dressed up as Sherlock Holmes, supervises the 4H Fun Dize Friends petting zoo at the FCS-PTO Harvest Festival.

The Faulconer-Chapman Parent Teacher Organization (FCS-PTO) 4th Annual Harvest Festival gave local children the opportunity to try out their Halloween costumes early, one weekend before the big day.

No bones about it, Loreley was able to hang on to her treats all while giving the camera a good scare in her Skeleton costume.

With approximately 20 vendors and organizations in attendance, there was plenty to entertain both kids and adults alike, with kids taking advantage of free and ticketed (purchased) activities throughout the old gym of the Faulconer-Chapman School. This year's big attraction was the Rotary Club of the West Valley's table, highlighting their West Valley Esports and Gaming Expo coming up on Saturday, November 8, at Sheridan High School.

Kids lined up to watch and wait for their turn to play Super Smash Ultimate Tourney, the game that will be the main showcase and competition of the expo.

Another popular attraction among the youngsters was the petting zoo provided by 4-H Fun Size Friends, where youngsters got the opportunity to pet goats, small chickens, and a bunny that was happily hopping around the crowd on its leash.

Steve Swartwood explains the Rotary Club of the West Valley's Esports and Gaming Expo to a young possible participant as other kids get thumb-deep into a sample of the action in the background. The expo is set to take place on November 8 at the Sheridan High School and will feature a Smash Bros. tournament, free card tournaments, a raffle for a Nintendo Switch 2, and plenty of vendors.

Despite the cold weather, many of the children were seen with their hands wrapped around and merrily slurping on free snow cones provided by the Churches United for West Valley organization.

This annual event is not only a great way to entertain the kids, but a great opportunity for organizations and the community to come together in mutual support of each other. Non-profit organizations provide essential

services to fill gaps in public and private sectors, and these events help spread the word of what organizations are available in the West Valley. On the flip side, these organizations would not be possible without the support and volunteers of the local community.

This year, the Harvest Festival raised about \$1,000 that the FCS-PTO organization can use to support teachers, staff, and students at Faulconer-Chapman

School.

The FCS-PTO gave thanks to the Sheridan IGA for their continued donation of cookies through the years and to all the staff and parents who donated to the baked goods auction.

PTO Vice President Natalie Rayback (right) and PTO Treasurer Snow Rayback (left) get into the festivities as Elpheba (the Wicked Witch of the West) and Glinda (the Good Witch).

The king took some time off from ruling his people to enjoy a snow cone at the Faulconer-Chapman Harvest Festival.

Halsey Watson spent some time at the sand pit making sand muffins or some other concoction from her witch's cookbook.

Mother Nature and Corbett Rain on Sheridan Spartan Homecoming

With a storm looming for the Sheridan High School's Homecoming game, Mother Nature was kind enough to open up the skies and let the sun shine through for Thursday's noise parade and Friday's pre-game coronation of the Spartans' 2025 Homecoming King, Tristan Sayer, and Queen Taylor Lugo.

Unfortunately for the Spartans, this was the crowning moment for the evening, as Mother Nature and the Cardinals brought in a storm that would dampen the spirits of the Sheridan Homecoming game.

It only took three plays into the game for Corbett to set the tone for the remainder of the battle with a screen pass that broke into a 56-yard touchdown that

was called back on penalty, putting the ball on Sheridan's 30-yard line.

It would only take four more plays to make the touchdown official, and with the 2-point conversion good, putting Sheridan down 0-8 against the Cardinals.

The Spartans, on their first possession of the game, would go four-and-out, punting the ball. Three plays later, the Cardinals once again found the endzone, putting Sheridan into a 0-14 hole after a failed 2-point attempt.

Corbett would continue to pour on the points, down 0-22, Sheridan would have one offensive burst, when Travis Lugo broke off two runs, one for 17 yards that put Sheridan into Cardinal territory for the first time, followed

by a 14-yard jaunt that found the Spartans on Corbett's 25-yard line to end the first quarter.

The Cardinals' defense regained control during the break, stopping the Spartan offense, falling on a fumble to take over on their 27-yard line.

From there, it was all Corbett, Sheridan going into the locker room at halftime down 0-38.

The third quarter had both teams unable to find the endzone. In the 4th quarter, with the Cardinals five yards away from increasing their lead with 4:45 left in the game, the Spartans pulled off their biggest play of the game when Travis Lugo intercepted the ball on the goal line, taking it all

the way back to Corbett's 35-yard line.

With the aid of offside penalties by the Cardinals and an amazing 10-yard reception in the middle of three Corbett defenders by Ayden Vargas, Sheridan found themselves on the Cardinals' 19-yard line, on their way to ending their five-game scoreless streak with a little over a minute left in the game. Two plays later, the Cardinals terminated that thought, intercepting the ball on the ten-yard line with 50 seconds left in the game, the Spartans losing 0-38 against Corbett.

Sheridan's final game of the season will be at home versus Colton at 7 p.m., Thursday, October 30.

Dragons' Boys Soccer Wins Playoff Opener

The Delphian Dragons' boys soccer team, which finished 3rd in the 3A/2A/1A Special District 2 League, faced off against the 4th-place Taft Tigers in the opening league playoff game.

Defense took the main stage in this drama, with the ball exchanging sides 17 times before the first shot on goal could be attempted, courtesy of the Dragons' Mark DeVries just over 13 minutes into the first half.

The Delphians continued to apply more pressure to the Tiger defense, getting two more shots on goal in the next two minutes when a corner kick allowed the Dragons' Chenoa Lopez to break through two defenders, scoring the game's first goal 18 minutes into the match. For the next nine minutes, defensive domination ruled once again until a long ball by the Tigers from mid-field was popped in by a Taft forward to tie the game up 27 minutes into the contest.

The remaining 13 minutes of the half copied the same script as the first 13, each team heading to the bench at halftime with one goal apiece.

The Dragons figured out a better formula for the second half, the Delphi continuously applying pressure on the Taft side of the field. With a corner kick coming 14 minutes into the second half, Mark DeVries broke away from his defender, connecting with the kick to pop it past the Tiger goaltender, putting Delphian up 2-1 with 26 minutes left.

The rest of the contest was all defense once again, the Dragons caging the Tigers for the 2-1 league playoff win.

First round of the 3A/2A/1A state soccer championship begins November 1.

Dragons Devour Spartans in Final Game of Season

The 4-10 Sheridan Spartans were no match for the high-flying 13-1 Delphian Dragons in each team's final game before the playoffs begin.

The Spartans, falling behind 2-8 in the first set, rallied to get within one point of the Delphians, down 9-10, when the Dragons turned up the heat again to take a 20-11 lead over Sheridan.

But the Spartans were not ready to roll over. With a great defensive dig by Sheridan's Hope Ulery and an ace serve by Alondra Casillas, aided by a couple of miscues by the Dragons, the Spartans were able to get back into striking distance, now down 17-20.

Sheridan lost serve after the Spartans knocked a hit out of bounds, and Delphian took control of the game once more, with three aces by Liana Vannier and a powerful spike by Liv Curry at the end of a rally that crossed the net 8 times, the Delphians taking the set 25-17 over Sheridan.

The Dragons soared out to a 20-8 lead in the second set. The Spartans attempted to rally back, but could not make the comeback, falling 17-25.

The Delphians would make quick work of Sheridan in the third set, winning it 25-13 and downing the Spartans 3-0.

The Dragons will head to the playoffs, taking on co-league champions Wolverines in Santiam on Tuesday (October 28) in the league playoffs for seeding in the 2A state volleyball championships.

Willamina Loses Final Two Games of Season

In a season that has seen the Lady Bulldogs floundering to put a win on the board, Willamina, with a 2-12 record, looked to add two more as they faced the Scio Loggers and Jefferson Lions in their final week of play, the only two teams the Bulldogs have defeated this year, each by a score of 3-0.

In the first set against Scio, Willamina jumped out to a 3-1 lead, but could not shake the loggers, falling behind by two before tying the set up a 10 a piece.

Willamina took a 12-10 lead before falling behind once again, 12-13. Almost trading point-for-point, the Loggers were able to chip away to a 20-16 lead that the Bulldogs were unable to overcome, again trading point-for-point before losing the set 20-25.

The second and third sets saw Scio take an early lead that they would never relinquish, as Willamina fell 14-25 and 16-25, ultimately losing the match 0-3 on the Bulldogs' Senior Night.

The Lady Dawgs traveled to Jefferson on Wednesday, limping back home after a 1-3 defeat, ending their season with a 2-17 overall and 2-14 league record.

Sheridan High School Names September Students of the Month

Dan Eden

Two outstanding students at Sheridan High School, Dan Eden and Glynis Dickey, have been named Boy and Girl of the month for September.

Miss Dickey, daughter of Mr. and Mrs. Glen Dickey Jr., was selected for the honor because of her outstanding record of accomplishment both in school and extra-curricular activities.

A senior, she is editor of the high school annual staff, where she has done an excellent job of planning and organization.

She also has been credited with an outstanding job of promoting pep and school spirit in athletics and other activities.

Leadership was the primary

Glynis Dickey

reason for Dan Eden's selection as Boy of the Month. As president of the Sheridan High student body, he has demonstrated his ability as a leader.

Principal Ray Simonsen credited Eden with being a capable student who has shown cooperation in student activities with the teaching staff and community. He has participated in numerous extra-curricular activities, including membership on the Spartan football squad.

Among his activities, Eden lists member in the photography club, the annual staff, the National Honor Society, and the Spartan Letterman club. He also is a chorus member.

Bulldogs to Play in 'Game of Year'

Eventual advancement to the state A-2 playoffs would appear to await winner of the Willamina-Nestucca football clash Friday night when the Bulldogs travel to Cloverdale for the showdown tilt. Both teams are undefeated in league competition and in their overall season schedule. Winner of the all-important tussle Friday eve should have the Yawama League crown pretty well packed away.

Going into the 8 p.m. "title" test, a basic difference in the teams is quickly noticed. The Bobcats are owners of a prolific offense, but also have been plagued in most of their outings by a porous defense. In several games this year, Nestucca has scored enough to enable them to give away several touchdowns and still come out on top.

Willamina, on the other hand, generally has displayed an overwhelming defense and an oft-time impotent offense, except when really needed. But, by limiting the opposition to no more than a touchdown in a game, the Bulldogs have found they don't

need too many goal-crossing marches of their own.

A case in point is the Bulldogs' last game Friday night with visiting Dayton. Willamina captured the contest 6-0, but the orange-and-black gridders were unable to capitalize on any other serious threats they mounted. As it turned out, additional touchdowns weren't needed, but the Bulldogs might have been able to use them as drill for the Bobcat battle.

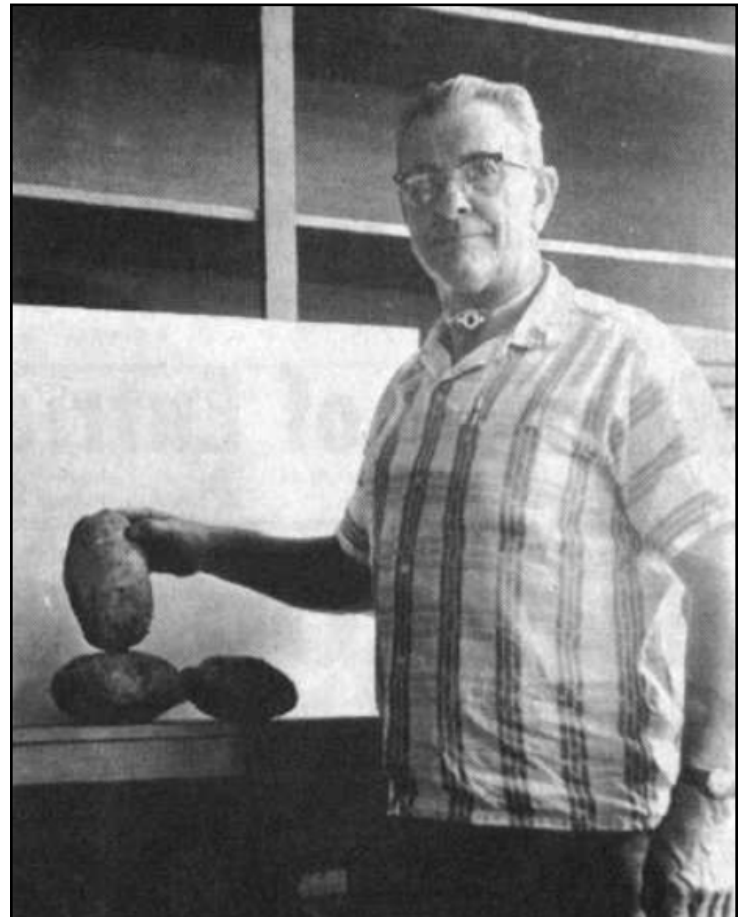

In the Pirate clash, Ted Kilgore capped a 40-yard Willamina march when he hurtled into the end-zone on a two-yard carry in the second panel. A pass for the extra point failed.

The Bulldog defenders held the Pirates at bay throughout the game, but the offense was unable to pad the lead. Twice in the fourth period, Willamina drives were halted on fourth down situations deep in the visitors' territory.

The squads each carry a 6-0 league record into the battle, and both are 7-0 on the season. The traveling Bulldogs may find their offensive and defensive efforts taxed by the home team.

GETTING a quick lesson in the proper way to use the new Seiscor vote recorders, slated for use in Yamhill County during the Nov. 8 general election, is Mrs. Roy Zimbrick, with her small daughter looking on. Lucille Smith of the Sheridan Branch of the U.S. National Bank shows Mrs. Zimbrick how to use the recorder.

HUGE POTATOES raised in his garden are a source of pride for Donald Trowbridge inn Sheridan. The giant spuds, weighing up to 3 pounds, 2 ounces, are of the White Rose variety.
